BETWEEN
WASHINGTON STATE UNIVERSITY
AND
RICHLAND SCHOOL DISTRICT

THIS INTERAGENCY AGREEMENT (the "Agreement") is by and between Washington State University, an institution of higher education and agency of the state of Washington (hereafter referred to as "WSU"), and Richland School District No. 400, a public school district located in Richland, Washington (hereafter referred to as "RSD").

IT IS THE PURPOSE OF THIS AGREEMENT to memorialize the terms and conditions under which RSD, through its Hanford High School, may continue to utilize certain real property which was deeded to WSU by RSD pursuant to that certain Disposition Agreement dated December 10, 1993 (the "Disposition Agreement").

NOW, THEREFORE, the parties agree as follows:

I. STATEMENT OF WORK

Each party shall do all things necessary for and incidental to the performance of the duties set forth below.

A. Duties of WSU:

1. Permit RSD to use thirty (30.0) acres of real property owned by WSU and located in Richland, Washington, adjacent to Hanford High School, and more particularly described on Exhibit A attached hereto and incorporated herein by reference (hereafter referred to as the "Premises"), for the purpose of constructing and maintaining certain Hanford High School facilities (currently a football field, running track, bleachers and practice fields) and conducting related school and community activities.

2. Provide RSD with no less than one (1) academic year’s notice in the event WSU determines it becomes necessary to use the Premises for WSU purposes.

3. Bear the cost of displacement and replacement of the facilities that were in existence at the time the Disposition Agreement was entered into, which includes a running track, football field, soccer field and bleacher seating, which will be affected by WSU’s future intended use, per the terms of the Disposition Agreement.
B. **Duties of RSD:**

1. Maintain and repair the Premises, including mowing, irrigating, weeding, fertilizing, painting, snow removal as necessary, and scheduling of all maintenance and sporting activities at RSD’s sole cost and expense.

2. Continue to comply with the terms and conditions of that certain Agreement dated February 25, 1986, as amended, by and between WSU and RSD regarding operation, maintenance, repair and replacement of the irrigation system pumping water from the Columbia River to the Premises.

3. Modify or replace at RSD’s cost and as directed by WSU the 5 hp submersible pump installed by WSU in the river pump house intake line, in order to accommodate the additional watering demands of the new playing fields.

4. Modify or replace at RSD’s cost two existing isolation valves previously installed by RSD, in order to allow proper isolation of the WSU irrigation system and the Hanford irrigation system.

5. Obtain WSU’s prior review and approval of all proposed modifications or improvements to the Premises, including but not limited to the current proposed improvements for a new baseball diamond and soccer field on the Premises, and proposed installation by RSD of any filtration or chemical injection systems on WSU property.

6. Construct any such modifications and improvements in compliance with all applicable laws and regulations, including obtaining all permits where required.

7. Cooperate with WSU in vacating the Premises when WSU provides notice of its intended use of the Premises as provided for above.

8. Remove all facilities constructed on the Premises after execution of the Disposition Agreement at RSD’s sole cost and expense.

C. **It is mutually agreed:**

1. WSU and RSD will formalize as necessary a schedule of water usage for the irrigation and watering needs of each party as a result of the anticipated increased water demand due to the additional playing fields to be added by RSD and the new BSEL building scheduled to be built on WSU’s campus.

2. WSU and RSD will mutually address in good faith how best to resolve the potential impact of the additional playing fields on parking, traffic, pedestrian hazards, trash accumulation, field lighting which may affect residential neighbors, and any other matters the parties deem appropriate.

II. **PERIOD OF PERFORMANCE**

INTERAGENCY AGREEMENT - 2
The period of performance of this Agreement shall be for a term which shall run concurrently with the term of the Disposition Agreement, and shall end when WSU begins actual use of the Premises (the “Term”).

III. PAYMENT

In accordance with the Disposition Agreement, RSD may use the Premises free of charge for the duration of the Term.
