

## National Veterans Legal Service Provider

**Free Psychological Assessments.** The WSU Psychology Clinic is a member of the National Veterans Legal Services Program (NVLSP). NVLSP is a nonprofit organization that represents individual veterans on their claims for disability benefits.

NVLSP has established several programs that focus on providing assistance to veterans seeking benefits related to their mental health conditions.

The Psychology Clinic serves as one of the local agencies who provide comprehensive mental health evaluations for veterans in support of their claims. These assessments are offered at no cost to qualifying veterans and can enable Veterans to get the services they require and deserve.

## WSU Psychology Clinic

We are a provider for the Washington State Department of Veteran Affairs (WDVA) PTSD Counseling Program, which is designed to provide confidential counseling services at no cost to men and women veterans with war and deployment readjustment and PTSD treatment needs.

As a WDVA PTSD Counseling provider, our clinicians receive training so that they are culturally competent in working with military veterans and their families.

### Signs and Symptoms of Posttraumatic Stress Disorder (PTSD) and Post-Deployment Stress:

- Startle reactions to movement or noise
- Avoidance of crowds
- Sleep problems, troubling dreams, and nightmares
- Guilt, depression, anger
- Substance abuse and self-medication
- Feeling emotionally numb
- Not connected to former friends or family
- Thoughts of self-harm or suicide

### Who is Eligible?

The WDVA covers the cost of counseling for veterans and their family members who are Washington State residents.

All honorably discharged men and women, wartime veterans, and family members—including veterans for WWII, Korea, Viet Nam, Desert Storm, GWOT, and the various periods of conflict and peacekeeping operations—are eligible for counseling services.
