Research agreement form

This form facilitates coordination between the student and the research supervisor to track progress and to assign a grade.

Undergraduate student responsibilities:

- 1) Complete this research agreement form.
- 2) Develop a brief written research plan outlining the expectations of the research, including title, hypothesis, objectives, materials and methods, time schedule, and end product. Attach it to this form before submitting it to the instructor.
- 3) Obtain research supervisor's signatures.
- 4) Return a copy of this form to the instructor either in person or via email.
- 5) It is the responsibility of the student to register for the course and make sure the form is filled out and submitted to all concerned within 2 weeks of start of semester.

Credit hours for 495 _____ Semester _____ Year _____
