SUBJECT: Extend BA in English to Global Campus

The College of Arts and Sciences requests an extension of the Bachelor of Arts in English to Global Campus. Initially, the only option that will be extended is Rhetoric and Professional Writing.

Their rationale for the extension includes:

- *Upholds the land grant mission by extending WSU faculty and scholarship to a broader audience.*
- *Ability to better serve “degree -completers” and non-traditional students in support of increased completion rates and placement of graduates*

As there are no proposed changes to the degree requirements, a review by Catalog Subcommittee is not required.
