

MEMORANDUM

TO: Gayle Anderson, Faculty Senate

FROM: Graduate Studies Committee

DATE: 9/26/18

SUBJECT: New Prefix/Program Update of Integrative Physiology and Neuroscience (IPN)
and Biomedical Physiology and Technology (BPT)

On September 25th, 2018, the Graduate Studies Committee approved the Veterinary Sciences proposal for a New Prefix/Program Update of Integrative Physiology and Neuroscience (IPN) and Biomedical Physiology and Technology (BPT). Please add this to the Faculty Senate agenda as a Discussion Item.
