

Services

We now offer quality, affordable psychological services for children and families in the Palouse region.

Psychological assessment and treatment are available for all ages for a variety of presenting concerns, including:

- Anxiety Disorders
- Depression
- Autism Spectrum Disorder
- Attention Problems
- Hyperactivity and/or Impulsivity
- Learning Difficulties
- Developmental Concerns
- Defiant Behavior
- Conduct Problems
- Gifted Assessments

Mission Statement

The Washington State University Psychology Clinic is a not for profit professional training program for doctoral students in clinical psychology. The Psychology Clinic is operated by the WSU Department of Psychology.

Clinical psychology doctoral students, under direct supervision of licensed clinical psychologists, are available to provide assessment and therapy services for people of all ages, including children and adolescents.

Q & A

Q: Do you offer pro bono services?

A: Under certain circumstances and only if absolutely necessary, short-term payment plans may be put in place. Additionally, honorably discharged men and women, wartime veterans and their family members are eligible for therapy services at no cost, if they are Washington residents.

Q: Where can I find you?

A: The Psychology Clinic is located in the northeast corner of Johnson Tower on WSU's Pullman campus. The clinic will provide parking in the Smith Center for Undergraduate Education (CUE) parking garage, for the length of your appointment only. The garage is located off Stadium Way.
