Graduate School Application for Admission to
NEXus Student Application
Undeclared Graduate Classification

1. Applicants for undeclared graduate admission should make every effort to complete the application no less than one month prior to the beginning of the semester or summer session for which they wish to register.

2. This classification is for potential graduate students who appear either just prior to or during registration and have not fulfilled the application requirements. Under this classification, students are processed immediately, and would be subject to the following:

   a. Required to pay graduate fees.
   b. Permitted to enroll in courses only with permission of the instructor and the department offering the courses. Some departments do not allow undeclared graduate students to register in their courses. Students who register without departmental approval may be disenrolled.
   c. Permitted to remain in this classification for only one calendar year.
   d. Permitted to apply up to 12 hours of undeclared graduate credit with a grade of “B” or higher and which are allowable on a program of study, to the graduate degree and graduate certificate requirements after admission by the Graduate School to a degree program. Use of undeclared credits will be held to the usual time restrictions for program completion. Please see Graduate School Policies and Procedures Manual.

3. A separate application for admission is required if the student wishes to pursue an advanced degree. It should be noted that students who enroll under undeclared graduate status may or may not choose to complete applications to the Graduate School. Further, they will have no guarantee that they will be accepted if they apply.

4. Domestic Transcripts are not required for undeclared status graduate admission.

5. STUDENTS CLASSIFIED AS UNDECLARED GRADUATE STATUS ARE NOT ELIGIBLE FOR FINANCIAL AID.
