Notes

¹ The S&A Committee has proposed a 2% increase for FY09-10. The S&A Fee rate for 2010-2011 will not be determined until spring 2010.

² This rate is for the Master of Business programs on the Pullman campus. Students enrolled in the MBA programs at WSU Tri-Cities and WSU Vancouver, as well as students completing the legacy MBA program in Pullman, will continue to pay the regular graduate student tuition rate.

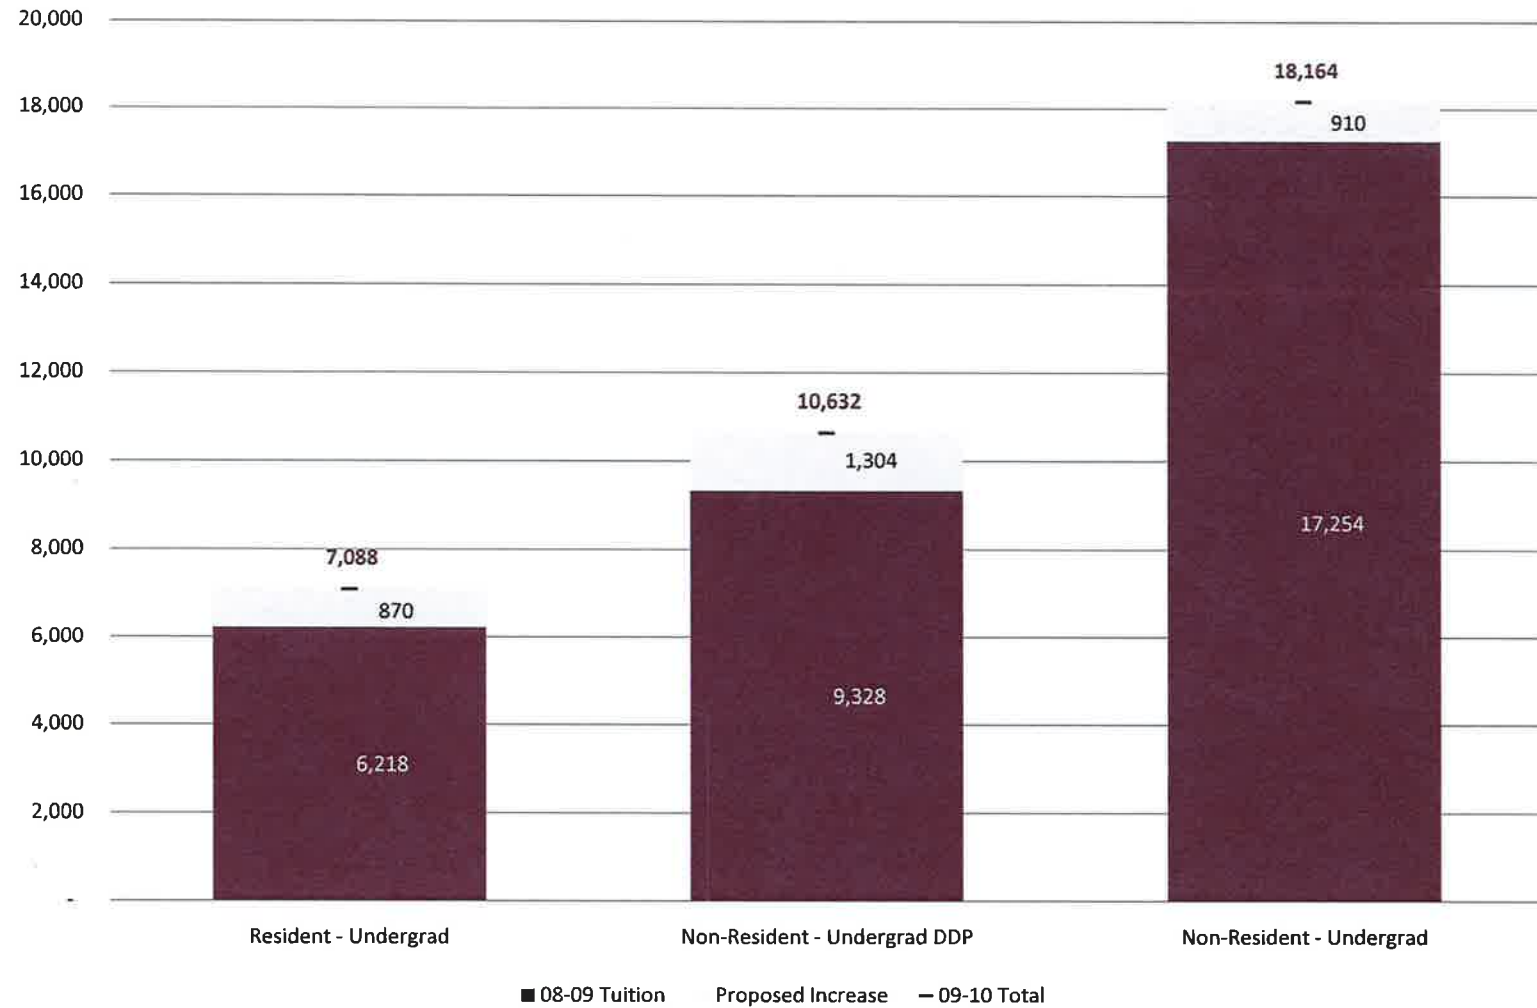

³ Students continually enrolled in the Masters of Nursing program since 2004-2005 academic year pay a lower transitional rate as they complete their programs. For 2009-2010 building + operating rates are \$10,700 for resident students and \$24,364 for non-resident students.

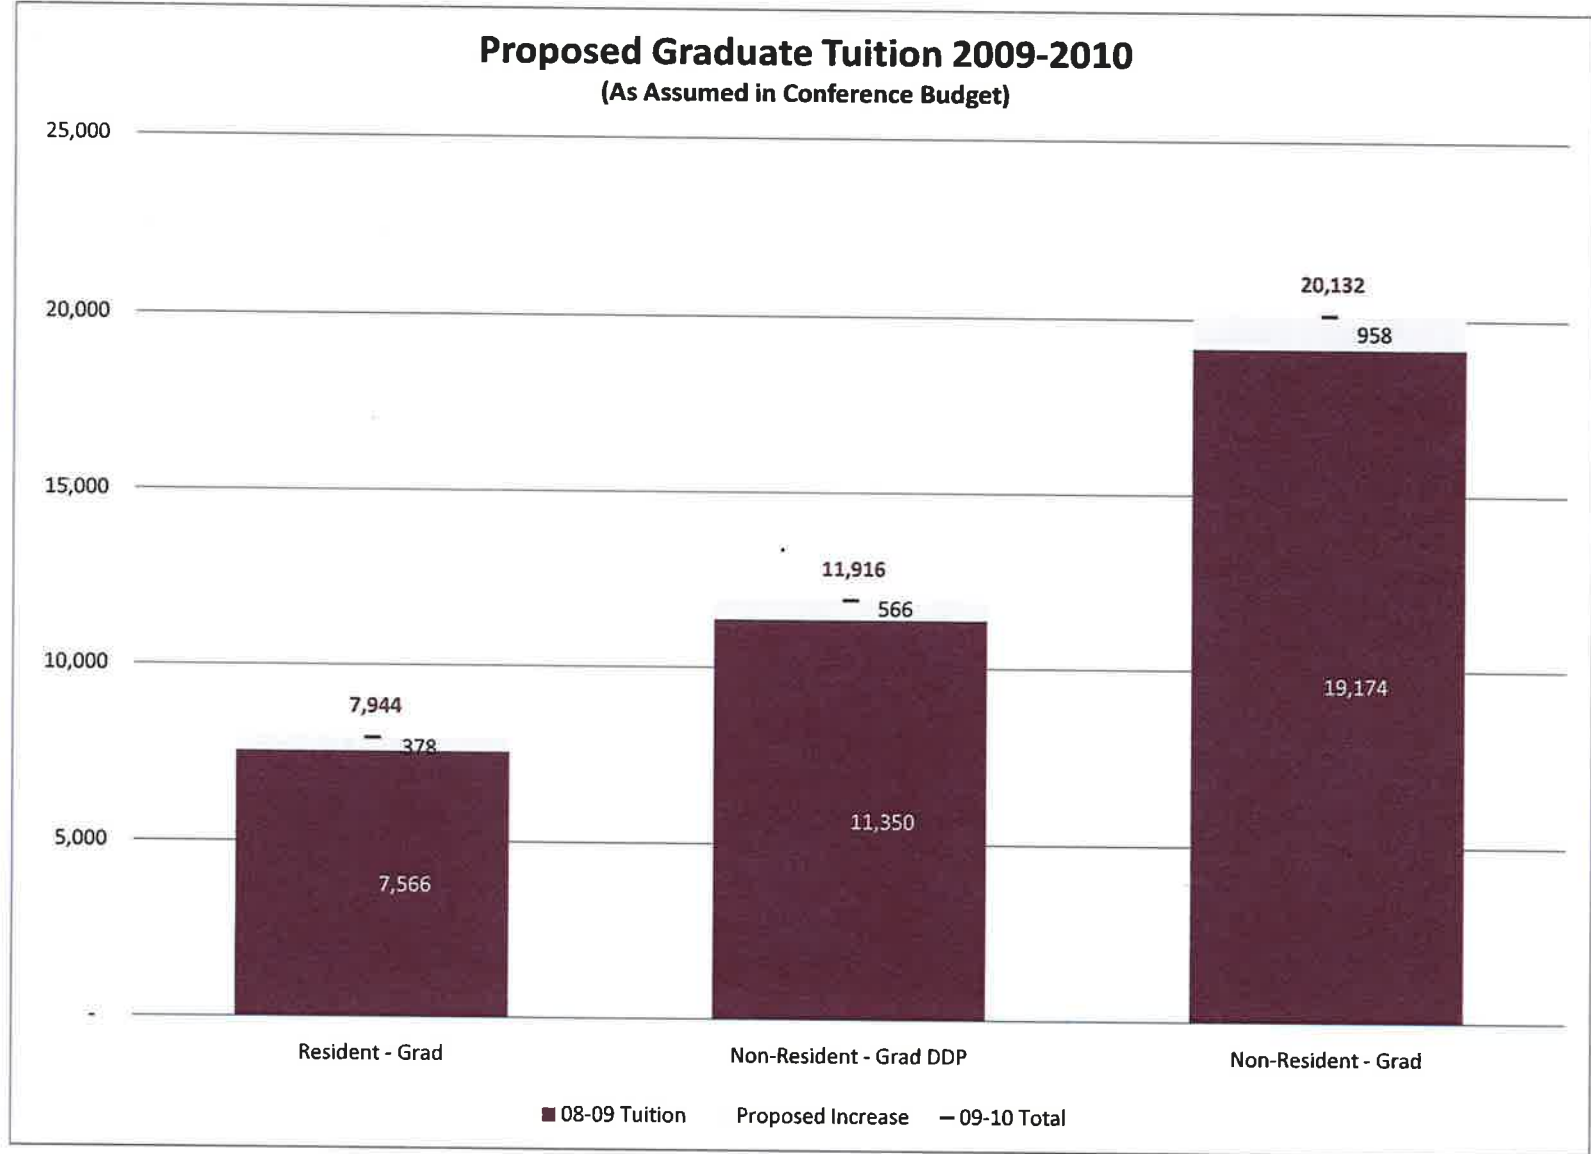

⁴ Under a memorandum of understanding between WSU and UW, students attending the first year of medical school in Seattle, Pullman or Spokane will pay the same total tuition and enrollment fees. These rates will be set by the University of Washington for the medical school.

* Total 2010-2011 costs will increase slightly when the FY2011 S&A Fee rate is determined (spring 2010)
