

WSU Pullman Burn Restrictions

Effective September 4, 2018

Unauthorized open burning and unauthorized recreational fires on the WSU Pullman campus are **restricted** until this order is lifted or otherwise permitted by WSU Fire & Safety or WSU Police.

NOT ALLOWED

- Any outdoor fire using wood or charcoal.

ALLOWED

- Natural gas, propane gas or charcoal barbeques and self-contained stoves for cooking purposes.
- Natural or propane gas manufactured portable outdoor devices used in accordance with the manufacturer's instructions.

The above listed items shall be used on a non-combustible surface such as asphalt, concrete, or gravel.
