ALMA MATER

Washington, my Washington,  
the Crimson and the Gray!

'Tis the songs of memory  
that we sing today.

When the sad hours come to you  
and sorrows 'round you play,

Just sing the songs of Washington,  
the Crimson and the Gray!

Just sing the songs of Washington,  
the Crimson and the Gray!

GRADUATE RECOGNITIONS AND DEGREE AWARDS

CLOSING
To the spring graduates of the Class of 2022,

On behalf of your student government, the Associated Students of Washington State University Global (ASWSUG), congratulations on reaching the incredible milestone of graduating from Washington State University!

You are here after partaking in a years-long college journey—one teeming with struggles, successes, and self-discovery—for which we now pause to reflect upon and celebrate. Your hard work, dedication, and perseverance have brought you to this moment, and we applaud you for this remarkable accomplishment.

Carry your degree with the pride your efforts have merited. You deserve it!

As your mind surges with recollections of your classes, student involvement endeavors, research opportunities, and other facets of your WSU experience, we encourage you to manifest the well-rounded insight and knowledge you’ve gained, letting it guide you as you make your contributions to the world.

Here on the Global Campus, we pride ourselves on the diverse array of our students. You represent not just Washington state, but the United States and the world. You come from many different places, cultural backgrounds, living situations, and stages of life.

No matter which city you reside in, which decade you were born, nor which language you speak, you are a WSU Cougar. You are adaptable and resilient—as your path to graduation today has shown—and you are well-equipped for the challenges ahead.

Commencement is not really the “end” of a journey, so much as it is a waypoint along a greater journey. Many paths now spread out before you. You may know exactly which of those paths you are taking next, or you may be at a crossroads, weighing different paths before choosing which one to go down.

Whichever path you choose, you will always be able to trace it back to here, back to your time at WSU, and draw upon the skills and knowledge you’ve gained—the person you’ve become—to take your next steps with confidence and grace. We encourage you to remain engaged with your fellow Cougs as active alumni and stay connected with friends and faculty who meaningfully impacted your experience. Your time at WSU may be over, but your time as a WSU Cougar is not. That stays with you.

Once again, congratulations on your academic and extracurricular achievements. AWSUG wishes you the best of luck moving forward. Go you!

Nolan Thomaswick, ASWSUG President
Chelsea Rollins, ASWSUG Vice President
CONGRATULATIONS ON YOUR ACCOMPLISHMENTS!

Congratulations, Class of 2022, on completing the requirements for an academic degree from Washington State University. It is an honor to celebrate the outstanding achievements that brought you to this pivotal moment.

I salute your efforts, as well as those of everyone who helped you reach this milestone. In the face of COVID-19, you demonstrated the resiliency and can-do attitude that Cougs are known for worldwide. You adapted, persevered, and stayed focused on the ultimate prize of earning a degree.

Now, and with the mentoring of the entire WSU community and the support of your family and friends, you have completed a monumental learning journey. Take time to celebrate this life-changing accomplishment.

As you join a Cougar alumni community that spans the globe, I encourage you to remain involved with your alma mater. As you know, “Once a Coug, always a Coug.” Going forward, you’ll find that your WSU friends, colleagues, and Coug alums always have your back—both professionally and personally.

Best wishes, and Go Cougs!

Kirk H. Schulz, President
Washington State University

WSU PRESIDENT KIRK SCHULZ

Kirk Schulz became the 11th president of WSU and a tenured professor in the Gene and Linda Voiland School of Chemical Engineering and Bioengineering on June 13, 2016, after a seven-year tenure as the president of Kansas State University. President Schulz has made a remarkable impact while serving as WSU’s chief executive. The milestones achieved under his leadership include record student enrollment, record research and development expenditures, the addition of new academic degree programs to meet state needs, and the continued growth of the Elson S. Floyd College of Medicine, which graduated its first class of students in May 2021, marking another major achievement in the university’s efforts to change the face of health care in Washington.
Dear Global Campus Graduates,

It gives me great satisfaction to congratulate you all on your incredible accomplishment. I also want to thank you for joining us for WSU Global Campus’s first ever in-person commencement ceremony. I’m very excited for this opportunity to meet you all and share in the celebration of your achievement.

I urge you to fully embrace the significance of what you are being recognized for today. Graduation represents the culmination of years of hard work and perseverance, and you should be very proud of your success. Alongside the immense value your degree will bring to your life and career, you are also now a part of a welcoming and supportive network of thousands of Coug alumni that spans the globe. I’m proud to be among the first to welcome you into the fold.

I want to remind you that you will also forever be a part of the enduring legacy of WSU Global Campus. Global Campus Cougs come from varied backgrounds and walks of life—many with children, working full- or part-time jobs, actively engaged in their communities, and even serving in the military. Your diverse, lived experiences and perspectives contribute immeasurably to the welcoming culture and academic depth of our worldwide community of learning. I thank you for your unique contributions and for being an active part of this very special family.

The legacy that you all share comes into especially sharp focus this year as we celebrate the 30th anniversary of WSU Global Campus. For three decades, students have worked diligently to achieve academic success all while engaging with, contributing to, and building a vibrant student community. Throughout that time, our campus has remained a nationwide leader in online education, and we will continue to grow and innovate as we look to the future. You all are a principal part of that success.

Again, I want to congratulate you on your great achievement and wish you, and your friends and families, a joyous day of celebration. You deserve it.

Sincerely,

Dave Cillay,
Chancellor, WSU Global Campus
ACADEMIC REGALIA AND SYMBOLS

The academic regalia worn by graduating students—caps, gowns, and hoods—are part of a tradition that reaches back nearly 900 years to a time when universities were first being formed.

A statute from the year 1321 required all doctors, licentiates, and bachelors to wear academic gowns and hoods. These accoutrements denoted the wearer’s special status in a time when education was an extraordinary achievement. They had a practical side, too: gowns and hoods kept scholars warm in unheated medieval buildings.

Today, after receiving a charter, new institutions adopt a distinctive design for their own academic attire—yet these designs also follow a common code. In May 1895, an intercollegiate commission met at Columbia University to establish a uniform code for academic regalia that has been followed by US colleges and universities ever since.

GRADUATION WITH ACADEMIC DISTINCTION

Students who have demonstrated exceptional academic performance are wearing the WSU custom honor cord of crimson and silver. These students may graduate with one of the following distinctions:

**SUMMA CUM LAUDE:** Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average of 3.90 or better.

**MAGNA CUM LAUDE:** Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average between 3.70 and 3.89.

**CUM LAUDE:** Candidates for baccalaureate degrees who have completed at least 30 hours of graded work at Washington State University with a cumulative grade point average between 3.50 and 3.69.

CELEBRATING

2022

THE CLASS OF 2022
ALMA MATER

Washington, my Washington, the Crimson and the Gray!

‘Tis the songs of memory that we sing today.

When the sad hours come to you and sorrows ‘round you play,

Just sing the songs of Washington, the Crimson and the Gray!

Just sing the songs of Washington, the Crimson and the Gray!
