Commencement Mission Statement

Commencement at Washington State University represents the culmination of a student's academic achievement. It is a time for celebration and reflection for students, families, faculty, and staff. It brings together the campus community to share the joy of the accomplished goals of our students.

The commencement ceremony at Washington State University serves a dual purpose: to mark a point of achievement, thus completing a chapter in the lives of students and those who support them, and to encourage continued pursuit of learning, personal fulfillment, and engagement with their local and worldwide communities.

Elson S. Floyd, Ph.D.
President,
Washington State University

Elson S. Floyd became the tenth president of Washington State University on May 21, 2007. He previously was president of the four-campus University of Missouri from 2003 to 2007, and he served as president of Western Michigan University from 1998 to 2003.

He began his career in 1978 at the University of North Carolina at Chapel Hill, where he held deanships in the Division of Student Affairs, the General College, and the College of Arts and Sciences. From 1988 to 1990, he was assistant vice president for student services for the UNC system office, where he helped develop student affairs and academic affairs policy for the 16-campus system.

From 1990 to 1993, Dr. Floyd filled vice presidencies at Eastern Washington University and then was executive director of the Washington Higher Education Coordinating Board. From 1995 to 1998, he was executive vice chancellor of UNC at Chapel Hill.

A native of Henderson, North Carolina, Dr. Floyd holds a bachelor of arts degree in political science and speech, a master of education degree in adult education, and a doctor of philosophy degree in higher and adult education, all from the University of North Carolina at Chapel Hill. Among his other honors is the 2004 Distinguished Alumnus Award from the University of North Carolina at Chapel Hill.

Today represents an impressive milestone in your life and in your academic career. I would like to extend my heartiest congratulations to you on your attainment of this goal.

At Washington State University, we strongly believe that we provide the tools necessary to help our students succeed. However, we also recognize that each student ultimately determines his or her own path. It is your hard work, determination, and persistence that have brought you to this day. You, your family, and your friends should be immensely proud of this achievement.

In the years ahead, I know you will often reflect upon what you have experienced here at WSU. Graduation opens the door for you to put to use what you have learned in your classes, laboratories, internships, and campus life. You now have the opportunity to make a difference in the world. Take advantage of it.

Again, congratulations. I wish you every success and trust that you will remain connected to WSU, your alma mater. You will always be a member of the loyal Cougar family.

It is an honor to preside at your commencement. I look forward to shaking your hand and wishing you well after you receive your diploma cover.

Elson S. Floyd, Ph.D.

President, Washington State University

President's Ceremonial Stole

Presented to President Elson S. Floyd during his first commencement ceremony at Washington State University in fall 2007, the ceremonial stole signifies the ethnic diversity the University seeks in all its endeavors and displays a dynamic visual presentation. Researched and designed by faculty member Linda Arthur Bradley with contributions from apparel, merchandising, design, and textiles students, the stole is made of textiles from locations including Ecuador, India, Scotland, and Japan. Many came from personal collections of Bradley or her colleagues, some were available commercially, and four were hand-woven by fiber artists specifically for the stole.

Master Salish weaver Susan Pavel hand-spun and wove two pieces of traditional Indian design. Other custom pieces include a Hawaiian hand appliqué by Charlotte Hughes, an American coverlet sampler by Cynthia Hosek, and embroidered pieces representing the Nez Perce tradition by Ann MacCormack.

President's Chain of Office

During commencement ceremonies and other special occasions, the president of Washington State University wears the President's Chain of Office. The medallion features the WSU shield with Cougar head, and the links are engraved with the names and dates of service for each past WSU president, starting with George Lilley, who served from 1891 to 1892, and ending with V. Lane Rawlins, who served from 2000 to 2007. Blank links allow engraving of names and service years for future presidents.

The Chain of Office was created at the request of V. Lane Rawlins, who became president of WSU on June 8, 2000. He wore it for the first time during his inauguration on March 28, 2001.

Robert Rosenman
Chair, Faculty Senate

Dear Graduates,

I speak for the entire faculty in offering our heartiest congratulations on completing your studies at Washington State University. Commencement is the culmination, but not the end, of your education. We, the faculty, administration, and staff of this great university, have strived to prepare you for a future that you will define. As you enter new careers or move on to further study you will build upon the foundation begun by your studies here. We are proud to have been part of your life over the past few years and feel confident you are prepared for the future.

You will hear today, as you have heard before, that you could not have done this alone. There is truth to that statement. Help from parents, siblings, other relatives, and friends made the process of achieving your education easier, better, and more fun. They share in your accomplishment. Nonetheless, it is yours, and with that comes the responsibility to use your education wisely, for yourself and for others. Washington State University takes pride in giving back to the state and society in its teaching, research, and service. I hope you carry that legacy forward as you join all the previous WSU graduates. I also hope you will be active alumni who continue to support and be part of our university. Again, congratulations on this great achievement.

*Chair, Administrative Professional
Advisory Council*

Congratulations, Graduates

The Administrative Professionals at Washington State University would like to commend each of you on this significant achievement. We have watched you develop into exceptional young teachers, scientists, and leaders. You have inspired us with your perseverance and we are proud to be a part of your accomplishment as part of the Cougar family. Your maturation and dedication to this achievement is indicative of what is to be a Cougar.

As you embark on your next journey I wish you the utmost success. I encourage you to continue to build upon your achievement today. Now go out and show the world what it means to be a Cougar and achieve great things.

Go Cougs!

To the Graduates of the Class of 2013,

On behalf of your student governments, the Associated Students of Washington State University, the Associated Students of Washington State University Global Campus, and the Graduate and Professional Student Association, we offer sincere congratulations as you graduate from our esteemed institution. It is an honor to recognize the culmination of your studies here at WSU.

We would like to praise you on reaching this milestone. At commencement, all of your hard work is on display, and we celebrate your achievements as well as the individuals who have contributed to your success. Remember to acknowledge and thank those who have supported and guided you through your academic journey. You have earned a valuable degree from one of the finest universities in our nation, and the values you have learned at WSU will continue to shape you into the person you become after graduation. Commencement represents both a completion and a beginning. While you may feel as if you are being ejected into a world of uncertainty, we have every confidence that you will find your way through the challenges you encounter in the months and years ahead—just as you have to reach this point. Remember that Washington State University will always be your home and the experiences you have gone through as a Cougar is what makes you world-class. We encourage you to remain engaged with the Cougar community for the rest of your lives.

It has been an honor serving you this year and we wish you the best of luck in your future. Once again, congratulations on earning your degree and all the best in your new beginning from ASWSU, ASWSUG, and GPSA.

As always, GO COUGS!

COMMENCEMENT 2013

Washington State University, on the occasion of its thirteenth annual fall Commencement, cordially welcomes all those who have come to the Pullman campus to share in ceremonies honoring the graduating class of 2013. To class members, the Class of 2013, the University extends sincere congratulations.

WSU enrolls 27,642 students statewide. This includes 19,312 undergraduates and 3,886 graduate and professional students learning at the Pullman and Spokane campuses or through distance education. At the Tri-Cities and Vancouver campuses, 4,444 undergraduate, graduate, and professional students are enrolled.

Commencement is the special occasion that provides public recognition of students' academic achievements. The transcript is the official document certifying the successful completion of specific academic requirements. The diploma is mailed after the ceremony.

The first WSU Commencement, held June 24, 1897, recognized eight students being advanced to degrees—three in engineering, one in biology, two in economics, and two in English. This followed a legislative act in 1895 empowering the college to grant

the usual academic and honorary degrees and issue diplomas.¹ With the construction of Bryan Hall in 1909, Commencement moved to the well-equipped Bryan Auditorium. Enrollment and the number of degree candidates increased over the years, and Commencement moved to Bohler Gymnasium following its construction in 1928. Following World War II and the burgeoning enrollment created by the return of students receiving veterans' benefits (G.I. Bill), Commencement was moved outdoors to Rogers Field in the football stadium (1949-1973). Because it was always possible that inclement weather would disrupt the ceremonies, it was necessary to duplicate arrangements in Bohler Gymnasium. However, only twice in those years—1954 and 1963—was it necessary to move the outdoor ceremony indoors. In 1973, with the completion of Beasley Coliseum, Commencement moved indoors permanently.

In 1986, the University's Commencement Committee recommended decentralizing Commencement to make the event more personal for graduating students. The WSU administration approved, and from 1986 through 1996, an All-University Commencement Assembly was held in the coliseum, and individual college ceremonies took place in the coliseum, Bohler Gymnasium, Bryan Auditorium, Compton Union Building Ballroom, and Hollingbery Fieldhouse. Beginning with the 100th Commencement in May 1996, the college ceremony times were changed to allow some to precede the All-University Assembly. In 1998, due in part to construction in Bohler, the administration approved a Commencement Committee recommendation to hold two ceremonies. Starting in 2000, a three-ceremony format (two ceremonies in the morning and one in the afternoon) was instituted. There was a historic Commencement change during the 2001-

Within academic areas on either side of the floor, the names of the degree recipients are called in random order as they approach the readers. Students will be viewed on big screens as their names are read.

The Fall 2013 Commencement program includes degree candidates from August 2013 through December 2013. Candidates from May 2013 who were inadvertently omitted from the May 2013 program are also included. Those previously awarded degrees are noted with an asterisk. (*) The program is not a listing of those attending the ceremony.

Appearance of a name in this program is presumptive evidence of graduation and graduation honors, but it must not in any sense be regarded as conclusive. Notation on the university transcript remains the official testimony of degree possession.

2002 academic year. For the first time, WSU held two Commencements, one during fall semester (December 15, 2001) and the other during spring semester (May 11, 2002).

This is the University's thirteenth fall commencement since its founding in 1890.

THE UNIVERSITY MACE

The University Mace, a traditional symbol of authority, will lead the processional today. The mace is carried by the chair of the Faculty Senate with an honor guard consisting of the presidents of the undergraduate and graduate and professional student associations. Robert Rosenman carries it today, accompanied by Taylor Hennessey, president of the Associated Students of WSU, and Randell Walling, president of the Graduate and Professional Student Association of WSU.

Created in 1985, the two-foot-long, nine-pound scepter is cast in silver and bronze and features a globe atop a laurel branch, wrapped in a silver ribbon and inscribed "Washington State University." According to designer and craftsman Tim Doeblner of WSU's Department of Fine Arts, "the globe represents the universality of education and the quest for knowledge. Laurel crowns were presented to academicians by the ancient Greeks."

The anvil is a symbol of forging and molding education, rather than forcing it upon students.

Washington State University Highlights, 2009–2013

2009

- Research teams at WSU were awarded more than \$15 million in U.S. Department of Agriculture grants for specialty crops such as tree fruit, wine grapes, and potatoes. They received nearly a third of the \$47.3 million awarded nationally, placing them among the top recipients.
- Dr. Terry McElwain, professor of pathology and infectious diseases in the WSU College of Veterinary Medicine, was elected to membership in the National Academy of Science's Institute of Medicine—one of the highest honors for scholars in biomedical research and human health care.
- Former White House Bureau Chief Helen Thomas and CBS News Chief Washington Correspondent Bob Schieffer were recipients of the 2009 Edward R. Murrow Lifetime Achievement Award in Journalism and in Broadcast Journalism, respectively.
- The state legislature reduced its budget allocation for WSU by \$54.2 million—the largest reduction in WSU's history.
- In celebration of the 20th annual Festival of Contemporary Art Music at WSU, FoCam's 2009 guest composer was WSU music faculty member Charles Argersinger, the festival's founding director.
- Michael D. Griswold, Regents Professor in the School of Molecular Biosciences and dean of the College of Sciences, was the ninth recipient of the WSU Eminent Faculty Award.
- Dr. Dwight Damon, an orthodontic dentistry innovator, was the 40th Regents Distinguished Alumnus Award honoree. An outstanding student and basketball and baseball athlete while at WSU, Dr. Damon earned international recognition for developing the "Damon Bracket," a dental brace system that transformed the way orthodontists practice. He was a 1962 graduate in zoology.

2010

- In the aftermath of a devastating January earthquake in Haiti, WSU students, faculty, and staff raised money in a variety of ways to support relief efforts.
- A prominent sustainability website ranked WSU among the top 10 universities in the nation for its developments in clean technology.
- WSU's nationally recognized Honors College celebrated its 50th anniversary. The college is one of the country's oldest and most respected all-university programs for academically talented students.
- Bill Moos—WSU graduate, former Cougar football player, and former WSU athletics administrator—was named WSU athletic director, succeeding Jim Sterk, who took the same position at San Diego State University. Moos was previously athletic director at the University of Montana and University of Oregon.
- South Fairway Road on the Pullman campus was renamed "Ferdinand's Lane." The lane leads from Stadium Way to Ferdinand's Ice Cream Shoppe and the WSU Creamery.
- The tenth WSU Eminent Faculty Award honored pioneer sleep researcher James M. Krueger, a Regents Professor in veterinary and comparative anatomy, pharmacology, and physiology in the College of Veterinary Medicine.
- The WSU Museum of Art, a member of the Washington Art Consortium, shared in a historic gift of Northwest art from the Safeco Insurance collection.
- *The Campaign for Washington State University: Because the World Needs Big Ideas* launched its public phase at kick-off events in Pullman and Seattle. Begun in July 2006, the campaign aims to raise \$1 billion by 2015 to coincide with the University's 125th anniversary.
- Construction began on the \$96 million Veterinary Medical Research Science Building, which will house state-of-the-art biomedical research laboratories and offices for the health science teaching and research programs. The building is slated for completion by June 30, 2013.

2011

- WSU sleep research was named one of the top 100 stories of 2010 for the article "Sleep Switch Found in the Brain" in the January-February special issue of *Discover* magazine.
- Ted Koppel, television news veteran and anchor of ABC's *Nightline* for 25 years, visited the Pullman campus and was presented with the 2011 Edward R. Murrow Award for Lifetime Achievement in Broadcast Journalism.
- WSU joined state and Spokane community leaders to celebrate the groundbreaking for the Biomedical and Health Sciences Building at the Riverpoint Campus in Spokane. The building will house the medical education program jointly administered by WSU and the University of Washington and the WSU College of Pharmacy.
- Legendary actress and comedian Betty White became an honorary Washington State University alumna. WSU Provost Warwick Bayly presented her with a white doctor's coat at the Washington State Veterinary Medical Association's (WSVMA) centennial gala in Yakima.
- The first of up to 18 Cougar-themed transit buses was unveiled, celebrating the partnership between WSU and the City of Pullman.
- Mike Leach was named the Cougars' head football coach. Leach brings a proven record of winning to Pullman, including 10 bowl bids in 10 seasons.
- Gregory W. Yasinitsky, Regents Professor and coordinator of jazz studies in the WSU School of Music, was the 11th recipient of the WSU Eminent Faculty Award.

2012

- Construction began on the new Northside Residence Hall, located between Regents Hall and Streit Hall. Completion is expected by fall 2013. The \$32.6 million, 300-bed facility will be the second new residence hall constructed on the Pullman campus since the early 1970s.
- Washington grape growers and wine makers made a \$7.4 million commitment to support a new Washington State University Wine Science Center, planned for construction in the Tri-Cities.
- The College of Liberal Arts and the College of Sciences merged to form the College of Arts and Sciences.
- The Paul G. Allen Center for Global Animal Health was formally dedicated in Pullman. The research facility houses a state-of-the-art infectious disease research center for investigating emerging diseases throughout the world.
- New premium seating and a new press box opened on the south side of Martin Stadium, marking the conclusion of an \$80 million construction project.
- Veteran journalist Dan Rather was honored at the 38th Edward R. Murrow Symposium at WSU Pullman.
- Sue Clark, Regents Professor and chair of the chemistry department, was awarded the American Chemical Society (ACS) 2012 Garvan-Olin medal for outstanding leadership in nuclear chemistry and radiochemistry and ongoing efforts to increase the participation and inclusion of women in science.
- George R. Pettit ('52 B.S. Chemistry), an organic chemist who pioneered the search for anti-cancer compounds in marine organisms and terrestrial insects and plants, accepted the 2012 Regents Distinguished Alumnus Award.
- Demolition began on the Hollingbery Fieldhouse Annex to make way for construction of a new \$61 million football operations building. The new facility will serve as a home for the Cougar football program.
- The campus community celebrated the 25th anniversary of the founding of the Office of Multicultural Student Services with a week-long series of events. The number of WSU multicultural undergraduates has nearly quadrupled in the past 25 years to more than 4,900 students, or 22 percent of the student body.
- The University established a new tradition in September, selecting an official WSU tartan after 34,000 votes were cast by the Cougar Nation. WSU tartan merchandise, including ties, scarves, and other products are available.

2013

- U.S. News and World Report ranked the University's online graduate business programs #1 in the nation.
- The new Brelsford WSU Visitor Center in downtown Pullman, near Reaney Park, was dedicated. The facility serves as the University's new "front door," providing a welcoming environment and information about WSU to guests.
- The new \$96 million Veterinary Medical Research Science Building opened its doors. The facility houses state-of-the-art biomedical research laboratories and offices for the health science teaching and research programs.
- Football fans welcomed the arrival of one of the few high-definition video display scoreboards in college football. Located at the east end of Martin Stadium, it measures 73 feet wide and 36 feet high—more than double the size of the previous board.
- Three hundred students moved into the new \$32.6 million Northside Residence Hall, the second new residence hall constructed on the Pullman campus since the early 1970s.
- The Federal Aviation Administration selected WSU and the Massachusetts Institute of Technology (MIT) to co-lead the new Center of Excellence for Alternative Jet Fuels and the Environment. The center aims to foster a new industry focused on developing alternative jet fuels.
- The Cougar family lost one of its most beloved leaders with the passing of Dr. Glenn Terrell, who served as WSU president from 1967 to 1985. He was 93.
- In the fall semester, a full third of the freshman class came from ethnically diverse backgrounds, up from 12 percent just five years ago. Ethnic minorities represented a quarter of the total WSU Pullman student population—the largest percentage in university history.
- The Paul G. Allen School for Global Animal Health awarded the first certificates in global animal health to two doctoral students, Heather Hergert and Kate Stevens, who graduated with degrees in veterinary medicine in May 2013. WSU offers the only certificate in global animal health in the world.

- On December 7, 2013, one of the best groups of students ever in the history of Washington State University graduated during the 13th annual Fall Commencement ceremony in Beasley Coliseum.

ACADEMIC REGALIA

Academic regalia arose through evolution and modification of the robes worn by medieval students, who were usually clerics in the cathedral schools and monasteries established by the church. As early as 1321, a medieval statute required that all doctors, licentiates, and bachelors wear academic gowns and hoods. Gowns were necessary for warmth in the unheated medieval buildings, and hoods may have been designed to cover tonsured heads. Today, immediately after receiving a charter, new institutions adopt a distinctive design for academic attire expressive of their individuality.

On May 26, 1895, a group of institutional representatives met at Columbia University to establish a uniform code for academic regalia in this country.

The approved academic attire for all graduates is composed of a cap and gown. For master's and doctoral graduates, a hood is included. The basic article of attire is the gown, usually black in color, and similar in design for all degrees with the sleeves being the principal indicator of degree level. Gowns for those graduating with a bachelor's degree have pointed sleeves; the sleeves on master's gowns arc away at the front; and doctoral gowns have round, bell-shaped sleeves. Bachelor's and master's gowns are untrimmed while doctoral gowns feature distinctive velvet facing down the front and three velvet bars on each sleeve.

The hood has become the colorful standard-bearer of academic symbolism. By examining the hood, an informed observer should be able to identify the degree level, the academic field of study in which the degree was earned, and the institution that conferred the degree. The hood is made of the same material as the gown. Hood length varies according to degree: bachelor's—three feet, master's—three and a half feet, and doctor's—four feet in length and has panels at the sides. The color or colors of the hood lining indicate the institution that conferred the degree (crimson and gray for WSU). The hood is trimmed or edged in a border of velvet either two, three, or five inches in width for the respective degrees. The border color represents the faculty or field of study in which the degree was awarded. At WSU, bachelor's degree candidates do not wear hoods.

The approved cap of the academic costume is the mortarboard or Oxford cap—a stiff board nine inches square, placed on a soft cap and joined in a pointed design in front and back. The color is always that of the gown and uniformly black for the four-year degrees. The use of velvet has been reserved for the cap of the doctor's degree. A silk cord with a tassel made of many threads is attached to a button in the center of the board.

A distinctive commencement rental gown for students earning Ph.D. and Ed.D. degrees debuted in spring 2012. The gown is crimson with gunmetal-gray velvet accents and a matching velvet tam. WSU is the only university with a custom rental gown. The purchased version of the custom gown is designed with a split hood, two silver WSU shield medallions holding the hood in place, two WSU medallion cufflinks on each sleeve, and other embellishments.

The committee of the American Council on Education on its "Academic Costume Code" states the following:

For all academic purposes—including trimming of doctor's gowns, edging of hoods, and tassels of caps—the colors associated with the different subjects are as follows:

Agriculture: Maize
 Arts, Letters, Humanities: White
 Commerce, Accountancy,
 Business: Drab
 Communication: Crimson
 Dentistry: Lilac
 Economics: Copper
 Education: Light Blue
 Engineering: Orange
 Fine Arts including
 Architecture: Brown
 Forestry: Russet
 Home Economics: Maroon
 Law: Purple
 Library Science: Lemon
 Medicine: Green
 Music: Pink
 Nursing: Apricot
 Oratory (Speech): Silver Gray
 Pharmacy: Olive Green
 Philosophy: Dark Blue
 Physical Education: Sage Green
 Public Administration,
 including Foreign Service:
 Peacock Blue
 Public Health: Salmon Pink
 Science: Golden Yellow
 Social Work: Citron
 Theology: Scarlet
 Veterinary Medicine: Gray

Candidates for Advanced and Professional Degrees

Names in this program include those who earned degrees in August 2013 or have applied for a December 2013 graduation date.

Candidates from May 2013 who were inadvertently omitted from the May 2013 program are also included.

The program is not a listing of those attending the ceremony. Names for May 2014 graduation will appear in the spring program.

Candidates for Baccalaureate Degrees

Names in this program include those who earned degrees in August 2013 or have applied for a December 2013 graduation date.

Candidates from May 2013 who were inadvertently omitted from the May 2013 program are also included.

The program is not a listing of those attending the ceremony. Names for May 2014 graduation will appear in the spring program.

MAGNA CUM LAUDE: Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average between 3.70 and 3.89.

CUM LAUDE: Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average between 3.50 and 3.69.

HONORS COLLEGE: Graduates who have participated in the Honors College and satisfied the college's requirements receive certificates of completion and wear the Honors College Medallion.

HONOR SOCIETIES: Washington State University students may be selected to join, within their disciplines, one or more of 29 honor societies and any of six honor societies across academic disciplines, including one freshman honor society.

Alpha Epsilon Rho, Alpha Phi Sigma, Alpha Zeta, Beta Alpha Psi, Beta Gamma Sigma, Gamma Sigma Delta, International Golden Key, Kappa Delta Pi, Kappa Omicron Nu, Mortar Board, Mu Phi, Omicron Chi Gamma, Omicron Delta Epsilon, Omicron Delta Kappa, Phi Alpha Theta, Phi Beta Kappa, Phi Delta Kappa, Phi Kappa Phi, Phi Lambda Upsilon, Phi Sigma Alpha, Phi Sigma Iota, Phi Zeta, Pi Sigma Alpha, Psi Chi, Rho Chi, Rho Nu, Sigma Tau Delta, Sigma Theta Tau International, and Tau Beta Pi.

The Star Spangled Banner was ordered played at military and naval occasions by President Woodrow Wilson in 1916, but was not designated the national anthem by an Act of Congress until 1931. The words were written in 1814 by Francis Scott Key, who had been inspired by the sight of the American flag still flying over Fort McHenry after a night of heavy British bombardment. The text was immediately set to a popular melody of the time. At almost every occasion, only the first verse is sung.

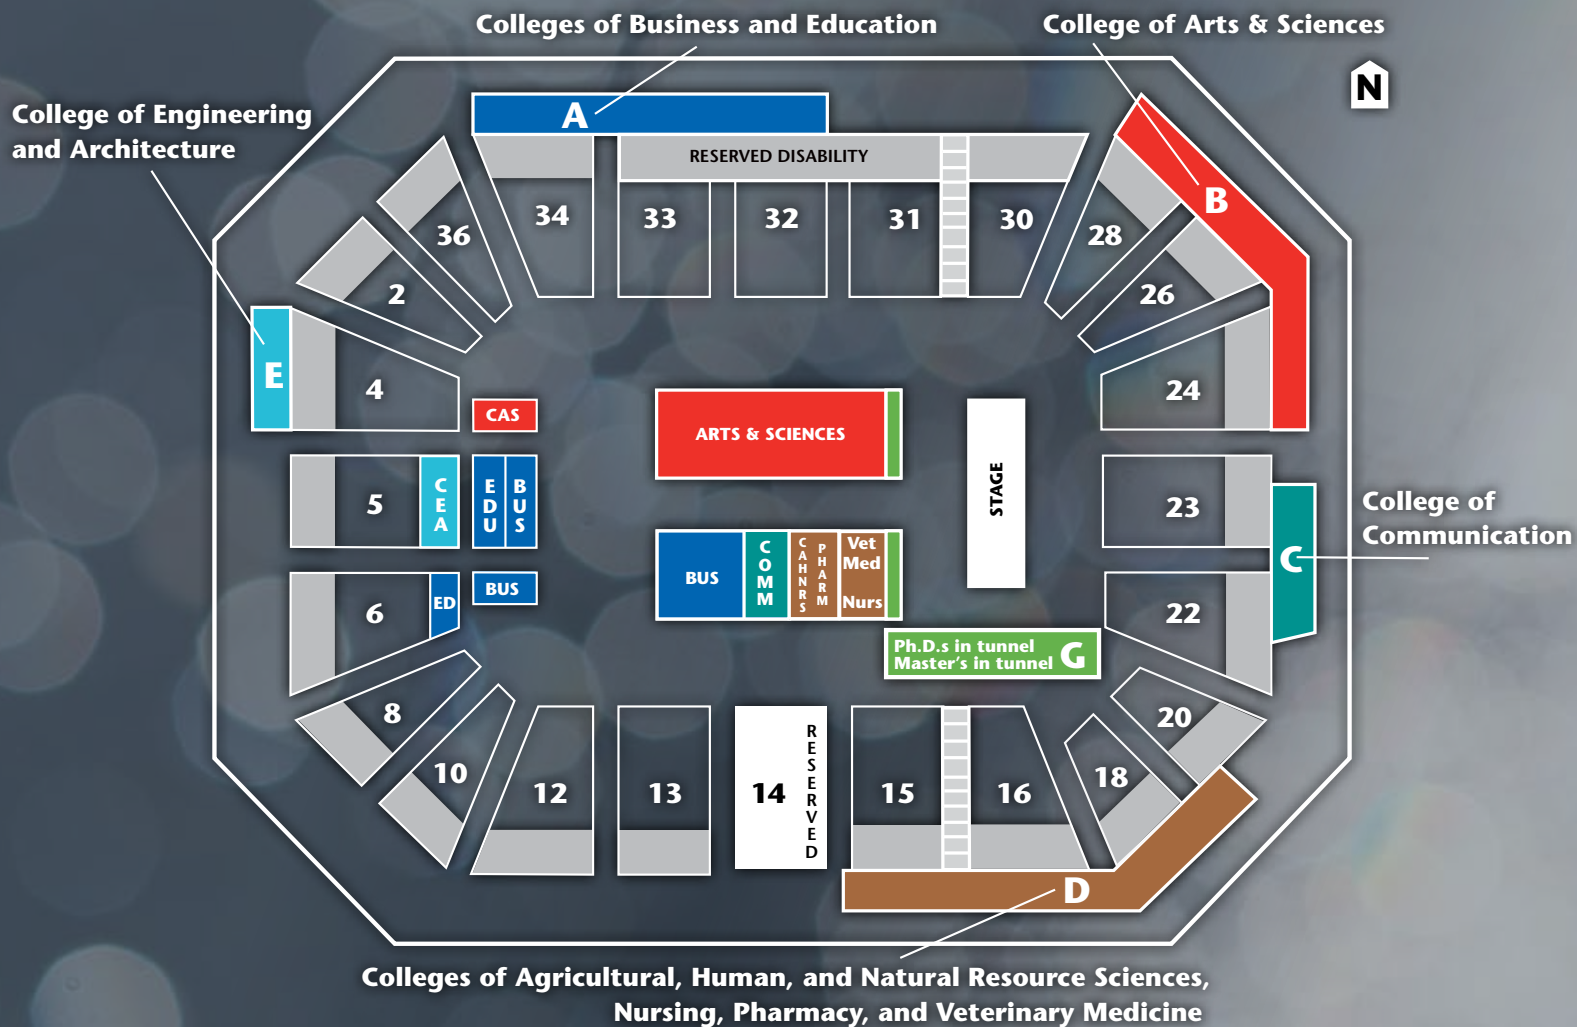

The Star Spangled Banner

*Oh, say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?*

*On the shore, dimly seen through the mists of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze, o'er the towering steep,
As it fitfully blows, now conceals, now discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected now shines on the stream:
'Tis the star-spangled banner! O long may it wave
O'er the land of the free and the home of the brave.*

*And where is that band who so vauntingly swore
That the havoc of war and the battle's confusion
A home and a country should leave us no more?
Their blood has wiped out their foul footsteps' pollution.
No refuge could save the hireling and slave
From the terror of flight, or the gloom of the grave:
And the star-spangled banner in triumph doth wave
O'er the land of the free and the home of the brave.*

*Oh! thus be it ever, when freemen shall stand
Between their loved homes and the war's desolation!
Blest with victory and peace, may the heaven-rescued land
Praise the Power that hath made and preserved us a nation.
Then conquer we must, for our case it is just,
And this be our motto: "In God is our trust."
And the star-spangled banner forever shall wave
O'er the land of the free and the home of the brave!*

WASHINGTON, MY WASHINGTON

*Washington, My Washington
 The Crimson and the Gray,
 'Tis the songs of memory
 That we sing today,
 When the sad hours come to you
 And sorrows 'round you play,
 Just sing the songs of Washington
 The Crimson and the Gray,
 Just sing the songs of Washington
 The Crimson and the Gray.*
