

**MEMORANDUM**

**TO:** The Office of the Provost  
**FROM:** The Faculty Senate Steering Committee  
**RE:** Recommended approval of new courses CE 516, CE 520, and CE 545  
**DATE:** July 7, 2023

---

The Faculty Senate Steering Committee members reviewed and approved the proposal to establish the following new courses:

- *CE 516 - Life Cycle Assessment of Transportation Infrastructure*
- *CE 520 - Climate-Resilient Infrastructure Engineering*
- *CE 545 - Stochastic Analysis and Modeling for Engineers*

No additional feedback has been provided by the committee.

Respectfully submitted,

Matt Hudelson, Executive Secretary  
WSU Faculty Senate

Cc: Laura Hill, Senior Vice Provost  
Kristina Peterson-Wilson, Vice Provost for Academic Administration & Chief of Staff  
Gary Wayman, GSC Co-Chair  
Erica Nicol, GSC Co-Chair
