

UNDERGRADUATE AND PROFESSIONAL MAJOR CHANGE BULLETIN NO. 1
Fall 2021

--REQUIREMENTS--

The requirements listed below reflect the undergraduate major curricular changes approved by the Catalog Subcommittee since approval of the last Undergraduate Major Change Bulletin. All changes are underlined. Deletions are crossed out. The column to the far right indicates the date each change becomes effective. Note: Items marked {S} have been streamlined and do not require Catalog Subcommittee review.

Department	Proposed	Effective Date
{S} Animal Sciences Under B.S. in Animal Sciences, change name of option from "Animal Management" to "Animal Science, Technology, and Production"	<u>Animal Management Science, Technology, and Production (120 Credits)</u>	8-22
{S} Asia Program Drop Certificate in East Asian Studies for Business Majors		8-22
{S} Asia Program Drop Certificate in East Asian Studies for Engineering and Architecture Majors		8-22
{S} Asia Program Drop minor in Asian Studies		8-22
{S} Biological Sciences Under B.S. in Biology, drop Basic Medical Sciences Plan B		8-22

Footnotes

¹ For students in the Honors Program: ECONS 198 is an approved substitute for ECONS 101 and 102; COM 102/H D 205/MKTG 279 requirement is waived; HONORS 198 is an approved substitute for HBM 101; ENGLISH 198 is an approved substitute for ENGLISH 101; ACCTG 298 is an approved substitute for ACCTG 230 and 231. Honors students may need to enroll in elective coursework to meet University requirement of 120 credits.

² Foreign Language Requirement: Approved courses include ARABIC 203-204; CHINESE 203-204; FRENCH 203-204; GERMAN 203-204; ITALIAN 203-204; JAPANESE 203-204; KOREAN 203-204; RUSSIAN 203-204; or SPANISH 203-204. Foreign language competency can also be determined by testing out at the intermediate level (tests such as STAMP or LTI) or certification by a WSU faculty member who is a native speaker of the target language. May be taken as part of study abroad. Non-native English speakers and bilingual students should check with department regarding this requirement.

³ MATH 201 will be waived with an ALEKS score of 80% or higher, or the completion of MATH 202 or equivalent. MATH 106 will be accepted as an alternative to MATH 201 for transfer students.

⁴ Alternative to MATH 202 is MATH 140 or 171.

⁵ For a total of 7 credits—one Biological Sciences [BSCI] and one Physical Sciences [PSCI] course, including one lab course.

⁶ Study Abroad Requirement: Students must complete a minimum of one semester of at least 11 weeks in length and 12 transferable credits from a pre-approved study abroad program.

⁷ MATH/STAT 212 will be accepted as alternative to MGTOP 215 for transfer students.

⁸ 300-400-level International Business Concentration or Double Major (9 credits): Students choosing a concentration must complete 9 credits in one of the International Business concentrations: a) Global Trade: ECONS 320, 428, 430, I BUS 415 [M]; b) Sustainable Development: ECONS 320, 326, 427, 428; c) Entrepreneurship: ENTRP 426, 485 [M], 486 [M], 490 [M]; d) Finance: FIN 421, 427 [M], 481 [M]; e) Hospitality Business Management: HBM 381 [M], 490 or 491, 494 [M], I BUS 435; f) Management: MGMT 401 [M], 483 [M], 487; g) Management Information Systems: MIS 372 [M], 374, 420, 441; h) Marketing: I BUS 482 [M], MKTG 407, 468. Students choosing to double major in another business discipline should take required courses for their second major during this semester.

	⁹ Humanities or Electives: 300-400-level coursework as needed to meet University requirements of 120 credits and 40 upper-division credits.

May not include courses from the CCB Core, the set of required MIS courses, or any except 498 Internship or 499 Special Topics courses not used to fulfill major requirements.</p>	
<p>{S} Business Revise Requirements for MBA International Business Certificate</p>	<p>Certificate in International Business:</p> <p>FIN 581, <u>HBM 535</u>, I BUS 580, I BUS 582, I BUS 600</p>	<p>8-22</p>
<p>Civil and Environmental Engineering Revise admission requirements for Bachelor of Science in Civil Engineering</p>	<p>Civil Engineering (128 Credits)</p> <p>Admission to the Major Criteria</p> <p>Students may be admitted to the Civil Engineering degree program either in the Department of Civil and Environmental Engineering, on the Pullman campus, or in the School of Engineering and Applied Sciences, on the Tri-Cities campus. There are different admissions benchmarks for incoming students based on their academic standing.</p> <p>Incoming Freshmen who are ready to take MATH 171 (Calculus 1) or higher are admitted to the major upon making their intentions known to the department. To remain in the major the student must initially pass MATH 171, MATH 172, PHYSICS 201/211, and CE 211 with a grade of C or better and a cumulative WSU GPA of 2.5. Subsequently the student must maintain good academic standing (i.e. 2.0 or higher GPA each term and 2.0 or higher cumulative CE GPA).</p> <p>Incoming Freshmen who are not ready to take MATH 171 (Calculus 1) are admitted to the major upon completing MATH</p>	<p>8-22</p>

~~171, MATH 172, PHYSICS 201/211, and CE 211 with a grade of C or better while earning a cumulative WSU GPA of 2.5 or better; and making their intention know to the department. Subsequently, to remain in the major the student must maintain good academic standing (i.e. 2.0 or higher GPA each term and 2.0 or higher cumulative CE GPA).~~

~~Incoming transfer students are admitted to the major upon completing MATH 171, MATH 172, PHYSICS 201/211, and CE 211 with a grade of C or better while earning a cumulative GPA of 2.5 or better at their previous institution; and making their intention know to the department. Subsequently, to remain in the major the student must maintain good academic standing (i.e. 2.0 or higher GPA each term and 2.0 or higher cumulative CE GPA).~~

~~Current WSU students seeking to change their major are admitted to the major upon completing MATH 171, MATH 172, PHYSICS 201/211, and CE 211 with a grade of C or better; while earning a cumulative WSU GPA of 2.5 or better; and making their intention know to the department. Subsequently, to remain in the major the student must maintain good academic standing (i.e. 2.0 or higher GPA each term and 2.0 or higher cumulative CE GPA).~~

To be admitted to the Civil Engineering major, students must have one of the following:

- An 83% or higher ALEKS math placement score
- WSU enrollment in MATH 171 or equivalent credit earned with a 'C' or higher grade
- An AP Calculus score of '2' or higher (AB or BC exam)

To remain in the Civil Engineering major, students must complete the following benchmarks:

- A grade of 'C' or better in the following courses:
 - MATH 171, MATH 172
 - CE 211
 - PHYSICS 201 and 211
- A cumulative GPA of 2.5 or higher (or transfer GPA if no WSU GPA exists upon completion of the above courses)

The admission to major benchmarks are the same on all campuses, but the application process may vary. Students should consult with their advisor about their readiness for admission to the major and apply during the semester in which admission requirements will be met.

The admission to the major is only valid for the current campus of residence. Should a student decide to change campus after

admission to the major, they will need to reapply for admission to the major for the campus to which they transfer.

Students who are deficient under the University's Academic Regulations or whose GPA in CE courses falls below 2.0 are subject to loss of eligibility of major. The undergraduate studies committee on each campus will determine the probation conditions for academically deficient students. Students must meet the conditions of their probation during the following semester to remain admitted to the major. Students failing to meet their probationary conditions during the following semester are released from the major.

Experiential Requirement

To earn a B.S. degree in Civil Engineering, students must complete one of the following experiential requirements:

1. An internship of at least eight weeks duration, with at least one credit of CE 495.
2. A research position of at least eight weeks duration under the supervision of a departmental faculty member or approved mentor, with at least one credit of CE 499.
3. Study abroad for six or more credit hours. International students in the School of Engineering and Applied Sciences will meet this requirement through their study in the United States.
4. Participation in a recognized ROTC program. Veterans in the Department of Civil Environmental Engineering or in the School of Engineering and Applied Sciences will have met this requirement through their prior service in the armed forces.
5. A leadership or service experience of at least one semester, subject to departmental approval, with at least one credit of CE 499.

At least 50 of the total hours required for this degree must be in 300-400-level courses. None of the courses listed below may be taken on a pass/fail basis. A grade of C or higher in all CE courses used to fulfill major requirements is required for graduation.

Students should consult with their advisor at their campus of residence for approved alternative course sequences and choices as well as allowed substitutions to the schedule of studies listed below. ~~Transfer credit used to satisfy CE course graduation requirements in the major is limited to lower division credit. All upper division CE courses must be taken at WSU. However, an exception may be made if a student receives less than a C grade in one CE course during their last semester at WSU. With approval~~

	<p><u>of the department chair, a student can make up that one course only at a different institution. At the time of admission to the CE program, all pre-existing upper-division CE coursework from previous institutions can be evaluated by the department for compliance with degree requirements on a case-by-case basis. Following admission to the CE program, all subsequent upper-division CE courses must be taken at WSU. However, an exception may be made if a student receives less than a C grade in one CE course during their last semester at WSU. With approval of the department chair, a student can make up that one course only at a different institution.</u></p>
