'Instructional faculty' is a subset of all faculty (which more broadly would include instructional, research, extension, administrative and postdoctoral faculty). The professor (non-temporary) ranks include tenure-track and career-track and some other titles not yet converted to career-track. 'Temporary faculty' as reported here includes Adjunct and Lecturer positions. Instructional faculty whose sole position is administrative Academic Director are reported in the 'Associate Professor' rank. Employees holding several positions may appear in multiple ranks, but are counted only once in the 'All' totals. Campus is defined by worker region. Faculty with worker region 'Global Campus' were reported as 'Pullman'. Reported sex does not include a 'non-binary' category to avoid small cell sizes that could deanonymize individuals; these are reported by self-identified gender. Likewise, race-ethnicity was aggregated to protect privacy: category 'Other' includes International and Not Specified, and 'Person of color' includes Hispanic/Latino, American Indian/Alaska Native, Native Hawaiian/Oth Pac Island, Black/African American, Asian, and Two or More Races.
