Students following any teacher preparation option are required to present an acceptable senior half recital in the major performance medium.

Students following any teacher preparation option must have a minimum gpa of 2.5 in all of the following areas: cumulative gpa, Professional Education Core with a C or better in each course, and academic major (and minor if any) with a C or better in each course. Students must also certify as majors in the College of Education. Since this option is likely to lead to enrollment in the MA in Music, students are advised that admission to graduate study requires a 3.0 cumulative gpa.

Students must pass the Piano Proficiency Exam, pass the senior qualifying exam, achieve a cumulative 2.5 gpa and a grade of C or better in all music classes, and a 2.5 gpa and a grade of C or better in all College of Education Professional Core courses. Class piano credits are not required for the degree. Instrumentalists must complete 4 credits in vocal performance studies (private lessons and/or ensemble) and vocalists must complete 4 credits of instrumental performance studies.

This option provides teacher certification in designated arts: Music (choral, instrumental, and general). Requirements include: C or better in all music and education courses; 2.5 music average; 2.5 education average; 2.5 overall average; 4 credits vocal performance for instrumentalists; 4 credits instrumental performance for vocalists; upper-division exam, piano proficiency, solo half-recital. Approved performing groups: a minimum of 1 hour during each of 7 semesters, to include at least one semester of Mus 435 for instrumentalists and 428 for vocalists. Include a minimum of 2 hours in choral and 2 hours in instrumental performing groups.

This option provides professional preparation in music combined with studies in education. Students may complete teacher certification requirements after completion of this degree through further enrollment as undergraduate second degree candidates, enrollment as post-baccalaureate non-degree students, or as graduate students, each of which requires application for admission. Students planning to seek admission and enroll as graduate students should, at the beginning of their last semester of undergraduate study, complete the necessary form to count selected courses in the final undergraduate semester toward the graduate degree, up to a maximum of 6 credits.

effective fall 2012. Assuming approval, students entering WSU in fall 2011 will certify their majors in music under the revised degree plan. The revised degree plan will also appear in the Music Student Handbook to be available to music students in early fall 2011.

This four-year program is designed to meet the needs of students wishing a broad liberal arts background with a major in music. Of the total 120 credits required for a degree in this program, 70 credits are devoted to courses outside music, including the General Education Requirements. Non-music courses other than those used for the GERs must be at the 200-level or above. 40 credits of the 120 required for the degree must be in 300-400-level. Music credits beyond the required 50 credits in music add to the number of credits required in the degree. Other requirements include: C or better in all music courses; 2.5 music average; senior qualifying exam; piano proficiency exam or grade of C or better in Mus 182.

UNDERGRADUATE AND PROFESSIONAL MAJOR CHANGE BULLETIN NO. 5

**---REQUIREMENTS---
Fall 2011**

The requirements listed below reflect the undergraduate major curricular changes approved by the Catalog Subcommittee since approval of the last Undergraduate Major Change Bulletin. All changes are underlined. Deletions are crossed out. The column to the far right indicates the date each change becomes effective.

In the case of revisions to graduation requirements, the current GER designations are still in place. Transition to the new UCORE designations is currently under construction and is expected in early Spring 2012 in a separate bulletin.

Electrical Engineering - Vancouver, revise certification requirements	Students who have completed at least 30 semester hours of course work and who have completed Chem 105; CS 251; ECE 214, ECE 234, ECE 260, Math 273, and Phys 202, or their equivalents, are eligible for certification into the Bachelor of Science in Electrical Engineering program. All courses required for certification must be completed with a grade of C or better. Enrollment in many upper-division electrical engineering courses is restricted to certified majors or minors in electrical or mechanical engineering. No courses listed in this schedule of studies may be taken on a pass/fail basis. All upper-division electrical engineering courses must be completed with a minimum 2.0 average gpa.	8-12

UNDERGRADUATE AND PROFESSIONAL MAJOR CHANGE BULLETIN NO. 6

**---REQUIREMENTS---
Fall 2011**

The requirements listed below reflect the undergraduate major curricular changes approved by the Catalog Subcommittee since approval of the last Undergraduate Major Change Bulletin. All changes are underlined. Deletions are crossed out. The column to the far right indicates the date each change becomes effective.

In the case of revisions to graduation requirements, the current GER designations are still in place. Transition to the new UCORE designations is currently under construction and is expected in early Spring 2012 in a separate bulletin.

The minor is designed to provide students with an integrated exposure to globally related scholarship across the disciplines. To certify for the GS minor students must have completed at least 60 credit hours with a 2.0 GPA or above. To earn a GS minor, students must complete 18 credit hours of coursework from specific course categories. No courses taken Pass/Fail will count toward the 18 credit requirement. At least 9 credits of approved coursework must be taken at the 300-400 level. Six hours of transfer work may be counted toward the minor; the remaining 12 hours must be taken in residence at WSU or through WSU-approved education abroad or educational exchange courses.

Interested students should contact the Director of Global Learning at global@wsu.edu for more information.

Students will select one 3 - 4 credit course from five specific categories. The remaining course may be selected from the entire set of courses for the minor.

<p>Honors College Revise Undergraduate Certificate in Global Competencies.</p>	<p>Honors Certificate of Global Competencies</p> <p>The Certificate of Global Competencies is an elective certificate for Honors students whose international interests and/or career objectives can be enhanced by an integrated program of language study, academic coursework, and study abroad. Students receive a notation on their transcript IN ADDITION to the Honors Certificate of Completion. The Certificate of Global Competencies builds on the courses required for the Honors Certificate of Completion. Students who enter with good foreign language preparation usually will not require extra time to complete both certificates. Twenty-three <u>Fifteen</u> graded credits are required for the Certificate of Global Competencies. A minimum of 14 credits must be taken for a letter grade. At least 12 of the credits must be taken at WSU. A grade of C or better must be earned in each of the required, elective and transfer courses in order to qualify for the certificate. The university undergraduate certificate fee will apply. Students are strongly encouraged to work with an Honors advisor to plan an appropriate schedule of studies. The certificate entails requirements in three <u>four</u> areas: 1. Foreign language competence: A minimum of 4 <u>3-6</u> graded credits at the 204 level or higher, and fourth semester competence are required. Fifth semester competence is preferred. Most students will complete 6-8 graded credits in a foreign language. 2. Education abroad: A minimum of 6-9 graded credits from one term abroad or longer in an approved program. A "term" may include a summer session with a full academic load. A typical semester abroad in an approved program will result in 12-15 WSU credits. 3. <u>UH 430 and presentation (3-6 credits, graded): May be completed through coursework abroad OR at WSU. UH 430 includes an oral presentation scheduled at the Honors College during the first semester following the completion of UH 430.</u> Coursework: A minimum of 11 graded credits and 3 S,F thesis credits are required. The following courses are required: UH 300 (focused on language/culture/continent of study abroad experience), UH 330, UH 350, UH 430, and UH 450 (focus on an</p>	<p>8-12</p>
