EDUCATION

A. Degrees Earned

1999 MPA, Evans School of Public Affairs, University of Washington (UW), Seattle, WA

1990 BA, Cultural Anthropology, Williams College, Williamstown, MA

Certificates and Licenses

1999 Certificate, Conservation Biology, UW, Seattle, WA

EMPLOYMENT

A. University Related

2013-Present

Assistant Professor, Washington State University Extension. Project and Development Lead at the William D Ruckelshaus Center for ... Responsible for assisting public, private, tribal, non-profit and other community leaders in collaborative efforts to build consensus and resolve local and regional conflicts around difficult public policy issues; leading development efforts in seeking funds from individual, corporate, foundation, and agency funders.

B. OTHER

2000-2005, 2011-2013

Associate, Triangle Associates, Seattle, Washington. Responsible for facilitation, mediation, policy analysis, public involvement and project management for consensus-building on local, state, regional, and federal projects.

2005-2010

Executive Director, Homewaters Project, North Seattle Community college. Led staff of 3-4 in development, delivery, administration, and funding of experiential science investigations of urban ecology and neighborhoods for youth and teachers in Seattle and Shoreline Schools. Responsible for

Key to indicators or description of contributions to Grants, Contracts and Fund Generation:

1 = Provided the initial idea; 2 = Developed research/program design and hypotheses; 3 = Authored or co-authored grant application; 4 = Developed and/or managed budget; 5 = Managed personnel, partnerships, and project activities.

and for ensuring the organization adhered to its mission, vision and strategic plan. Led the organization to record growth in numbers of students served annually.

2010–2011

Head of Offsite Development, IslandWood. Facilitated merger of Homewaters Project staff team and science education programs to successfully join forces with IslandWood. Helped develop strategy for IslandWood and Homewaters to expand science education models offsite, and potentially statewide, to successfully serve more children and families. Led transition for Homewaters functions to IslandWood's teams (HR, IT, Website, Finance/Accounting, etc.) Advised senior IslandWood educators how to successfully transition and manage Homewaters staff into new roles and structure.
