

## Spirit Lake-Toutle/Cowlitz River Collaborative (SLTCRC)

### October 12<sup>th</sup>, 2022 Tour

**Purpose:** *The overall purpose of the tour and lunch panel discussion is to improve the overall understanding of the issues at ground zero. A shared understanding of the issues, challenges and ongoing work addressing flood, fish passage and sediment issues is critical to the ongoing effort and can be advanced with this in-person opportunity to meet and discuss issues as we are seeing them."*
