

MEMORANDUM

TO: Sheila Converse, Executive Secretary
Faculty Senate

FROM: Becky Bitter, Registrar's Office

FOR: Academic Affairs Committee

DATE: 10 December, 2015

SUBJECT: Proposal to Revise Rule 43

At its meeting on December 8, 2015, AAC approved the following proposal to revise Rule 43 in order to bring the language into alignment with current practice where the student applies once, not twice, to have credit restored under the rules provisions:

43. Former WSU students, dismissed under any academic deficiency rule, who have not been enrolled at WSU for four years or more may request at the time that they apply for readmission and reinstatement that all previous WSU work be disregarded. This includes all credits and grade points earned. Once the student is officially enrolled following the first day of the term, the student's transcript will be marked to indicate that the previous work is not considered as credit earned. After completion of 15 semester hours of course work with a cumulative grade point average of 2.0 or higher at WSU, the ~~student may petition to restore~~ prior credits earned in courses graded C or better will be restored. ~~If approved, only~~ Only the courses and credit, not grades or grade points, will be restored. Requests for reinstatement ~~and petitions for credit restoration~~ for former WSU students will be considered by the Review Board in the Academic Success and Career Center on the Pullman campus, WSU Online, or designated office on other campuses.

The proposal is supported by the Academic Success and Career Center.

At this time, Faculty Senate review and approval is recommended, to be effective fall 2016.
