

# Civic Engagement in Sustainable Food Systems

# AFS 250

Spring 2015  
2 credits

- What is a sustainable, healthy food system?

- Every major, profession, and walk of life can help build it!

## Class includes

- ✓ 5-day field trip across Washington State (during WSU Spring Break)
  - Farms
  - Businesses
  - Government
  - Communities
- ✓ Leadership training
  - Social Change Model of Leadership
- ✓ Exploration of your own professional track
- ✓ Inspiration: Find Your Motivation
- ✓ Information: Knowledge to Back You Up
- ✓ Perspiration: Hands-On Learning

**Past students have said:** *"Theorizing does not do justice to seeing and feeling the philosophy behind socially, environmentally, and economically responsible systems."*

## No Prerequisites

**Everyone** interested in community food, sustainable agriculture, or organic farming is encouraged to enroll.

## **Schedule:**

Wednesdays 4:10-5pm through Spring semester

Saturday – Wednesday of Spring Break (March 14-18, 2015)
