

MEMORANDUM

TO: Matt Hudelson, Executive Secretary
Faculty Senate

FROM: Becky Bitter, Registrar's Office

FOR: Academic Affairs Committee

DATE: October 6, 2021

SUBJECT: Proposal to Establish a New Subcommittee for Faculty Senate under AAC

At its meeting on October 5, 2021, AAC approved a proposal requesting that the currently ad hoc "University Requirements Petitions Committee" be adopted as a part of the Faculty Senate governance structure. As the proposal details, this committee serves to review petitions and policy related to UCORE and University requirements.

AAC agreed that the work of this committee should have senate oversight and that AAC is the logical committee to which it should report.

AAC is now asking that the Steering Committee take next steps to review the request.
