Commencement Mission Statement

Commencement at Washington State University represents the culmination of a student's academic achievement. It is a time for celebration and reflection for students, families, faculty, and staff. It brings together the campus community to share the joy of the accomplished goals of our students.

The commencement ceremony at Washington State University serves a dual purpose: to mark a point of achievement, thus completing a chapter in the lives of students and those who support them, and to encourage continued pursuit of learning, personal fulfillment, and engagement with their local and worldwide communities.

Elson S. Floyd, Ph.D.
President,
Washington State University

Elson S. Floyd became the tenth president of Washington State University on May 21, 2007. He previously was president of the four-campus University of Missouri from 2003 to 2007, and he served as president of Western Michigan University from 1998 to 2003.

He began his career in 1978 at the University of North Carolina at Chapel Hill, where he held deanships in the Division of Student Affairs, the General College, and the College of Arts and Sciences. From 1988 to 1990, he was assistant vice president for student services for the UNC system office, where he helped develop student affairs and academic affairs policy for the 16-campus system.

From 1990 to 1993, Dr. Floyd filled vice presidencies at Eastern Washington University and then was executive director of the Washington Higher Education Coordinating Board. From 1995 to 1998, he was executive vice chancellor of UNC at Chapel Hill.

A native of Henderson, North Carolina, Dr. Floyd holds a bachelor of arts degree in political science and speech, a master of education degree in adult education, and a doctor of philosophy degree in higher and adult education, all from the University of North Carolina at Chapel Hill. Among his other honors is the 2004 Distinguished Alumnus Award from the University of North Carolina at Chapel Hill.

Today represents an impressive milestone in your life and in your academic career. I would like to extend my heartiest congratulations to you on your attainment of this goal.

At Washington State University, we strongly believe that we provide the tools necessary to help our students succeed. However, we also recognize that each student ultimately determines his or her own path. It is your hard work, determination, and persistence that have brought you to this day. You, your family, and your friends should be immensely proud of this achievement.

In the years ahead, I know you will often reflect upon what you have experienced here at WSU. Graduation opens the door for you to put to use what you have learned in your classes, laboratories, internships, and campus life. You now have the opportunity to make a difference in the world. Take advantage of it.

Again, congratulations. I wish you every success and trust that you will remain connected to WSU, your alma mater. You will always be a member of the loyal Cougar family.

It is an honor to preside at your commencement. I look forward to shaking your hand and wishing you well after you receive your diploma cover.

President's Ceremonial Stole

Presented to President Elson S. Floyd during his first commencement ceremony at Washington State University in fall 2007, the ceremonial stole signifies the ethnic diversity the University seeks in all its endeavors and displays a dynamic visual presentation. Researched and designed by faculty member Linda Arthur Bradley with contributions from apparel, merchandising, design, and textiles students, the stole is made of textiles from locations including Ecuador, India, Scotland, and Japan. Many came from personal collections of Bradley or her colleagues, some were available commercially, and four were hand-woven by fiber artists specifically for the stole.

Master Salish weaver Susan Pavel hand-spun and wove two pieces of traditional Indian design. Other custom pieces include a Hawaiian hand appliqué by Charlotte Hughes, an American coverlet sampler by Cynthia Hosek, and embroidered pieces representing the Nez Perce tradition by Ann MacCormack.

President's Chain of Office

During commencement ceremonies and other special occasions, the president of Washington State University wears the President's Chain of Office. The medallion features the WSU shield with Cougar head, and the links are engraved with the names and dates of service for each past WSU president, starting with George Lilley, who served from 1891 to 1892, and ending with V. Lane Rawlins, who served from 2000 to 2007. Blank links allow engraving of names and service years for future presidents.

The Chain of Office was created at the request of V Lane Rawlins, who became president of WSU on June 8, 2000. He wore it for the first time during his inauguration on March 28, 2001.

Robert Rosenman
Chair, Faculty Senate

Dear Graduates,

I speak for the entire faculty in offering our heartiest congratulations on completing your studies at Washington State University. Commencement is the culmination, but not the end, of your education. We, the faculty, administration, and staff of this great university, have strived to prepare you for a future that you will define. As you enter new careers or move on to further study you will build upon the foundation begun by your studies here. We are proud to have been part of your life over the past few years and feel confident you are prepared for the future.

You will hear today, as you have heard before, that you could not have done this alone. There is truth to that statement. Help from parents, siblings, other relatives, and friends made the process of achieving your education easier, better, and more fun. They share in your accomplishment. Nonetheless, it is yours, and with that comes the responsibility to use your education wisely, for yourself and for others. Washington State University takes pride in giving back to the state and society in its teaching, research, and service. I hope you carry that legacy forward as you join all the previous WSU graduates. I also hope you will be active alumni who continue to support and be part of our university. Again, congratulations on this great achievement.

Congratulations, Graduates

The Administrative Professionals at Washington State University would like to commend each of you on this significant achievement. We have watched you develop into exceptional young teachers, scientists, and leaders. You have inspired us with your perseverance and we are proud to be a part of your accomplishment as part of the Cougar family. Your maturation and dedication to this achievement is indicative of what is to be a Cougar.

As you embark on your next journey I wish you the utmost success. I encourage you to continue to build upon your achievement today. Now go out and show the world what it means to be a Cougar and achieve great things.

Go Cougs!

To the Graduates of the Class of 2014,

On behalf of your student governments, the Associated Students of Washington State University, the Associated Students of Washington State University Global Campus, and the Graduate and Professional Student Association, we offer sincere congratulations as you graduate from our esteemed institution. It is an honor to recognize the culmination of your studies here at WSU.

We would like to praise you on reaching this milestone. At commencement, all of your hard work is on display, and we celebrate your achievements as well as the individuals who have contributed to your success. Remember to acknowledge and thank those who have supported and guided you through your academic journey. You have earned a valuable degree from one of the finest universities in our nation, and the values you have learned at WSU will continue to shape you into the person you become after graduation. Commencement represents both a completion and a beginning. While you may feel as if you are being ejected into a world of uncertainty, we have every confidence that you will find your way through the challenges you encounter in the months and years ahead—just as you have to reach this point. Remember that Washington State University will always be your home and the experiences you have gone through as a Cougar is what makes you world-class. We encourage you to remain engaged with the Cougar community for the rest of your lives.

It has been an honor serving you this year and we wish you the best of luck in your future. Once again, congratulations on earning your degree and all the best in your new beginning from ASWSU, ASWSUG, and GPSA.

As always, GO COUGS!

ACADEMIC REGALIA

Academic regalia arose through evolution and modification of the robes worn by medieval students, who were usually clerics in the cathedral schools and monasteries established by the church. As early as 1321, a medieval statute required that all doctors, licentiates, and bachelors wear academic gowns and hoods. Gowns were necessary for warmth in the unheated medieval buildings, and hoods may have been designed to cover tonsured heads. Today, immediately after receiving a charter, new institutions adopt a distinctive design for academic attire expressive of their individuality

On May 26, 1895, a group of institutional representatives met at Columbia University to establish a uniform code for academic regalia in this country

The approved academic attire for all graduates is composed of a cap and gown. For master's and doctoral graduates, a hood is included. The basic article of attire is the gown, usually black in color, and similar in design for all degrees with the sleeves being the principal indicator of degree level. Gowns for those graduating with a bachelor's degree have pointed sleeves; the sleeves on master's gowns arc away at the front; and doctoral gowns have round, bell-shaped sleeves. Bachelor's and master's gowns are untrimmed while doctoral gowns feature distinctive velvet facing down the front and three velvet bars on each sleeve.

The hood has become the colorful standard-bearer of academic symbolism. By examining the hood, an informed observer should be able to identify the degree level, the academic field of study in which the degree was earned, and the institution that conferred the degree. The hood is made of the same material as the gown. Hood length varies according to degree: bachelor's—three feet, master's—three and a half feet, and doctor's—four feet in length and has panels at the sides. The color or colors of the hood lining indicate the institution that conferred the degree (crimson and gray for WSU). The hood is trimmed or edged in a border of velvet either two, three, or five inches in width for the respective degrees. The border color represents the faculty or field of study in which the degree was awarded. At WSU, bachelor's degree candidates do not wear hoods.

The approved cap of the academic costume is the mortarboard or Oxford cap—a stiff board nine inches square, placed on a soft cap and joined in a pointed design in front and back. The color is always that of the gown and uniformly black for the four-year degrees. The use of velvet has been reserved for the cap of the doctor's degree. A silk cord with a tassel made of many threads is attached to a button in the center of the board.

A distinctive commencement rental gown for students earning Ph.D. and Ed.D. degrees debuted in spring 2012. The gown is crimson with gunmetal-gray velvet accents and a matching velvet tam. WSU is the only university with a custom rental gown. The purchased version of the custom gown became available in fall 2012 and is designed with a split hood, two silver WSU shield medallions holding the hood in place, two WSU medallion cufflinks on each sleeve, and other embellishments.

The committee of the American Council on Education on its "Academic Costume Code" states the following:

For all academic purposes—including trimming of doctor's gowns, edging of hoods, and tassels of caps—the colors associated with the different subjects are as follows:

Agriculture: Maize
 Arts, Letters, Humanities: White
 Commerce, Accountancy,
 Business: Drab
 Communication: Crimson
 Dentistry: Lilac
 Economics: Copper
 Education: Light Blue
 Engineering: Orange
 Fine Arts including
 Architecture: Brown
 Forestry: Russet
 Home Economics: Maroon
 Law: Purple
 Library Science: Lemon
 Medicine: Green
 Music: Pink
 Nursing: Apricot
 Oratory (Speech): Silver Gray
 Pharmacy: Olive Green
 Philosophy: Dark Blue
 Physical Education: Sage Green
 Public Administration,
 including Foreign Service:
 Peacock Blue
 Public Health: Salmon Pink
 Science: Golden Yellow
 Social Work: Citron
 Theology: Scarlet
 Veterinary Medicine: Gray

COMMENCEMENT 2014

Washington State University, on the occasion of its 118th annual spring Commencement, cordially welcomes all those who have come to the Pullman campus to share in ceremonies honoring the graduating class of 2014. To class members, the Class of 2014, the University extends sincere congratulations.

WSU enrolls 27,642 students statewide. This includes 19,312 undergraduates and 3,886 graduate and professional students learning at the Pullman and Spokane campuses or through distance education. At the Tri-Cities and Vancouver campuses, 4,444 undergraduate, graduate, and professional students are enrolled.

Commencement is the special occasion that provides public recognition of students' academic achievements. The transcript is the official document certifying the successful completion of specific academic requirements. The diploma is mailed after the ceremony.

The first WSU Commencement, held June 24, 1897, recognized eight students being advanced to degrees—three in engineering, one in biology, two in economics, and two in English. This followed a legislative act in 1895 empowering the college to grant

the usual academic and honorary degrees and issue diplomas.¹ With the construction of Bryan Hall in 1909, Commencement moved to the well-equipped Bryan Auditorium. Enrollment and the number of degree candidates increased over the years, and Commencement moved to Bohler Gymnasium following its construction in 1928. Following World War II and the burgeoning enrollment created by the return of students receiving veterans' benefits (G.I. Bill), Commencement was moved outdoors to Rogers Field in the football stadium (1949-1973). Because it was always possible that inclement weather would disrupt the ceremonies, it was necessary to duplicate arrangements in Bohler Gymnasium. However, only twice in those years—1954 and 1963—was it necessary to move the outdoor ceremony indoors. In 1973, with the completion of Beasley Performing Arts Coliseum, Commencement moved indoors permanently.

In 1986, the University's Commencement Committee recommended decentralizing Commencement to make the event more personal for graduating students. The WSU administration approved, and from 1986 through 1996, an All-University Commencement Assembly was held in the coliseum, and individual college ceremonies took place in the coliseum, Bohler Gymnasium, Bryan Auditorium, Compton Union Building Ballroom, and Hollingbery Fieldhouse. Beginning with the 100th Commencement in May 1996, the college ceremony times were changed to allow some to precede the All-University Assembly. In 1998, due in part to construction in Bohler, the administration approved a Commencement Committee recommendation to hold two ceremonies. Starting in 2000, a three-ceremony format (two ceremonies in the morning and one in the afternoon) was instituted. There was a historic Commencement change during the

Within academic areas on either side of the floor, the names of the degree recipients are called in random order as they approach the readers. Students will be viewed on big screens via video as their names are read.

Appearance of a name in this program is presumptive evidence of graduation and graduation honors, but it must not in any sense be regarded as conclusive. Notation on the university transcript remains the official testimony of degree possession.

Names in this program include May 2014 graduate and undergraduate applicants and August 2014 undergraduate applicants who applied by the May 2014 application deadline. August 2014 undergraduate applicants who did not meet the May application deadline and all August graduate applicants will be listed in the fall 2014 commencement program. This program is not a listing of those attending the spring ceremony.

2001–2002 academic year For the first time, WSU held two Commencements, one during fall semester (December 15, 2001) and the other during spring semester (May 11, 2002).

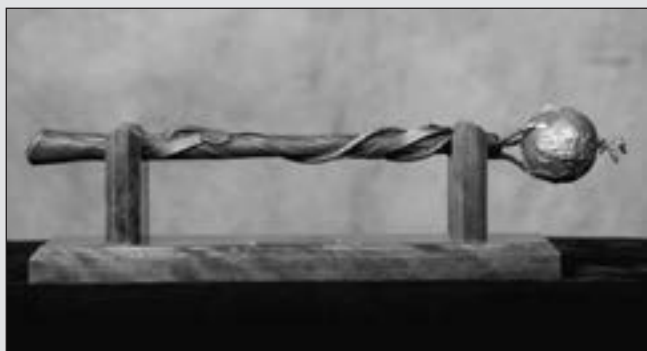

This is the University's 118th spring ceremony President Elson S. Floyd, WSU's tenth president, now presides over the ceremonies.

THE UNIVERSITY MACE

The University Mace, a traditional symbol of authority, will lead the processional today The mace is carried by the chair of the Faculty Senate with an honor guard consisting of the presidents of the undergraduate and graduate and professional student associations. Robert Rosenman, Faculty Senate Chair, carries it today, accompanied by Taylor Hennessey, president of the Associated Students of WSU, and Nathan Neale, president of the Graduate and Professional Student Association of WSU.

Created in 1985, the two-foot-long, nine-pound scepter is cast in silver and bronze and features a globe atop a laurel branch, wrapped in a silver ribbon and inscribed "Washington State University." According to designer and craftsman Tim Doeblner of WSU's Department of Fine Arts, "the globe represents the universality of education and the quest for knowledge. Laurel crowns were presented to academicians by the ancient Greeks."

The anvil on top of the globe is a symbol of forging and molding education, rather than forcing it upon students.

Washington State University Highlights, 2010–2014

2010

- In the aftermath of a devastating January earthquake in Haiti, WSU students, faculty, and staff raised money in a variety of ways to support relief efforts.
- A prominent sustainability website ranked WSU among the top 10 universities in the nation for its developments in clean technology.
- WSU's nationally recognized Honors College celebrated its 50th anniversary. The college is one of the country's oldest and most respected all-university programs for academically talented students.
- Bill Moos—WSU graduate, former Cougar football player, and former WSU athletics administrator—was named WSU athletic director, succeeding Jim Sterk, who took the same position at San Diego State University. Moos was previously athletic director at the University of Montana and University of Oregon.
- South Fairway Road on the Pullman campus was renamed "Ferdinand's Lane." The lane leads from Stadium Way to Ferdinand's Ice Cream Shoppe and the WSU Creamery.
- The tenth WSU Eminent Faculty Award honored pioneer sleep researcher James M. Krueger, a Regents Professor in veterinary and comparative anatomy, pharmacology, and physiology in the College of Veterinary Medicine.
- The WSU Museum of Art, a member of the Washington Art Consortium, shared in a historic gift of Northwest art from the Safeco Insurance collection.
- *The Campaign for Washington State University: Because the World Needs Big Ideas* launched its public phase at kick-off events in Pullman and Seattle. Begun in July 2006, the campaign aims to raise \$1 billion by 2015 to coincide with the University's 125th anniversary.

2011

- WSU sleep research was named one of the top 100 stories of 2010 for the article "Sleep Switch Found in the Brain" in the January-February special issue of *Discover* magazine.
- Ted Koppel, television news veteran and anchor of ABC's *Nightline* for 25 years, visited the Pullman campus and was presented with the 2011 Edward R. Murrow Award for Lifetime Achievement in Broadcast Journalism.
- WSU joined state and Spokane community leaders to celebrate the groundbreaking for the Biomedical and Health Sciences Building at the Riverpoint Campus in Spokane. The building will house the medical education program jointly administered by WSU and the University of Washington and the WSU College of Pharmacy.
- Legendary actress and comedian Betty White became an honorary Washington State University alumna. WSU Provost Warwick Bayly presented her with a white doctor's coat at the Washington State Veterinary Medical Association's (WSVMA) centennial gala in Yakima.
- Mike Leach was named the Cougars' head football coach. Leach brings a proven record of winning to Pullman, including 10 bowl bids in 10 seasons.
- Gregory W. Yasinitsky, Regents Professor and coordinator of jazz studies in the WSU School of Music, was the 11th recipient of the WSU Eminent Faculty Award.

2012

- Washington grape growers and wine makers made a \$7.4 million commitment to support a new Washington State University Wine Science Center, planned for construction in the Tri-Cities.
- The College of Liberal Arts and the College of Sciences merged to form the College of Arts and Sciences.
- The Paul G. Allen Center for Global Animal Health was formally dedicated in Pullman. The research facility houses a state-of-the-art infectious disease research center for investigating emerging diseases throughout the world.
- New premium seating and a new press box opened on the south side of Martin Stadium, marking the conclusion of an \$80 million construction project.
- Veteran journalist Dan Rather was honored at the 38th Edward R. Murrow Symposium at WSU Pullman.
- Sue Clark, Regents Professor and chair of the chemistry department, was awarded the American Chemical Society (ACS) 2012 Garvan-Olin medal for outstanding leadership in nuclear chemistry and radiochemistry and ongoing efforts to increase the participation and inclusion of women in science.
- George R. Pettit ('52 B.S. Chemistry), an organic chemist who pioneered the search for anti-cancer compounds in marine organisms and terrestrial insects and plants, accepted the 2012 Regents Distinguished Alumnus Award.
- Demolition began on the Hollingbery Fieldhouse Annex to make way for construction of a new \$61 million football operations building. The new facility will serve as a home for the Cougar football program.

- The campus community celebrated the 25th anniversary of the founding of the Office of Multicultural Student Services with a week-long series of events. The number of WSU multicultural undergraduates has nearly quadrupled in the past 25 years to more than 4,900 students, or 22 percent of the student body.
- The University established a new tradition in September, selecting an official WSU tartan after 34,000 votes were cast by the Cougar Nation. WSU tartan merchandise, including ties, scarves, and other products are available.
- The Cougar family lost one of its most beloved leaders with the passing of Dr. Glenn Terrell, who served as WSU president from 1967 to 1985. He was 93.
- In the fall semester, a full third of the freshman class came from ethnically diverse backgrounds, up from 12 percent just five years ago. Ethnic minorities represented a quarter of the total WSU Pullman student population—the largest percentage in university history.
- The Paul G. Allen School for Global Animal Health awarded the first certificates in global animal health to two doctoral students, Heather Hergert and Kate Stevens, who graduated with degrees in veterinary medicine in May 2013. The certificate is the only one of that specialty offered in the United States and maybe worldwide.
- For the second year in a row, a team of construction management students won first place in the Associated Schools of Construction regional competition.
- During the ASWSU general election, students voted in favor of a policy to make the Pullman campus tobacco free. The policy must be approved by the WSU Board of Regents.
- Blended Learning, the first in a series of wines created by students in WSU's viticulture and enology program, was introduced. The University has partnered with the state's winemakers and grape growers to help Washington become the second-largest wine producing state in the country.
- Junior undergraduate researcher Brianna Berg became the first WSU student—and one of just 10 students nationwide—to be selected by the American Association for Cancer Research (AACR) for the annual Thomas J. Bardos Science Education Award.
- Andy Sheef, a doctoral student studying special education, was one of just 17 U.S. citizens selected to travel abroad this year through the Distinguished Fulbright Awards in Teaching Program. Sheef traveled to Singapore in April to study post-school transition programs.
- On May 10, 2014, one of the best groups of students ever in the history of Washington State University graduated during the 118th annual Spring Commencement ceremony in Beasley Coliseum.

2013

- The new Brelsford WSU Visitor Center in downtown Pullman, near Reaney Park, was dedicated. The facility serves as the University's new "front door," providing a welcoming environment and information about WSU to its guests.
- The new \$96 million Veterinary Medical Research Science Building opened its doors. The facility houses state-of-the-art biomedical research laboratories and offices for the health science teaching and research programs.
- Football fans welcomed the arrival of one of the few high-definition video display scoreboards in college football. Located at the east end of Martin Stadium, it measures 73 feet wide and 36 feet high—more than double the size of the previous board.
- Three hundred students moved into the new \$32.6 million Northside Residence Hall, the second new residence hall constructed on the Pullman campus since the early 1970s.
- The Federal Aviation Administration selected WSU and the Massachusetts Institute of Technology (MIT) to co-lead the new Center of Excellence for Alternative Jet Fuels and the Environment. The center aims to foster a new industry focused on developing alternative jet fuels.

2014

- Diane Nash—Freedom Rider, sit-in leader, and key architect of the 1960s civil rights movement—spoke on the Pullman campus in commemoration of Dr. Martin Luther King Jr. Day.
- World-renowned poet, writer, commentator, activist, and educator Nikki Giovanni lectured on the Pullman campus. She has authored more than 30 books and is one of the most widely-read American poets.
- For the second year in a row, *U.S. News and World Report* ranked Washington State University among the top 10 best online graduate business programs for its MBA and Executive MBA degrees.
- The University broke ground for the construction of a new \$52.8 million, 96,000-square-foot interdisciplinary clean technology laboratory. The facility will house science and engineering programs and help address a variety of global and environmental challenges.

Orlin Reinbold
*Owner, Landmark Turf and
Native Seed*

COMMENCEMENT SPEAKER, 8:00 A.M. CEREMONY

Orlin Reinbold '73 was raised in Davenport, Washington, on a wheat, cattle, and grass seed farm, and is a third generation Cougar. His grandfather started one of the first reclamation grass seed companies in 1945 to supply farmers with grass seed for soil conservation. Reinbold graduated with a bachelor's degree in agriculture and his teaching certification. After leaving Pullman, Reinbold taught horticulture in Vancouver. Later in his career he managed a large greenhouse operation in Spokane. Reinbold returned to the family farm and grass seed business, eventually taking over ownership. Under his management, the family regional grass seed business developed into a leading national and international grass seed company. Reinbold is currently the owner of Landmark Turf and Native Seed in Spokane, Arkansas Valley Seed in Denver, and Chesapeake Valley Seed in Maryland.

COMMENCEMENT SPEAKER, 11:00 A.M. CEREMONY

Elson S. Floyd. Ph.D.
President, Washington State University

Katey Koehn
*Director of Program
Management, Yahoo*

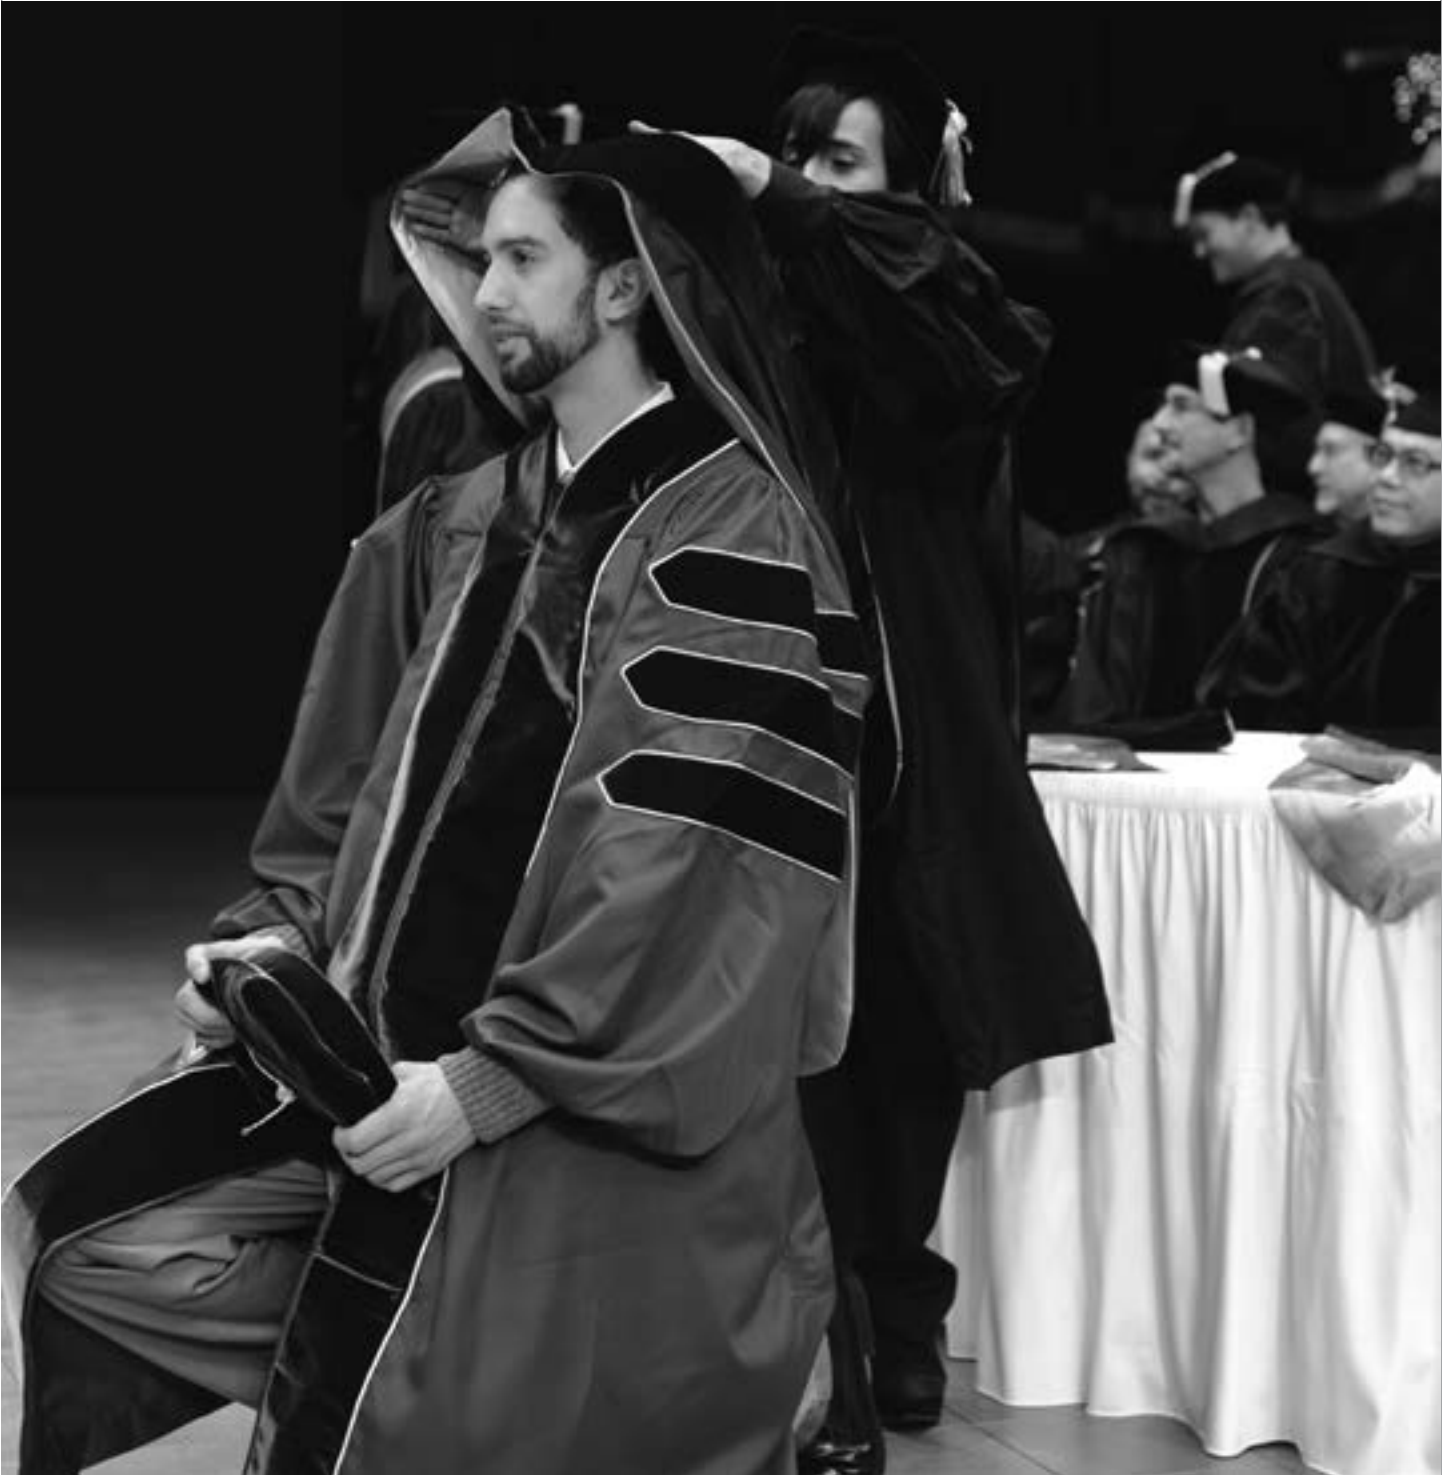

COMMENCEMENT SPEAKER, 3:00 P.M. CEREMONY

Katey Koehn is a director of program management at Yahoo, leading a team focused on building technical excellence. She joined Yahoo in 2010 and in the 10 years prior held positions ranging from executive administrative assistant to operations logistics manager at eBay. At the beginning of her career she also spent 10 years in retail management. In 2013, Koehn was recognized as one of Yahoo's top 100 managers, an honor that resulted from the positive upward feedback from the employees who report to her.

A WSU Global Campus student, Koehn will join the ranks of the class of 2014 when she earns her bachelor's degree in social sciences in May. Recognized for academic excellence at WSU, she is a member of the Alpha Sigma Lambda National Honor Society and has spent nine consecutive semesters on the president's honor roll. Koehn is bursting with school spirit and has created something of a Cougar shrine in her home office in Northern California. She has waved Ol' Crimson on College Game Day and made her first trip to Pullman in 2012 for Apple Cup.

Not one to shy away from a challenge, Koehn embraces the opportunities that push her beyond her comfort zone. As a leader, her ultimate goal is to inspire others to face their fears, expand their skills, and be on the lookout for the next possibility for success.

Candidates for Advanced and Professional Degrees

Names in this program include May 2014 graduate and undergraduate applicants and August 2014 undergraduate applicants who applied by the May 2014 application deadline. August 2014 undergraduate applicants who did not meet the May application deadline and all August graduate applicants will be listed in the fall 2014 commencement program. This program is not a listing of those attending the spring ceremony

Candidates for Advanced Degrees

THE GRADUATE SCHOOL

The following candidates will be presented by Dean of the Graduate School William Andrefsky.

Doctor of Design

Maryam Afshar
B.S., Iran University of Science & Technology
M.I.D., The University of New South Wales
Thesis: Understanding Possession Attachment in the Era of Internet of Things.
Major Advisor: David Wang

Doctor of Education

Kathleen Chatfield
B.A., Arizona College of The Bible
M.Ed., Oregon State University
Thesis: The Higher Ed Faculty Experience of Using the ABCDE Model for Designing a Hybrid/ Blended Course.
Major Advisor: Richard Sawyer

Doug Christensen
B.A., Whitman College
M.A., Heritage University
Thesis: Central Office Transformation: Using Assistance Relationships to Support Principals.
Major Advisor: Michele Acker-Hocevar

Ryan Christoph
B.A., University of Laverne
M.I.T., Whitworth University
Thesis: Organizing Data for Instructional Use in One Elementary School.
Major Advisor: Gail Furman

Lida Dekker
B.F.A., University of Kansas
B.S., California State University, East Bay
Thesis: Informing Nursing Education: The Meaning and Experience of Cultural Safety as Expressed by Nurses in the Pacific Northwest.
Major Advisor: Richard Sawyer

John Mancinelli
B.A., Central Washington University
M.S., Southern Oregon University
Thesis: What Supports Do Principals Need in Order to Implement the TPEP?
Major Advisor: Michele Acker-Hocevar

Chris Martinson
B.A., Washington State University
Thesis: Errors in Communication between Secondary Principals and Parents in the Pacific Northwest.
Major Advisor: Gordon Gates

Brenda McDonald
B.A., Washington State University
M.Ed., Eastern Washington University
M.Ed., Whitworth University
Thesis: The Role of an Ethic of Care in Instructional Leadership and the Development of Teacher-Student Relationships: A Case Study of an Urban Middle School.
Major Advisor: Michele Acker-Hocevar

Melody Rasmor
B.S., Pacific Lutheran University
M.S., University of Portland
Thesis: A Framework for the Use of Digital Storytelling in Nurse Practitioner Education.
Major Advisor: Richard Sawyer

Doctor of Philosophy AMERICAN STUDIES

Leola Macmillan
B.A., University of the District of Columbia
Thesis: Crystallized Quintessence: Recognizing Black Girl Heterogeneity.
Major Advisor: Pamela Bettis

Robert Richardson
B.S., M.A., Northern Michigan University
Thesis: Punk/Askesis.
Major Advisor: Carol Siegel

ANIMAL SCIENCES

Heidi Keen
B.S., Berry College
M.S., Texas A & M University
Thesis: Use of a Cognitive Bias Task to Evaluate the Affective Value of Environmental Enrichment.
Major Advisors: Ruth Newberry and Kristen Johnson

Robin White
B.S., Washington State University
Thesis: The Development of a Modeling Platform to Examine Management Alternatives to Improve the Sustainability of US Beef Production.
Major Advisor: Kristen Johnson

ANTHROPOLOGY

Maia Clay
B.A., College of Wooster
M.A., University of Iowa
Thesis: Isolation and Racism: Comparative Study of WSU Ethnic Studies and UA Maori Studies.
Major Advisor: Jeanette Mageo

Elizabeth Horton
B.A., University of Massachusetts at Amherst
M.S., University College London
Thesis: Space, Status and Interaction: Multiscalar Analysis of Officers, Soldiers and Laundresses at Nineteenth Century Fort Vancouver, Washington.
Major Advisor: Robert Ackerman

Ethan McGaffey
B.A., Stephen F Austin State University
M.S., University of North Texas
Thesis: Fishers of Men: Center-Men and Fish Aggregating Device Technology in Dominica.
Major Advisor: Marsha Quinlan

BIOLOGICAL AND AGRICULTURAL ENGINEERING

Shi-Shen Liaw
B.S., National Pingtung University of Science and Technology
Thesis: Understanding the Formation and Separation of C1-C4 During the Pyrolysis and Torrefaction of Lignoce.
Major Advisor: Manuel Garcia-Perez

Yasin Osroosh
B.S., Isfahan University of Technology
M.S., Bu-Ali Sina University
Thesis: Automatic Algorithms for Precision Irrigation of Fuji Apple Trees in the Pacific Northwest.
Major Advisor: Troy Peters

Jing Peng
B.A., Huazhong Agricultural University
Thesis: Quality Evaluation of Vegetables Processed by Microwave Sterilization/ Pasteurization.
Major Advisor: Juming Tang

Lishi Yan

B.E., M.E., Nanjing
University of Technology
Thesis: Kinetic
Characterization of
Hot Water and Dilute
Acid Pretreatment of
Lignocellulosic Biomass.
Major Advisor: Bin Yang

Jingjin Zhang

B.E., Zhejiang University
Thesis: Canopy Light
Interception Measurement
in Modern Training
Orchards.
Major Advisor: Qin Zhang

Wenjia Zhang

B.E., Nanjing University
M.E., China Agricultural
University
Thesis: The Development
of Time-Temperature
Indicators for Microwave
Assisted Pasteurization
Processes.
Major Advisor: Juming
Tang

BOTANY**Daniel Froelich**

B.S., Washington State
University
Thesis: Advanced
Microscopy Imaging
of Phloem Proteins in
Abidopsis and Legumes
Reveal Insights into
Munch's Pressure Flow
Hypothesis.
Major Advisor: Michael
Knoblauch

Josh Rosnow

B.S., University of
Minnesota
Thesis: Changes in Suaeda
Due to C4 Photosynthesis.
Major Advisor: Eric
Roalson

BUSINESS**ADMINISTRATION****Sam Yul Cho**

B.Econ., Sogang University
M.Econ., Hitotsubashi

M.S., Western Illinois University
Thesis: Sex Differences in Morphine-Induced Antinociception and Reward Using a Chronic Pain Model in Rats.
Major Advisor: Rebecca Craft
- Melissa Falkenstern
B.S., Mary Washington College
Thesis: Big-5 Factors and Participation in Longitudinal Studies.
Major Advisor: Paul Kwon
- Young-Mi Kwon
B.A., M.A., Sung Kyun Kwan University
Thesis: Group Norm Change as an Effect of Type of Norm Development and Group Task Performance.
Major Advisor: Craig Parks
- Amanda Zulas
B.S., M.S., Western Illinois University
Thesis: Graphically Visualizing Quantitative Smart Home Data.
Major Advisor: Thomas Bringham

SOCIOLOGY

- Joseph Kremer
B.A., Western State College of Colorado
Thesis: Environmental Sentencing Disparities in the Pacific Northwest, 2007-2011: A Story of Equality.
Major Advisor: Erik Johnson

SOIL SCIENCE

- Surachet Aramrak
B.S., M.S., Kasetsart University
Thesis: Colloid Interactions With a Moving Air-Water Interface.
Major Advisor: Markus Flury
- Caitlin Youngquist
B.S., Washington State University
Thesis: Agricultural Use, Fate of Antibiotics, and Community Perception of Locally Produced Biosolids Compos.
Major Advisor: Stephen Jones

VETERINARY SCIENCE

- Tarek Addwebi
B.V.Sc., Al Fateh University
M.S., University of Gent
Thesis: Contribution of Salmonella Enteritidis Virulence Factors for Intestinal Colonization and Systemic Dissemination in One-Day Old Chickens.
Major Advisor: Devendra Shah
- Robson Dossa
B.S., University of Pelotas
Thesis: The Role of Lipid Antigens in the Protection Against Rhodococcal Pneumonia in Horses.
Major Advisor: Stephen Hines
- Seth Nydam
B.S., Syracuse University
D.V.M., Cornell University
Thesis: Transcriptome Analysis of Type III Secretion System I in *Vibrio Parahaemolyticus*.
Major Advisor: Douglas Call

- Letizia Tomassini
D.V.M., Perugia University
M.P.V.M., University of California, Davis
Thesis: Microbiota in Pre-Weaned Dairy Calves.
Major Advisor: William Sischo

Alexandra Graham Medicine – Primary/HVMA	Laura Malchodi Pediatrics	Reyna Swift Dermatology	
Genesis Han Pediatrics	Anna McLuen Family Medicine	Colin Teteak Undetermined	

The WWAMI (Washington, Wyoming, Alaska, Montana, Idaho) Medical Education Program is offered in partnership with the University of Washington School of Medicine and host universities throughout the five-state regional system. Students from Washington complete their first year of medical training at the University of Washington, WSU Pullman, or WSU Spokane and complete the remainder of their medical training in Seattle, Spokane, eastern Washington, or training sites throughout the WWAMI region. The WSU Pullman WWAMI program is offered jointly with the University of Idaho WWAMI program and offers first-year medical students the opportunity to train with the combined biomedical faculties and the teaching, research, and training facilities on both campuses. WSU WWAMI students also complete their first clinical training rotations with local physicians, clinics, and hospitals in Pullman and Moscow.

WASHINGTON, MY WASHINGTON

*Washington, My Washington
The Crimson and the Gray,
'Tis the songs of memory
That we sing today,
When the sad hours come to you
And sorrows 'round you play,*

*Just sing the songs of
Washington
The Crimson and the Gray,
Just sing the songs of
Washington
The Crimson and the Gray.*
