Dear Ms. Cook:

Pursuant to RCW 28B.10.528, and the authority conferred on me by the WSU Board of Regents, I delegate to you the authority to administer and execute the following contracts on behalf of Washington State University that are related to your duties as Director of Professional Education, provided that all University policies and procedures and applicable laws in effect at the time of signature have been followed, and that you have completed all training required by the Contracts Office, Purchasing Services, and the Washington Department of Enterprise Services:

Contracts for facilities to provide conferences and programs, where the value of the contract does not exceed \$175,000 per instrument.

of doubt, this authority does not extend to sponsored programs, grants, or similar agreements which should be processed through the Office of Research.

Except as specified above, contracts for purchased goods and services, where the value of the contract does not exceed \$10,000 per instrument.

Any agreement for goods or services exceeding the statutory "Direct Buy Limit" (currently \$10,000 and subject to change) must be competitively awarded or justified as a sole-source procurement through Purchasing Services.

This delegation of authority includes the obligation to manage and administer the contracts in accordance with the terms therein, and to seek guidance on any particularly sensitive or difficult cases as appropriate, depending on the circumstances. This delegation of authority is effective immediately and will remain in effect as long as you hold the responsibilities associated with a Director of Professional Education, or until revoked by me. By exercising this authority you acknowledge that you have completed the required training and understand the scope and limitations of your delegation. I know you will use sound judgment in the execution of these responsibilities.

Sincerely,
