SUBJECT: Extend BA in Anthropology to Global Campus

The College of Arts and Sciences requests an extension of the Bachelor of Arts in Anthropology to Global Campus.

Their rationale for the extension includes:

- *Ability to better serve “degree-completers” and non-traditional students in support of increased completion rates and placement of graduates.*
- *Increases the variety of Anthropology courses offered through Global Campus which will be useful for students pursuing other degrees who need UCORE courses and electives.*

The Registrar’s Office made some editorial changes to the submitted schedule of studies to update the UCORE status of ANTH 260 and to make the plan consistent with current catalog display. As no requirements were changed, this proposal does not require CSC review.
