2005	M.A., Educational Administration Washington State University
1994	B.S., Agricultural Education Washington State University
1991	A.A., Agriculture Sciences Walla Walla Community College

Professional Experience

2011 – Present	Teaching Associate Professor in Agricultural Education / Agricultural Technology and Management Department of Crop and Soil Sciences, Washington State University. <i>My primary responsibilities include teaching courses in mechanics that focus on welding, conventional machining, and small engines maintenance and repair. Additionally, I instruct courses that focus on training pre-service agricultural educators. My main emphasis area is basic mechanics and shop safety, but I also emphasize professionalism, lesson planning, pedagogy, and pre-service teacher self-reflection. I advise students who are seeking a degree in Agricultural Education.</i>
2009 – 2011	Principal at Whitman Elementary (Preschool-Grade 6) Lewiston Public Schools #1, Lewiston, ID
1999 – 2009	Agricultural Education Teacher / FFA Advisor (Grades 9-12) Pomeroy School District #110, Pomeroy, WA
1994 – 1999	Agricultural Education Teacher / FFA Advisor (Grades 9-12) Mount Baker School District #507, Deming, WA

Grants, Awards, and Donations

2025	Principal contact and investigator Curriculum for Agriculture Science Education (CASE) grant. <i>"CASE grant for WSU Agricultural Education"</i> . Awarded: \$40,000
2024	WSU Agricultural Education Club CAHNRS Teaching Award
2023	Principal contact and investigator Curriculum for Agriculture Science Education (CASE) grant. <i>"CASE grant for WSU Agricultural Education"</i> . Awarded: \$40,000
2023	District V Outstanding Service to Agricultural Education Award
2021	Omnibus Equipment Capital Purchase Awards granted for use in teaching AGTM 201 and AGTM 402 courses. MIG and TIG equipment updates \$55,000 and a Plasma cutting system \$34,000. Update dollars totaling \$89,000.
2017	Principal contact and co-investigator Curriculum for Agriculture Science Education (CASE) grant. <i>"CASE non-consumables grant for WSU Agricultural Education"</i> . Awarded: \$27,000
2017	Co-investigator for USDA-NIFA grant. <i>"Identify and utilize drought tolerant wheat germplasm lines in improving water use efficiency of cultivated bread wheat"</i> . Not awarded: \$5,199,999.00
2017	Principal contact and investigator for acquisition of 350 Briggs and Stratton short blocks for distribution to regional Agricultural Education teachers. The value of this donation to teachers from Briggs and Stratton to Washington State University was \$54,155.
2017	Excellence in Advising Award nomination
2016	Faculty recognition by WSU Football team for excellence in teaching (tour of football operations, met with team, watched practice, met with athletics advisors, and attended a game).
2016	Principal contact and investigator for acquisition of 396 Kohler vertical shaft engines for distribution to Washington Agricultural Education teachers. The value of this donation to teachers from Kohler to Washington State University was \$99,000.
2015	Principal contact and investigator for acquisition of 475 Briggs and Stratton short blocks for distribution to Washington Agricultural Education teachers. The value of this donation to teachers from Briggs and Stratton to Washington State University was \$73,500.
2015	Principal contact and investigator for acquisition of 5 Briggs and Stratton short blocks for instruction of AGTM 310 (Outdoor Power/Small Gas Engines). The value of this donation from Briggs and Stratton to Washington State University was \$770.

2014	Principal contact and investigator for acquisition of 130 Briggs and Stratton engines for distribution to Washington Agricultural Education teachers. The value of this donation from Briggs and Stratton to Washington State University was \$72,670.
2014	Principal contact and investigator for acquisition of 30 Briggs and Stratton engines for instruction of AGTM 310 (Outdoor Power/Small Gas Engines). The value of this donation from Briggs and Stratton to Washington State University was \$15,970.
2013	Principal contact and investigator for acquisition of 192 Briggs and Stratton engines for distribution to Washington Agricultural Education teachers. The value of this donation from Briggs and Stratton to Washington State University was \$35,000.
2013	Co-authored successful grant application submitted to Washington State FFA Foundation and Lincoln Electric Company for LaCrosse High School. The value of this grant was \$600 for a SP 140T MIG Welder.
2012	Principal contact and investigator for acquisition of a variety of cutters, arbors, grinding stones, and machining equipment from Columbia Basin College (CBC). The value of this donation from CBC to Washington State University was \$2,500.
2012	Principal contact and investigator for acquisition of 25 Kohler engines for instruction of AGTM 310 (Outdoor Power/Small Gas Engines). The value of this donation from Kohler Company to Washington State University was \$8,125.
2012	District VI Outstanding Service to Agricultural Education Award

Service

Committees – Department of Crop and Soil Sciences

2025	Member, Search Committee for Washington FFA Foundation Executive Director
2024 – Present	Coordinator, State FFA Agricultural Tools and Materials Career Development Event in Yakima, WA
2022 – Present	Coordinator, State FFA Agricultural Technology and Management Career Development Event in Yakima, WA
2022 – Present	Coordinator, State FFA Creed Leadership Development Event
2023 – 2025	Ensminger Pavilion Task Force Committee
2023 – 2024	CAHNRS Internship Handbook Update Committee
2022 – 2023	Chair, Career Guidance Committee – Tadd Wheeler
2020 – 2021	Member, Career Guidance Committee – Cathy Perillo
2019 – 2020	Chair, Search Committee for Teacher Assistant Professor of Agricultural Technology and Mechanization – Hired Tadd Wheeler during the summer of 2020
2017 – 2018	Member, Search Committee for Assistant/Associate Professor of Agricultural Education
2014 – Present	Member, Department of Crop and Soil Sciences Scholarship Selection Committee
2012 – Present	Coordinator, State FFA Agronomy Career Development Event at WSU
2012 – Present	Coordinator, State FFA Convention Events at WSU

2011 – Present	Faculty Advisor, Agricultural Education Club, WSU
2014	Member, Search Committee for Assistant/Associate Professor of Agricultural Education
2013	Chair, Search Committee for Assistant/Associate Professor of Agricultural Education <u>Committees – College of Agricultural, Human, and Natural Resource Sciences (CAHNRS)</u>
2017	CAHNRS Student Awards Committee – Outstanding Junior in Human Sciences
2016	CAHNRS Faculty Internship Review Board
2013 – 2014	CAHNRS Scholarship Selection Committee
2012	Aggie of the Year Selection Committee
2012	Search Committee for AFS/IPS Academic Program Coordinator
2012	Search Committee for MS in Agriculture Academic Program Coordinator <u>Committees – College of Education</u>
2023 – Present	Teacher Education Committee
2015 – Present	College of Education Master’s in Teaching Admission Committee
2013 – 2020	Teacher Education Committee
2013 – Present	College of Education Teacher Admission Committee <u>Committees – Voiland College of Engineering and Architecture</u>
2014 – Present	Assistant Building Coordinator for Engineering Laboratory Building 900 <u>Recruitment – CAHNRS and Agricultural Education</u>
2011 – Present	High school visitations and contact with Agricultural Educators
2011 – Present	Phone contact, e-mail, and provide recruitment letters to potential agricultural education majors via CAHNRS recruitment leads <u>Committees – Office of Superintendent of Public Instruction</u>
2024	Professional Educator Standards Board – Educator Credentialing Work Group with Dr. Anna Warner. Updating state agricultural education assessment for teaching certification in Washington state.

Workshops

2024	Coordinator for WSU/WAAE Teacher In-service symposium <i>I served as the lead for an in-service offering in Centralia, Washington on June 21. The Baser vitae 5</i>
------	--

Stihl use and safety in-service had 10 participants who learned about Stihl maintenance and troubleshooting from a certified Stihl trainer. Participants received both Bronze and Silver Stihl certification.

- 2024 Curriculum for Agricultural Science Education (CASE) Small Gas Engines BriefCASE. Coordinator and host. 12 participants at WSU.
- 2024 Curriculum for Agricultural Science Education (CASE) Agriculture Food and Natural Resources (AFNR) training. Coordinator and host. 12 participants at WSU. CASE Environmental Science Issues (ESI) training. Coordinator and host. 14 participants at WSU. Collaborated with Dr. Anna Warner (WSU Ag Ed) to sponsor these teacher trainings.
- 2023 Coordinator for WSU and Spokane Community College Welding Bootcamp. *I served as the lead contact and organizer for a TIG, MIG, Arc welding in-service with 24 participants.*
- 2023 Curriculum for Agricultural Science Education (CASE) Small Gas Engines BriefCASE. Coordinator and host. 21 participants at WSU.
- 2022 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for an in-service offering in cattle artificial insemination at All West Select Sires in Eltopia, Washington. Four AI clinicians worked with 10 agricultural educators. This was a one-day in-service at Ruby Ridge Dairy.
- 2021 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for an in-service offering in Whatcom and Skagit counties, Washington. The forest practice and industry in-service had 16 participants who learned about forest site maintenance and toured industry timber facilities over two days. This was a collaborative training with Andy Perleberg from WSU Forestry Extension.
- 2021 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for an in-service offering in cattle artificial insemination at All West Select Sires in Burlington, Washington. Due to COVID enrollment was low at two students. This was a one day in-service at the Select Sires office and then at Coldstream Farms in Acme, Washington.
- 2019 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for an in-service offering in Omak, Washington on June 21 and 22. The Stihl use and safety in-service had 18 participants who learned about Stihl maintenance and troubleshooting from Stihl training professionals on day one. Day two included on site chainsaw safety and felling practices. This was a collaborative training with Andy Perleberg from WSU Forestry Extension.
- 2018 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for an in-service offering at Columbia Basin Technical Skill Center on

June 23. Small Gas Engines had 16 participants who were allocated 350 Briggs and Stratton short blocks. Participants used the curriculum I developed to completely disassemble and reassemble short blocks.

- 2017 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for an in-service offering at Columbia Basin Technical Skill Center on June 24. Small Gas Engines had 21 participants who were allocated 377 Kohler vertical shaft engines. Participants used the curriculum I developed to completely disassemble and reassemble new engines.
- 2016 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for in-service offering at Walla Walla Community College and Columbia Basin College on June 23-24. Small Gas Engines had 13 participants who were allocated 450 Briggs and Stratton short blocks and a complete disassembly and reassembly curriculum. The machining and welding in-services I coordinated at Columbia Basin College had 18 participants.
- 2015 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for in-service offering in Bremerton on June 26-27. Small Gas Engines had 11 participants who were allocated 125 Briggs and Stratton engines and a complete disassembly and reassembly curriculum.
- 2014 Coordinator for WSU/WAAE Teacher In-service symposium
I served as the lead for in-service offering at WVC campus on June 27-28. Meats Career Development Event training had 12 participants.
- 2013 Coordinator for WSU/WAAE Teacher In-service symposiums
I served as the lead for in-service offering at WSU campus on June 21-22. Small Gas Engines had 12 participants who were allocated 192 Briggs and Stratton engines. Pork 300 had 22 participants.
- 2012 – 2013 Blue Mountain Principals Association In-service Coordinator
I served as the lead organizer for State Standard, SolidWorks, and industry contact workshop and field day.
- 2012 Coordinator for WSU and Bellingham Technical College Tungsten Inert Gas (TIG) Welding Bootcamp
I served as the lead contact and organizer for a TIG welding in-service with 17 participants.

Meetings, Conferences, Seminars, Courses

- 2011 – 2023 Washington Association of Agricultural Educators (WAAE) Fall Executive Meeting*
- 2012 – 2023 Washington Association of Agricultural Educators (WAAE) Spring Executive Meeting*
- 2012 – 2023 Washington Association of Agricultural Educators (WAAE) Summer Conference*

- 2022 National FFA Convention in Indianapolis. CAHNRS recruitment. Judged National FFA Creed Leadership Development Event for Washington FFA
- 2013 Support Personnel, National FFA Convention Agronomy Career Development Event

Continuing Education

- 2024 Building Coordinators Training
- 2024 Activities Insight Training
- 2022 Advising Training – Reinstatement for Students
- 2020 ZOOM and Panopto training and full implementation in all courses taught
- 2019 CANVAS training and full implementation in all courses taught
- 2018 Curriculum for Agriscience Education (CASE) AFNR certification
- 2017 Stihl 101 Silver Training
- 2017 Curriculum for Agriscience Education (CASE) Affiliate Professor
- 2016 Stihl 101 Bronze Training
- 2014 Departmental Exceptions Zzsis training
- 2014 Building Coordinator training for Engineering Laboratory Building 900
- 2014 Angel 101 training for transition to Blackboard
- 2013 WSU Purchasing Card Training and Advanced Course for Cardholders and Reconcilers. *Completed four hours of training for the Purchasing Card (PCard) Program at WSU. Training included policy, management of accounts, running reconciliation reports.*
- 2013 Torchmate Cutting Systems use and product line tutorial. *Training included product purchase, set-up, and use.*
- 2012 WSU and BTC TIG Welding Bootcamp. *Organized and attended Tungsten Inert Gas (TIG) welding clinic held at Bellingham Technical College.*
- 2011 WSU Advisor Training by the Center for Advising and Career Development (CACD). *Completed Advising 101, 102, and 103.*

Teaching

Courses (I = number of semesters taught in a year)

AGED 110	Introduction to Agricultural Education, 2 credits (50%), I 2016 (19); I 2017 (14 – 100%); I 2018 (17); I 2019 (15); I 2020 (15); I 2021 (13); I (16); I 2022 (19); I 2023 (7); I 2024 (17); I 2025 (21) – <i>Requirements for becoming an agricultural teacher and roles of an agricultural teacher.</i>
AGTM/ENGR 201	Metal Fabrication, 3 credits, II 2012 (30); III 2013 (44); III 2014 (44); II 2015 (24); III 2016(46); III 2017 (41); III 2018 (43); III 2019 (38); II 2020 (33); III 2021 (26); III 2022 (40); II 2023 (35); II 2024 (32); II 2025 (31) – <i>Basic welding, metal fabrication, and machining safety and application.</i>
AGTM/ENGR 202	Welding, 1 credit, I 2015 (2); I 2016 (4); I 2017 (2); I 2018 (2); I 2019 (2); I 2021 (2); I 2022 (3) – <i>Basic welding safety and application with Arc, MIG, and TIG.</i>
AGTM/ENGR 203	Machining, 1 credit, I 2015 (1); I 2017 (1); I 2022 (1) – <i>Machining safety and application.</i>
AGTM/ENGR 204	Metal Fabrication, 1 credit, I 2015 (1); I 2019 (1); I 2022 (1) – <i>Metal fabrication, cutting, and safety.</i>
AGTM 310	Small Engines/Outdoor Power, 3 credits, I 2012 (15); I 2013 (16); I 2014 (14); I 2015 (9); I 2016 (17); I 2017 (19); I 2018 (17); I 2019 (12); 2020 offering deferred to spring 2021 due to COVID 19 shut down; II 2021 (26); I 2022 (17); I 2023 (13); I 2024 (9); I 2025 (9) – <i>Updated curriculum in Fall 2016 to include complete disassembly and reassembly of new Kohler vertical shaft engines that I acquired for the laboratory. Included updates and creation of PowerPoint slides and written coursework. In 2018 after 5 years of offering an extra lab for students who could not fit the lab section in their time schedule I added a second lab section for students.</i>
AGTM 402	Methods in Teaching Agricultural Mechanics, 3 credits, I 2012 (12); I 2013 (8); I 2014 (7); I 2015 (5); I 2016 (6); I 2017 (9); I 2018 (9); I 2019 (13); I 2020 (10); I 2021 (5); I 2022 (16); I 2023 (10); I 2024 (7); I 2025 (6) – <i>Maintenance, lesson planning, and curriculum implementation in mechanics.</i>
AGED 407	Student Teaching in Agricultural Education, 8 credits, II 2012 (4); II 2013 (10); II 2014 (5); II 2015 (10); II 2016 (5); II 2017 (7); II 2018 (4); II 2019 (11); II 2020 (11); II 2021 (10); II 2022 (9); II 2023 (12); II 2024 (11); II 2025 (5) – <i>Supervision of pre-service teachers in Agricultural Education.</i>
AGED 430	Reinforcing Core Academics in Agricultural Education (Animal), 4 credits, I 2017 (5); 2020 (17); I 2022 (11); I 2024 (10) – <i>Foundations of successful preparation and presentation of inquiry-based instruction in agricultural education.</i>
AGED 431	Reinforcing Core Academics in Agricultural Education (AFNR), 4 credits, I 2019 (16); I 2021 (9); I 2023 (8); I 2025 (9) – <i>Foundations of successful preparation and presentation of inquiry-based instruction in agricultural education.</i>

AGTM 444	Agricultural Technology and Management Teaching Practicum, 1 credit, II 2013 (5); II 2014 (7); II 2015 (5); II 2016 (6); II 2017 (12); II 2018 (11); II 2019 (6); II 2021 (4); II 2022 (6); II 2023 (7); II 2024 (7); II 2025 (6) – <i>Laboratory teaching support and instruction.</i>
AGED 450	Planning, Curriculum, and Techniques in Agricultural Education, 3 credits, I 2017 – <i>Planning, curriculum, and instructional techniques in Agricultural Education.</i>
AGTM 481	Agricultural Technology and Management Independent Research, variable credit, I 2012 (2); II 2013 (1); I 2016 (1)
ME 483	Topics in Mechanical Engineering, variable credit, II 2012 (2); I 2014 (2)
AGED 497	Internship in Agricultural Education, variable credits, I 2014 (3); I 2015 (3); II 2016 (2); II 2017 (1); 2019 II (1)
AGED 499	Independent Research in Agricultural Education, variable credits, I 2021 (1); I 2025 (2)
AGTM 499	Agricultural Technology and Management Special Problems, variable credit, II 2013 (6); II 2014 (4); II 2015 (5); I 2016 (1); II 2017 (6); II 2018 (4); II 2019 (5); II 2021 (5); II 2022 (6); III 2023 (8); II 2024 (5); II 2025 (4) – <i>Field experience.</i>
AGRI 702	Masters Directed Study and or Exam, variable credit, II 2013 (7); II 2015 (1)
