Fall 2017  

Introduction:  
L&W LLC is a multi-crop operation based out of Quincy, WA with apples, cherries, pears, corn, alfalfa, onion seed, winter wheat, and potatoes.

Responsibilities:  
During my time at L&W LLC, I had multiple responsibilities which included:  
• Cleaning Dragon filters  
• Spreading mouse bait  
• Applying lime sulfur  
• Changing oil and replacing mower belts  
• Communicating with consultants and other workers

Summary:  
Working for L&W LLC was an enjoyable experience overall. I learned many new skills that will help me with future endeavors and I met some really great people during my time there. Every worker at L&W LLC was very helpful and took the time to show me around and teach me new things. This internship was a great opportunity that allowed me further insight into how a successful agricultural system works.
