

Community
FOOD CO OP

**Do your holiday grocery shopping
at the Community Food Co-op
Saturday, November 18th, 2023
and benefit the WSU Master Gardener Program!**

The Co-op will donate 2% of the day's total sales
to the Whatcom County Master Gardener Foundation

Each year, the Co-op selects 12 community non-profit organizations to be recipients of 'Community Shopping Days' awards. Whatcom County Master Gardener Foundation was chosen based on our commitment and support of the WSU Extension Master Gardener Program, to provide community education around sustainable gardening practices, water conservation, composting, soil improvement, and promoting a healthy, thriving future for Whatcom County.

**There are two ways to make the most of this opportunity
and support our Master Gardener activities:**

- Shop at either the downtown or Cordata Co-op on November 18th. The stores will donate 2% of that day's total sales to our organization.
- Round up your purchase or make a donation at the register on November 18th, or any day during November, and 100% of your donation is given directly to the Master Gardener Foundation.

Let's make full use of this wonderful opportunity and partnership
with the Community Food Co-op this November.

Help spread the word to family and friends.

Thank you for your support. Live healthy and garden wisely ...
