

Vineyard location

# Port Townsend Vineyards

Port Townsend, WA

Dasha Porter  
Summer 2018

## About The Winery

- Brand new winery, only one year old, owned by a local German family
- Locations include: winery production facility, two tasting rooms, and a 12-acre vineyard
- PTV prides itself on being very local, community driven and sustainable
- Great wines from all around the Pacific Northwest

## Summary

- Winery and lab work help prepare me for my next internship at 14 Hands in Prosser, WA
- Overall, working at Port Townsend Vineyards has helped my communication skills with co-workers and managers as well as customer service
- As for my career, this was my first job in the wine industry and I learned many valuable skills, both in production and front of house, that I will take with me into the future

## Responsibilities

- Tasting room - wine and customer service
- Winery & lab work - topping, testing pH, chromatography, bottling
- Vineyard work - shoot thinning, wire
