Commencement Mission Statement

Commencement at Washington State University represents the culmination of a student's academic achievement. It is a time for celebration and reflection for students, families, faculty, and staff. It brings together the campus community to share the joy of the accomplished goals of our students.

The commencement ceremony at Washington State University serves a dual purpose: to mark a point of achievement, thus completing a chapter in the lives of students and those who support them, and to encourage continued pursuit of learning, personal fulfillment, and engagement with their local and worldwide communities.

Elson S. Floyd, Ph.D.
President,
Washington State University

Elson S. Floyd became the tenth president of Washington State University on May 21, 2007. He previously was president of the four-campus University of Missouri from 2003 to 2007, and he served as president of Western Michigan University from 1998 to 2003.

He began his career in 1978 at the University of North Carolina at Chapel Hill, where he held deanships in the Division of Student Affairs, the General College, and the College of Arts and Sciences. From 1988 to 1990, he was assistant vice president for student services for the UNC system office, where he helped develop student affairs and academic affairs policy for the 16-campus system.

From 1990 to 1993, Dr. Floyd filled vice presidencies at Eastern Washington University and then was executive director of the Washington Higher Education Coordinating Board. From 1995 to 1998, he was executive vice chancellor of UNC at Chapel Hill.

A native of Henderson, North Carolina, Floyd holds a bachelor of arts degree in political science and speech, a master of education degree in adult education, and a doctor of philosophy degree in higher and adult education, all from the University of North Carolina at Chapel Hill. Among his other honors is the 2004 Distinguished Alumnus Award from the University of North Carolina at Chapel Hill.

I congratulate you on your academic achievements and the completion of your degree. Your dedication and commitment have brought you to this successful point: graduation from Washington State University, one of America's top-tier research universities.

Graduation opens the door for you to put to use what you have learned in your classes, laboratories, internships, and campus life experiences. You now have your opportunity to make a difference in the world.

I am grateful for our faculty's commitment to you, our students. In the years ahead, I know you will reflect upon what you have learned at WSU, a university of unequalled quality and commitment. I hope that you will remember the experiences and people here who transformed your knowledge and understanding of the world.

Again, congratulations. I wish you every success and trust that you will stay connected to WSU, your alma mater. You will always be a member of the loyal Cougar family. It is a privilege and honor to preside at your commencement. I look forward to shaking your hand and wishing you well after you receive your diploma cover.

Elson S. Floyd, Ph.D.
President, Washington State University

President's Ceremonial Stole

Presented to President Elson S. Floyd during his first commencement ceremony at Washington State University in fall 2007, the ceremonial stole signifies the ethnic diversity the University seeks in all its endeavors and presents a dynamic visual presentation. Researched and designed by faculty member Linda Arthur with contributions from apparel, merchandising, design, and textiles students, the stole is made of textiles from locations including Ecuador, India, Scotland, and Japan. Many came from the personal collections of Arthur or her colleagues, some were available commercially, and four were hand-woven by fiber artists specifically for the stole.

Master Salish weaver Susan Pavel hand-spun and wove two pieces of traditional Indian design. Other custom pieces include a Hawaiian hand appliqué by Charlotte Hughes, an American coverlet sampler by Cynthia Hosick, and embroidered pieces representing the Nez Perce tradition by Ann MacCormack.

President's Chain of Office

During commencement ceremonies and other special occasions, the president of Washington State University wears the President's Chain of Office. The medallion features the WSU shield with Cougar head, and the links are engraved with the names and dates of service for each past WSU president, starting with George Lilley, who served from 1891 to 1892, and ending with V. Lane Rawlins, who served from 2000 to 2007. Blank links allow engraving of names and service years for future presidents.

The Chain of Office was created at the request of V. Lane Rawlins, who became president of WSU on June 8, 2000. He wore it for the first time during his inauguration on March 28, 2001.

Chair, Faculty Senate

Congratulations Graduates!

Commencement marks the success of your studies, and accordingly, it is one of the most important events on our academic calendar. At Commencement, we celebrate your achievements and all the hard work that helped you reach this stage of your career. We also recognize the faculty's role in preparing you for the future, and we express appreciation to all of those who helped you succeed, especially your families.

We trust that many of you will return to WSU, years from now, whether as visitors, scholars, professors, or speakers, sharing your leadership experiences with the Cougar community. Commencement is indeed the highlight of our academic year, but for you it is more a beginning than an ending.

Go COUGS!

*Chair, Administrative Professional
Advisory Council*

Graduates,

On behalf of the Administrative Professional staff, I would like to congratulate each of you on this momentous occasion. The milestones you have crossed to reach your graduation today are just the beginning of your trek down the road to future accomplishments and major achievements. You have long awaited this day, and we have watched your steps as you progressed to each new level. For some of you this is the final leg of your academic career; for others, it is the beginning of advanced training and opportunity. To many of us you have been like a son or daughter throughout these past years. We praise your efforts and hold you in the same high esteem that your family members do at this time. You now join the ranks of WSU Cougar alumni, and we wish each of you success in your future endeavors. We encourage you to frequently return to your alma mater to rekindle old memories and continue past friendships with staff and faculty you have met along the way. Good luck in all that you do.

To the Graduates of the Class of 2010,

On behalf of the Associated Students of Washington State University and the Graduate and Professional Student Association of WSU, we sincerely congratulate you at this milestone in your life.

It is an honor to recognize the culmination of your academic journey at WSU as you transition from being a student to being an alumnus.

You have traveled a long road to get here. Your hard work has earned you a valuable degree from one of the finest universities in the nation. Be proud, but be humble. Acknowledge and thank those who supported and guided you through your academic career.

What you have gained at this great university will allow you to be a success in a world of uncertainty because WSU Cougars are resilient.

Every graduate will travel a different path after graduation. But wherever you go and whatever you do, Washington State University is your home. Please remain engaged with WSU and the Cougar community. Stay connected with friends and faculty. Take part in WSU events. Proudly wear Cougar apparel. Your Color is Crimson!

All the best in your new beginning from ASWSU and GPSA.

ACADEMIC REGALIA

Academic dress arose through evolution and modification of the robes worn by medieval students, who were usually clerics in the cathedral schools and monasteries established by the church. As early as 1321, a medieval statute required that all doctors, licentiates, and bachelors wear academic gowns and hoods. Gowns were necessary for warmth in the unheated medieval buildings, and hoods may have been designed to cover tonsured heads. Today, immediately after receiving a charter, new institutions adopt a distinctive design for academic attire expressive of their individuality.

On May 26, 1895, a group of institutional representatives met at Columbia University to establish a uniform code for academic attire in this country.

The approved academic attire is composed of a cap, gown, and hood. The basic article of the attire is the gown, which is usually black in color for all degrees. The basic design for gowns is similar for all degrees; minor variations in fullness and length of sleeves and trimming are indicative of degree levels. Cotton-poplin fabric is used for the bachelor's and master's gown, and ribbed rayon or silk is reserved for the doctor's gown.

The hood has become the colorful standard-bearer of academic symbolism. By examining the hood, an informed observer should be able to identify the degree level, the academic field of study in which the degree was earned, and the institution that conferred the degree. The hood is made of the same material as the gown. Hood length varies according to degree: bachelor's—three feet, master's—three and a half feet, and doctor's—four feet. The color or colors of the hood lining indicate the institution that conferred the degree (crimson and gray for WSU). The hood is trimmed or edged in a border of velvet either two, three, or five inches in width for the respective degrees. The border color represents the faculty or field of study in which the degree was awarded. At WSU, bachelor's degree candidates do not wear hoods.

The approved cap of the academic costume is the mortarboard or Oxford cap—a stiff board nine inches square, usually covered in cotton poplin, Russell cord, or spun rayon, placed on a soft cap made of the same material and joined in a pointed design in front and back. The front of the cap is shorter than the back, but the color is always that of the gown and uniformly black for the four-year degrees. Soft, square-topped caps are permissible for women. The use of velvet has been reserved for the cap for the doctor's degree. A silk cord with a tassel made of many threads is attached to a button in the center of the board. The cord's and tassel's length may vary with the degree of the wearer. The tassel and cord may be black for any degree, but a gold metallic cord and tassel have been approved for the doctor's cap. The tassel may reflect the color of the field of study in which the degree was earned, and a few institutions use tassels of varied colors to indicate academic honors. For more on academic regalia visit www.acenet.edu/resources/regalia.

The committee of the American Council on Education, in its "Academic Costume Code," states the following:

For all academic purposes—including trimming of doctor's gowns, edging of hoods, and tassels of caps—the colors associated with the different subjects are as follows:

Agriculture: *Maize*
 Arts, Letters, Humanities: *White*
 Commerce, Accountancy,

COMMENCEMENT 2010

Washington State University, on the occasion of its 114th annual spring Commencement, cordially welcomes all those who have come to the Pullman campus to share in ceremonies honoring the graduating class of 2010. To class members, the Class of 2010, the University extends sincere congratulations.

WSU enrolls 26,224 students statewide. This includes 18,354 undergraduates and 3,516 graduate and professional students learning at the Pullman and Spokane campuses or through distance education. At the Tri-Cities and Vancouver campuses, 4,354 undergraduate, graduate, and professional students are enrolled.

Commencement is the special occasion that provides public recognition of students' academic achievements. The transcript is the official document certifying the successful completion of specific academic requirements. The diploma is mailed after the ceremony.

The first WSU Commencement, held June 24, 1897, recognized eight students being advanced to degrees—three in engineering, one in biology, two in economics, and two in English. This followed a legislative act in 1895 empowering the college to grant

the usual academic and honorary degrees and issue diplomas.¹ With the construction of Bryan Hall in 1909, Commencement moved to the well-equipped Bryan Auditorium. Enrollment and the number of degree candidates increased over the years, and Commencement moved to Bohler Gymnasium following its construction in 1928. Following World War II and the burgeoning enrollment created by the return of students receiving veterans' benefits (G.I. Bill), Commencement was moved outdoors to Rogers Field in the football stadium (1949-1973). Because it was always possible that inclement weather would disrupt the ceremonies, it was necessary to duplicate arrangements in Bohler Gymnasium. However, only twice in those years—1954 and 1963—was it necessary to move the outdoor ceremony indoors. In 1973, with the completion of Beasley Performing Arts Coliseum, Commencement moved indoors permanently.

In 1986, the University's Commencement Committee recommended decentralizing Commencement to make the event more personal for graduating students. The WSU administration approved, and from 1986 through 1996, an All-University Commencement Assembly was held in the coliseum, and individual college ceremonies took place in the coliseum, Bohler Gymnasium, Bryan Auditorium, Compton Union Building Ballroom, and Hollingbery Fieldhouse. Beginning with the 100th Commencement in May 1996, the college ceremony times were changed to allow some to precede the All-University Assembly. In 1998, due in part to construction in Bohler, the administration approved a Commencement Committee recommendation to hold two ceremonies. Starting in 2000, a three-ceremony format (two ceremonies in the morning and one in the afternoon) was instituted. There was a historic Commencement change during the 2001-

The names of the degree recipients are called in random order as they approach the podium. Students will be viewed on big screens via video as they receive their diploma covers.

Appearance of a name in this program is presumptive evidence of graduation and graduation honors, but it must not in any sense be regarded as conclusive. Notation on the university transcript remains the official testimony of degree possession.

Names in this program include only those who have applied to graduate in May. Names are not necessarily representative of those attending the spring commencement ceremony. Names for August and December graduates appear in the fall program.

¹*Historical Sketch of the State College of Washington, 1890-1925*, by E. A. Bryan

2002 academic year. For the first time, WSU held two Commencements, one during fall semester (December 15, 2001) and the other during spring semester (May 11, 2002).

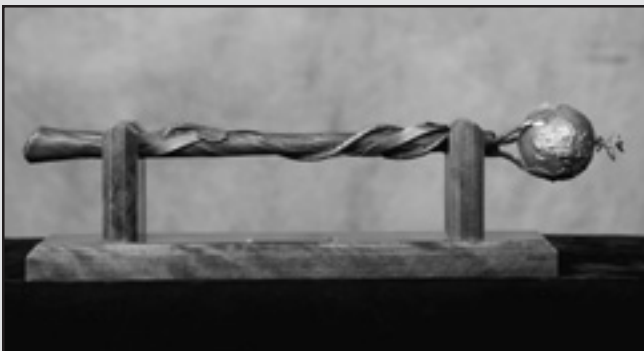

This is the University's one hundred and fourteenth spring ceremony. President Elson S. Floyd, WSU's tenth president, now presides over the ceremonies.

THE UNIVERSITY MACE

The University Mace, a traditional symbol of authority, will lead the faculty march today. The mace is carried by the chair of the Faculty Senate with an honor guard consisting of the presidents of the undergraduate and graduate and professional student associations. Michael Swan carries it today, accompanied by Derick En'Wzoh, president of the Associated Students of WSU, and Jason McConnell, president of the Graduate and Professional Student Association of WSU.

Created in 1985, the two-foot-long, nine-pound scepter is cast in silver and bronze and features a globe atop a laurel branch, wrapped in a silver ribbon and inscribed "Washington State University." According to designer and craftsman Tim Doeblner of WSU's Department of Fine Arts, "the globe represents the universality of education and the quest for knowledge. Laurel crowns were presented to academicians by the ancient Greeks."

The anvil on top of the globe is a symbol of forging and molding education, rather than forcing it upon students.

Washington State University Highlights, 2006–2010

2006

- The College of Business and Economics was renamed the College of Business by the WSU Regents. Changing the name reflects the impact of business on society and the environment at the state, national, and global levels. It also recognizes that, in 2005, the WSU College of Agricultural, Human, and Natural Resource Sciences became the academic home of the new School of Economic Sciences.
- In the 2005–2006 academic year, the WSU Cougars had a football and men's basketball "sweep" of the rival University of Washington Huskies. In fall 2005, WSU beat the UW in the annual Apple Cup football game. In the winter of 2006, the Cougars beat the Huskies in both basketball games. The last time the Cougars had such an academic year "sweep" of the Huskies was 1968–1969.
- Soon after the WSU spring 2006 commencement in May, the Compton Union Building closed for two years of renovation. It reopened in fall 2008. Many offices previously located in the CUB were housed in temporary locations across campus during the remodeling. The CUB originally opened in 1952.
- Carnegie Classification of Institutions of Higher Education ranks WSU as one of 94 public and private research institutions nationwide with very high research activity. Carnegie's recognition brings attention to WSU research and doctoral educational programs.
- Dr. Guy Palmer, a veterinary pathologist at Washington State University's College of Veterinary Medicine, was elected to membership in the National Academy of Science's Institute of Medicine (IOM). Election to this prestigious body is one of the highest honors for those in biomedical research and human health care.

2007

- Elson S. Floyd took office May 21 as the 10th president of Washington State University. Previously, he was president of the University of Missouri. He succeeded V. Lane Rawlins, who retired from the presidency, but remained on the WSU faculty and is serving as interim director of the William D. Ruckelshaus Center, a joint enterprise of WSU and the University of Washington.
- In research, a WSU team of physicists successfully completed the first experiments using the nation's premiere synchrotron X-ray facility to detect shock wave-induced changes in a crystalline material.
- WSU Regents renamed two Pullman campus buildings. Wilson Hall became Wilson-Short Hall, honoring James F. Short Jr., influential sociology professor, now emeritus. This building was first named for James Wilson, U.S. Secretary of Agriculture from 1897 to 1913. The Plant Biosciences Facility I became the Orville A. Vogel Plant Biosciences Building, named for one of WSU's great agricultural researchers.
- Work continued on major projects on campus in Pullman, including extensive renovation of the Compton Union Building (CUB) and Martin Stadium, home of WSU

Cougar football. Another project was transforming the 9-hole WSU Golf Course into WSU's Palouse Ridge Golf Club featuring a new 18-hole championship course and practice facility.

- Testing of an emergency siren and public announcement system on the Pullman campus took place. The system was created to alert and provide information to students, faculty, and staff in the event of a campus-wide emergency.
- For the first time since the 1993–1994 season, the WSU Men's Cougar basketball team, coached by Tony Bennett, made the NCAA national basketball tournament in Sacramento, California. WSU finished second in the Pac-10 Conference and had a 26-8 season record. Tony Bennett, who won numerous Coach of the Year honors, succeeded his father, Dick Bennett, who coached the Cougars for three seasons.
- During a national college football telecast on January 1, WSU's Butch the Cougar was announced as the Capital One Mascot of the Year. Butch edged Testudo, the University of Maryland mascot, in the championship round.

Biotechnology/Life Sciences Building

2008

- *Scientific American* named WSU reproductive biologist Patricia A. Hunt one of the top 50 researchers in the world. Her research shows a potential threat to human health posed by bisphenol A (BPA), a component of the polycarbonate plastics used to make food and beverage containers.
- The largest grant in WSU history—\$25 million from the Bill & Melinda Gates Foundation—will help construct a \$35 million building that is to become the centerpiece of the new WSU School for Global Animal Health.
- In April, pop music icon Elton John performed in two WSU Mom's Weekend concerts at Beasley Performing Arts Coliseum.
- Named for WSU's illustrious graduate Edward R. Murrow, the university's Murrow School of Communication became the Edward R. Murrow College of Communication on July 1. It had long been part of the College of Liberal Arts.
- The initial class of WWAMI (Washington, Wyoming, Alaska, Montana, Idaho) medical program students began classes at a new site, WSU Spokane. WSU's Pullman campus first had WWAMI students in 1972.
- The newly-renovated Compton Union Building and Martin Stadium opened for fall semester.
- Palouse Ridge Golf Club, an 18-hole championship-level golf course on the WSU campus, officially opened in August. Developed with private funding, the award-winning course is a transformation of the 9-hole WSU Golf Course.
- Washington State University received nearly \$156 million in new research grant awards during the 2007–08 fiscal year, an increase of about 16 percent from the previous year.
- Capping a challenging football season, the WSU Cougars, led by head coach Paul Wulff, defeated the Washington Huskies 16-13 in double overtime at Martin Stadium in the Apple Cup game.
- WSU's KTNW and KCTS 9 Seattle launched V-me, the first 24-hour Spanish-language channel distributed by public television stations.
- Roger O. McClellan, DVM, an expert in toxicology and human health risk analysis, is the 39th recipient of the Regents' Distinguished Alumnus Award.

- Viji Murali, vice president for information services and chief information officer, was selected as one of the "Premier 100 IT Leaders for 2009" in Computerworld magazine's December 8 issue.

2009

- In celebration of the 20th annual Festival of Contemporary Art Music at WSU, Fo-CAM's 2009 guest composer was WSU music faculty member Charles Argersinger, the festival's founding director.
- Douglas Epperson, formerly of Iowa State University, began serving as dean of the WSU College of Liberal Arts.
- WSU President Elson S. Floyd taught a graduate seminar in higher education administration this fall. During last spring's discussions on handling sharply declining state revenues, he decided to teach as he has done as president or vice president at the four other universities he has served.
- Michael D. Griswold, Regents Professor in the School of Molecular Biosciences and dean of the College of Sciences, was the ninth recipient of the WSU Eminent Faculty Award.
- Research teams at WSU were awarded more than \$15 million in U.S. Department of Agriculture grants for specialty crops such as tree fruit, wine grapes, and potatoes. They received nearly a third of the \$47.3 million awarded nationally, placing them among the top recipients.
- The WSU College of Business is outstanding, according to *The Princeton Review*, which featured the school in the 2010 edition of its book, *The Best 301 Business Schools*. And America's Best Colleges 2010 annual rankings by *U.S. News & World Report* list the WSU Writing Program among the nation's best.
- Dr. Dwight Damon, an orthodontic dentistry innovator, is the 40th Regents' Distinguished Alumnus Award honoree. An outstanding student and basketball and baseball athlete while at WSU, he is recognized internationally for developing the "Damon Bracket," a dental brace system that transformed the way orthodontists practice. He is a 1962 graduate in zoology.

2010

- Washington State University is ranked 10th among national universities by a prominent sustainability website for its developments in clean technology.
- The WSU Museum of Art, a member of the Washington Art Consortium, shared in an historic gift of Northwest art from the Safeco Insurance collection.
- WSU Pullman has the safest campus among the six public universities and colleges in the state of Washington, a report from StateUniversity.com shows.
- In the aftermath of a devastating January earthquake in Haiti, funds raised in a variety of ways by WSU students, faculty, and staff were donated in support of Haitian relief.
- Total water usage on Washington State University's Pullman campus in 2009 dropped to a level close to that of 1961, a 2010 announcement said. Reduced water consumption is attributed to a range of water conservation efforts.
- Washington State University's nationally recognized Honors College celebrated its 50th anniversary. The college is one of the oldest and most respected all-university programs for academically talented students.
- Bill Moos—WSU graduate, former Cougar football player, and former WSU Athletics administrator—was named WSU athletic director, succeeding Jim Sterk, who took the same position at San Diego State University. Moos is a former athletic director at the University of Montana and University of Oregon.
- "Ferdinand's Lane" is now the name of what was South Fairway Road on the Pullman campus. It leads from Stadium Way to Ferdinand's Ice Cream Shoppe and the WSU Creamery.
- On May 8, 2010, one of the best groups of students ever in the history of Washington State University graduated during the 114th spring commencement ceremony in Beasley Coliseum.

Craig Juntunen
Founder
Chances for Children

8:30 a.m. Ceremony

Entrepreneur, philanthropist, and football player Craig Juntunen earned a bachelor's degree in political science at the University of Idaho, where he was a quarterback. Upon completion of his degree, he played professionally in the Canadian Football League. Juntunen has been inducted into the University of Idaho Hall of Fame and the Idaho Athletic Hall of Fame.

He later started his business career in Silicon Valley, where he ran a human capital company for 18 years. The company employed over 150 people and had four national locations. He sold the business in 1995 and, with his wife Kathi, started the Juntunen Foundation, a private family foundation.

In 2003 Juntunen joined the football staff at Arizona State University as director of player development and assistant to the head coach. During his three seasons with ASU his responsibility was to provoke positive change and transform the organization through interactions with the players and the staff as a success coach.

As an advocate for international adoption, Juntunen also founded Chances for Children in 2006, a public foundation dedicated to addressing the orphan epidemic in Haiti. He and his wife have adopted three children from Haiti—Amelec, Esperancia, and Quinn—an experience he wrote about in his book *Both Ends Burning: My Story of Adopting Three Children from Haiti* (Outskirts Press 2009).

Mickey S. Urdea
CEO and Chair
Tethys Bioscience Inc.

11:30 a.m. Ceremony

Mickey Urdea, co-founder, chairman, and chief executive officer of Tethys Bioscience, is a WSU alumnus who received his doctoral degree in biochemistry.

In the early 1980s, Urdea was one of the first employees at Chiron, where he directed the nucleic acids chemistry group and began the molecular diagnostics efforts. He led the development of quantitative RNA and DNA assays, including the introduction of the first HIV and HCV viral load tests. He became head of the nucleic acid diagnostics business unit at Chiron.

In 1998, he joined Bayer Diagnostics as senior vice president of nucleic acid diagnostics and acting chief scientific officer of Bayer Diagnostics. He left Bayer in 2000 and co-founded Tethys Bioscience in 2002.

A published author of more than 185 articles and book chapters, Urdea is also an inventor and has more than 100 issued and pending patents.

Lisa Cohen
Executive Director
Washington Global
Health Alliance

3:00 p.m. Ceremony

Lisa Cohen is the executive director of Washington Global Health Alliance, a coalition of the state's leading global health organizations.

Cohen's career includes 25 years in journalism as a newsroom manager for Seattle television affiliates KOMO, KING, KIRO, and KCPQ, and as a freelance documentary and special projects producer for the CBS shows *60 Minutes* and *The Early Show*. She has also taught journalism as an adjunct professor at the University of Washington, where she earned degrees in broadcast journalism and international communications.

She serves on the Washington Biotechnology and Biomedical Association Board, the Chancellor's Advisory Committee for the Seattle Central Community Colleges, and advisory boards for Global Washington, Seattle Biomed's BioQuest program, the Queensland-Washington Alliance, and Global Health Nexus, Seattle.

Cohen has also served as interim executive director for Seattle CityClub and as communication advisor for Governor Christine Gregoire during the 2004 election.

Master's Degree

The following candidates will be presented by Vice President of Research and Dean of the Graduate School Howard Grimes.

MASTER OF SCIENCE IN AGRICULTURE

Donovan Mitchell Hellinger
B.S., University of Idaho

Zak A. Kennedy
Mead
B.A., Washington State University

Travis Carey Parsons
Garden City, Kansas
B.S., Kansas State University

Angela Senter
Palouse
B.S., Washington State University

MASTER OF SCIENCE IN ANIMAL SCIENCES

Tracy E. Quirk
Longview
B.S., Western Washington University

MASTER OF SCIENCE IN ARCHITECTURE

Patrick McCord
Deer Park
B.S., University of Oklahoma

MASTER OF SCIENCE IN BIOLOGICAL AND AGRICULTURAL ENGINEERING

Luis Bastarrachea
Mexico City, Mexico
B.S., Instituto Tecnológico y de Estudios Superiores-Monterrey

Shi-Shen Liaw
Taipei, Taiwan
B.S., National Pingtung University of Science and Technology

Tamara L. Mobbs
Pullman
B.S., Washington State University

Pallavi Ramkrishna Mohekar
Mumbai, Maharashtra, India
B.Tech., University of Mumbai

Xiaochen Yu
Wuhan, Hubei, China
B.S., Huazhong University of Science and Technology

Yubin Zheng
Leshan, Sichuan, China
B.S., Huazhong University of Science and Technology

MASTER OF SCIENCE IN BOTANY

Bryan Carlson
Northport
B.S., University of Alaska Fairbanks

Sarah J. Jacobs
Clarksville, Arkansas
B.S., University of Arkansas

BreAnne M. Nott
Hudson, Illinois
B.S., Eastern Illinois University

MASTER OF SCIENCE IN CHEMICAL ENGINEERING

Brian P. Esparza
Kennewick
B.S., Washington State University

Sarah Jean Haarsma
Portland, Oregon
B.S., Oregon State University

Alana Riste
Sitka, Alaska
B.S., Washington State University

MASTER OF SCIENCE IN CHEMISTRY

Chad R. Weisbrod
Stevens Point, Wisconsin
B.S., University of Wisconsin-Stevens Point

Natalia Leonidovna Zakharova
B.S., University of Washington

MASTER OF SCIENCE IN CIVIL ENGINEERING

Fred James Barker
Spokane Valley
B.S., Washington State University

WWAMI Medical Education Program

The following WSU WWAMI students, listed with their area of specialization for residency training, are to receive Doctorate of Medicine degrees from the University of Washington School of Medicine following completion of training at both WSU Pullman and UW Seattle.

Marisa (Bebie) Alunni Obstetrics-Gynecology	Rachael Edwards Radiology-Diagnostic	Erin Seifert Obstetrics-Gynecology	Kevin Wherry Medicine-Pediatrics
Erica Ashenbrenner Emergency Medicine	Surafel Gezahegne Internal Medicine	Jacob Stanfield Orthopaedic Surgery	Tahir Zaman Internal Medicine
Brian Birch Pediatrics	Kim Hoang Le Internal Medicine	Karna Sundsted Internal Medicine	
Camille Connelly Research	Flordeliza Lilagan Internal Medicine	David Timme Otolaryngology	
Nathaniel Crumet Internal Medicine	Jessica Meznarich Pediatrics	Mathew Westmark Family Medicine	

The WWAMI (Washington, Wyoming, Alaska, Montana, Idaho) Medical Education Program is offered in partnership with the University of Washington School of Medicine and host universities throughout the five-state regional system. Students from Washington complete their first year of medical training at the University of Washington, WSU Pullman, or WSU Spokane and complete the remainder of their medical training in Seattle, Spokane, eastern Washington, or training sites throughout the WWAMI region. The WSU Pullman WWAMI program is offered jointly with the University of Idaho WWAMI program and offers first-year medical students the opportunity to train with the combined biomedical faculties and the teaching, research, and training facilities on both campuses. WSU WWAMI students also complete their first clinical training rotations with local physicians, clinics, and hospitals in Pullman and Moscow.

Candidates for Baccalaureate Degrees

Names in this program include only those who have applied for a May 2010 graduation date.
Names are not necessarily representative of those attending the spring commencement ceremony.

Graduation with Academic Honors

Students in the class of 2010 who have demonstrated exceptional academic performance may graduate as members of one of the following categories:

SUMMA CUM LAUDE: Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average of 3.90 or better.

MAGNA CUM LAUDE: Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average between 3.70 and 3.89.

CUM LAUDE: Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average between 3.50 and 3.69.

HONORS COLLEGE: Graduates who have participated in the Honors College and satisfied the college's requirements receive certificates of completion and wear the Honors College Medallion.

HONOR SOCIETIES: Washington State University students may be selected to join, within their disciplines, one or more of 19 honor societies and any of seven honor societies across academic disciplines, including one freshman honor society. The honor societies to be recognized at the University Commencement ceremonies are:

Alpha Epsilon Rho, Alpha Kappa Delta, Alpha Kappa Psi, Alpha Phi Sigma, Alpha Theta Delta, Alpha Zeta, Beta Alpha Psi, Beta Gamma Sigma, Kappa Delta Pi, Mortar Board, Mu Phi, Omicron Delta Kappa, Order of Omega, Phi Alpha Theta, Phi Beta Kappa, Phi Delta Kappa, Phi Kappa Kappa, Phi Kappa Phi, Phi Sigma Alpha, Phi Sigma Iota, Psi Chi, Rho Chi, Rho Nu, Sigma Tau Delta, Sigma Theta Tau International, and Tau Beta Pi.

The Star Spangled Banner was ordered played at military and naval occasions by President Woodrow Wilson in 1916, but was not designated the national anthem by an Act of Congress until 1931. The words were written in 1814 by Francis Scott Key, who had been inspired by the sight of the American flag still flying over Fort McHenry after a night of heavy British bombardment. The text was immediately set to a popular melody of the time. At almost every occasion, only the first verse is sung.

The Star Spangled Banner

*Oh, say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?*

*On the shore, dimly seen through the mists of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze, o'er the towering steep,
As it fitfully blows, now conceals, now discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected now shines on the stream:
'Tis the star-spangled banner! O long may it wave
O'er the land of the free and the home of the brave.*

*And where is that band who so vauntingly swore
That the havoc of war and the battle's confusion
A home and a country should leave us no more?
Their blood has wiped out their foul footsteps' pollution.
No refuge could save the hireling and slave
From the terror of flight, or the gloom of the grave:
And the star-spangled banner in triumph doth wave
O'er the land of the free and the home of the brave.*

*Oh! thus be it ever, when freemen shall stand
Between their loved homes and the war's desolation!
Blest with victory and peace, may the heaven-rescued land
Praise the Power that hath made and preserved us a nation.
Then conquer we must, for our case it is just,
And this be our motto: "In God is our trust."
And the star-spangled banner forever shall wave
O'er the land of the free and the home of the brave!*

WASHINGTON, MY WASHINGTON

*Washington, My Washington
The Crimson and the Gray,
'Tis the songs of memory
That we sing today,
When the sad hours come to you
And sorrows 'round you play,*

*Just sing the songs of
Washington
The Crimson and the Gray,
Just sing the songs of
Washington
The Crimson and the Gray.*
