

MEMORANDUM

TO: Gayle Anderson, Faculty Senate

FROM: Graduate Studies Committee

DATE: November 8, 2019

SUBJECT: Approved Master of Science in Mathematics (non-thesis) revision

On November 5, 2019, the Graduate Studies Committee approved the revision to graduation requirements for the Master of Science in Mathematics (non-thesis).

This is a general mathematics degree (non-thesis) that provides flexibility to the student and the faculty advisor to design a plan of study relevant to their interests and research area.

Please add this to the Faculty Senate agenda as a discussion item.
