Dear Dr. Pillay:

Pursuant to RCW 28B.10.528, and the authority conferred on me by the WSU Board of Regents, I delegate to you the authority to administer and execute the following contracts on behalf of Washington State University that are related to your duties as the Vice President for Information Technology Services, provided that all University policies and procedures and applicable laws in effect at the time of signature have been followed, and that you have completed all training required by the Contracts Office, Purchasing Services, and the Washington Department of Enterprise Services:

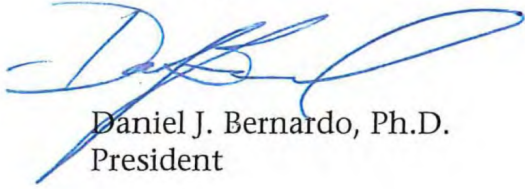

Contracts, purchase orders, change orders, and other written instruments relating to the procurement of information technology goods, supplies, materials, equipment, licenses and purchased services where the total costs to the University are estimated to be less than \$100,000 per instrument.

Any agreement for goods or services exceeding the statutory "Direct Buy Limit" (currently \$10,000 but subject to change) must be competitively awarded or sole source justified through Purchasing Services.

This delegation of authority includes the obligation to manage and administer the contracts in accordance with the terms therein and to seek guidance on any particularly sensitive or difficult cases as appropriate, depending on the circumstances. This delegation of authority is effective immediately and will remain in effect as long as you hold the responsibilities associated with the Vice President for Information Technology Services, or until revoked by me. By exercising this authority you acknowledge that you have attended the required

training and understand the scope and limitations of your delegation. I know you will use sound judgment in the execution of these responsibilities.

Sincerely,

A handwritten signature in blue ink, appearing to read 'D. Bernardo', with a large, sweeping flourish at the end.
