

Safety Data Sheets (MSDSs)

Information on Material Safety Data Sheets is provided in WSU's Laboratory Safety Manual section II.M.

Describe where current SDSs can be found for the chemicals used in your laboratory.

Online SDSs are located at the web address: departmental share drive:
Chem-diamond3.ad.wsu.edu/FulmerChemicals/SDS

Hard copies of MSDSs are located in (building, room number, and description of binder):

The person(s) responsible for maintaining online SDSs:

John Sullivan Department Safety Manager
Name title

The person(s) responsible for maintaining SDSs:
