

Stemilt Growers Quality Control
Wenatchee, WA
Summer 2017
Shayla McGrady

➤ Introduction:

Stemilt Growers is a family owned fruit company and has been in business since 1964. The Mathison family founded Stemilt Growers and currently own and operate the company, proudly growing, packing, and shipping top quality tree fruits. With Stemilt ranking as one of the top tree fruit companies, this company prides itself on their world-famous fruit and bringing fresh produce to people everywhere on a global scale.

➤ Responsibilities:

- Receiving, Sampling, and Analyzing overall fruit quality
- Gathering and interpreting data entry of the fruits quality and percentages in order to determine how the fruit will be packed, what market it belongs in
- Overseeing quality control crews working to ensure operations are running smoothly

▶ Summary:

I feel as if this internship has prepared me for my future endeavors and career goals. With the knowledge I learned while working with QC and the material covered within my courses, I am confident to establish myself within this industry and do my part in making it successful.
