

**M E M O R A N D U M**

**TO:** Doug Call and Alex Dimitrov, Co-Chairs, Graduate Studies Committee

**FROM:** Suzanne Lambeth, Assistant Registrar

**DATE:** August 27, 2018

**SUBJECT:** Request for new subject (prefix)

The College of Veterinary Medicine requests a new subject (prefix) of BPT – Biomedical Physiology and Technology. This prefix will be used for graduate coursework.

The college is currently in the process of renaming the Veterinary Science – Integrative Physiology and Neuroscience degree to Biomedical Sciences – Biomedical Physiology and Technology. The new prefix will be used for courses within this renamed degree program.
