

Football 2023
Gameday Transit
Service

Pullman Transit is providing special park & ride transit service for the WSU home football games. Our football service will be Cougar Express 1, 2, and 3. This service begins 3 hours prior to kickoff, operates throughout the game, and ends approximately one and a half hours after the game ends.

ALL ROUTES DROP OFF AND PICKUP
IN FRONT OF MARTIN STADIUM.

These routes will NOT have a set time schedule; the buses will be running the loops as quickly as the traffic will allow. For up-to-date, live location of our buses, please check our mobile apps. Links for downloading these apps can be found on our website (see front page for QR code).

In addition to this football service, we are also running our regular fare transit service. On Saturdays, these are Wheat and Lentil until 10:15pm.

During the Friday game, all of our daytime routes (except the Campus Route) will run until 6:40pm, in addition to Wheat and Lentil in the evenings until 10:15pm.

Please see the map on the back for more information. Check out our website, our mobile apps, or call 509-332-6535 to talk to a dispatcher.
