SUBJECT: Extending the BS Electrical Engineering to Everett Campus

At the February 28, 2014 meeting of the Catalog Subcommittee, the proposal from the College of Engineering and Architecture to extend the BS in Electrical Engineering to the Everett Campus was reviewed and approved.

The following were noted and addressed during the review process:

- Changes to current BS EE requirements were approved.
- The proposed curriculum for Everett was changed to reflect current University requirements for students with an AST degree.
- The proposed curriculum for Everett was changed to include all current major requirements for Pullman students.
