<p>RECOMMENDATION 2 Provide incentives for counties to increase the use of alternatives to incarceration.</p>	NA
<p>RECOMMENDATION 3 Assess and consider removing Sentencing Reform Act (SRA) barriers to alternatives to incarceration, such as barriers to therapeutic courts—recognizing the need for accountability for severe harm.</p>	NA
<p>RECOMMENDATION 4 Require an equity analysis of the impacts of proposed changes to the criminal justice system to assess the potential to exacerbate racial, socio-economic, or geographic disparities before such changes are adopted.</p>	<p>Budget Proviso for OFM: By July 1, 2022, the office of financial management must submit a report to the governor, appropriate committees of the legislature, and statutory commissions that details recommendations on: (i) The procedure for providing an equity impact statement for legislative proposals; (ii) The format and content requirements for the equity impact statement; (iii) A plan, including information technology additions or revisions, necessary to provide equity impact statements; (iv) Recommendations on which office or agency should be principally responsible for coordinating the provision of equity impact statements with state agencies; and (v) Recommendations on any policy changes needed to implement the provision of equity impact statements.</p>
<p>RECOMMENDATION 5 Adopt treatment-oriented public health options to address problematic drug use, including expansion of therapeutic interventions to respond to offenses associated with drug use—recognizing the need for accountability for severe harm.</p>	<p>ESB 5476 – Delivered to Governor Using or manufacturing drug paraphernalia is not illegal to the extent the drug paraphernalia is for personal use. A person who would otherwise be subject to arrest for possession of a controlled substance, counterfeit substance, legend drug, or 40 grams or less of marijuana shall be offered referral for assessment and services by law enforcement in lieu of jail booking and referral to a prosecutor. If a person has been diverted on two previous occasions, law enforcement is not required to make additional diversion efforts.</p> <p>The Health Care Authority (Authority) is required to establish a substance use recovery services advisory committee. The Authority must appoint members to the committee</p>

The committee shall establish a substance use recovery services plan with a preliminary report due on December 1, 2021, and the final report due on December 1, 2022. The plan shall be implemented by December 1, 2023. Subject to appropriation, the Authority shall create a grant program to provide treatment services to low-income individuals, establish an expanded recovery support services program to increase access to services for individuals in recovery from substance use disorder, and establish a homeless outreach stabilization transition program.</p> <p>Each Behavioral Health Administrative Services Organization (BHASO) must establish a recovery navigator program that provides community-based outreach, intake, assessment, and connection to services to youth and adults with substance use disorders. The Authority must provide funding to each BHASO for the recovery navigator programs, subject to appropriation.</p>
<p>RECOMMENDATION 6 Identify and implement public health options for addressing conduct that endangers public safety to which mental health or cognitive conditions or brain injuries are a factor. An important step toward realizing this goal would be to establish a mental health sentencing alternative.</p>	<p>SB 5293 – Delivered to Governor A mental health sentencing alternative (MHSA) is created, which allows a sentencing court to waive the standard range and impose a term of community custody if:</p> <ul style="list-style-type: none"> • the defendant is convicted of a felony which is not a serious violent offense or a sex offense; • the defendant is diagnosed with a serious mental illness; • the defendant and the community would benefit from supervision and treatment; and • the defendant is willing to participate in the sentencing alternative.

<p>RECOMMENDATION 18 Develop and implement a formal motivational and coaching focused supervision model, which includes trauma informed care and core correctional practices and allows for a more responsive and individualized case management approach to facilitate successful transitions and reentry to the community. This supervision model should consider staffing needs, caseload, and program/service delivery, including how community corrections officers dress during routine home and work checks. Because addressing liability concerns will be an important element of any new supervision model, parties directly affected should address this issue and keep the Task Force updated on their work.</p>	<p>Budget Proviso for DOC: Provided solely for expansion of reentry supports and transition services for incarcerated individuals including development and implementation of a coaching model approach to supervision.
