2. GIVE REASONS FOR EACH REQUEST MARKED ABOVE. (Attach additional paper if necessary; see reverse side.)

Master of arts designator is hold-over from the department's many years in the College of Liberal Arts. The master of science more accurately reflects our degree program and aligns with other health sciences units in the Division of Health Sciences.

Dan –

There have been no issues raised about the request to change the Master of Arts in Speech and Hearing Sciences to a Master of Science. I recommend moving this request directly to the Faculty Senate, at this point. I don't see any purpose to be served by additional proposal steps.
