

**MEMORANDUM**

TO: Dorene Branson, Principal Assistant  
Faculty Senate

FROM: Graduate Studies Committee

DATE: October 17, 2013

SUBJECT: Conjoint UCORE and Graduate Course

On Tuesday, October 15th, the Graduate Studies Committee approved the changes proposed by the School of Molecular Biosciences. This change is to revise the major requirements in for the PhD in Molecular Biosciences program. The program proposes to decrease their graded credits from 21 to 15 for the PhD degree. Please forward this to the Faculty Senate for appropriate approvals.
