The 7th International Safflower Conference organizing committee was:

Dr Sue Knights, SE Knights Consulting (Chair)
Ms Rosemary Richards, Australian Oilseeds Federation
Mr Trent Potter, South Australian Research and Development Institute
Dr Rod Mailer, New South Wales Department of Primary Industry
Mr Bill Slattery, Devexco International Pty Ltd
Mr Ian Mack, Adams Australia
Mr Geoff Black, Cootamundra Oilseeds Pty Ltd

With assistance from:

Mrs Tina Slattery, Devexco International Pty Ltd
Ms Sandy Black, Cootamundra Oilseeds Pty Ltd
Ms Mel Cook, Cootamundra Oilseeds Pty Ltd

The papers in these proceedings have been independently reviewed in their entirety previous to publication by a panel of independent, qualified experts. During the process of refereeing and editing, minor changes have been made to improve the readability and layout of the papers.

Please cite the proceedings as follows:

Knights, S.E. and Potter, T.D.(Eds) (2008) Safflower: Unexploited potential and world adaptability. *Proceedings of the 7th International Safflower Conference*, Wagga Wagga, New South Wales, Australia

Citation of individual papers should be as follows (example): Gilbert, J. (2008) International safflower production- an overview. In Knights, S.E. and Potter, T.D.(Eds) (2008) Safflower: Unexploited potential and world adaptability. *Proceedings of the 7th International Safflower Conference*, Wagga Wagga, New South Wales, Australia
