

**UNDERGRADUATE AND PROFESSIONAL MAJOR CHANGE BULLETIN NO. 5  
Fall 2015**

**---COURSES---**

The courses listed below reflect the undergraduate major curricular changes approved by the Catalog Subcommittee since approval of the last Undergraduate Major Change Bulletin. All new and revised courses are printed in their entirety under the headings Current and Proposed, respectively. The column to the far right indicates the date each change becomes effective.

| <b>Subject</b> | <b>Course Number</b> | <b>New<br/>Revise<br/>Drop</b> | <b>Current</b>                                                                                                                                                                                                                                                      | <b>Proposed</b>                                                                                                                                                                                                                                                                       | <b>Effective Date</b> |
