

VOLUNTEER / SERVICE LEARNING OPPORTUNITY

# TEACH OLDER ADULTS TO USE TECHNOLOGY

## EARN 60+ VOLUNTEER HOURS

GAIN EXPERIENCE IN CUSTOMER SERVICE, EDUCATION, TECHNOLOGY, AND HUMAN SERVICES

A Project of:

## ABOUT US: WHAT WE DO

The WSU / Seattle-King County Cyber Seniors program works with the non profit international Cyber Seniors organization to pair area young people (age 16+) with local older adults to teach digital and technology literacy skills and connect to resources. Volunteers are provided with lessons and activities to train them to act as digital mentors. Student volunteers and seniors connect via a secure online calling platform. Volunteering takes place over the phone/computer.
