

MEMORANDUM

TO: Matt Hudelson, Executive Secretary, Faculty Senate

FROM: Mary Wack, Provost's Office

SUBJECT: Discontinuing the BA in Communication and Society

DATE: December 3, 2020

On September 24, 2020, the Faculty Senate was presented with a notice from the College of Communication that the Bachelor of Arts in Communication and Society would be placed in moratorium for two years.

Since that time, the College has determined that the degree should be discontinued. The Provost's Office has no concerns with this proposal as outlined in the memo from Dean Pinkleton.

The degree will be removed from the catalog as well as from admissions and recruitment materials. Following notification to the NWCCU, the official closure will be fall 2021.
