

MEMORANDUM

TO: Gayle Anderson, Faculty Senate

FROM: Graduate Studies Committee

DATE: February 12, 2020

SUBJECT: Recommending to approve plan revisions to PhD in Experimental Psychology

On January 14, 2020, the Graduate Studies Committee recommended to approve (pending minor changes) for the request to remove PSYCH 591, change required courses and add two new courses to the PhD in Experimental Psychology in order to reflect the changing interests of research faculty and students. The department has submitted the required changes and it is now ready to move forward to Faculty Senate. See attached exhibit, "026 PhD in Experimental Psychology final packet 02-12-2020 CSC 095."

Please add these to the Faculty Senate agenda as a discussion item.
