RE: WSU Center for Research and Innovation in Special Education

On behalf of my Research and Arts Committee (RAC) co-chair, Jonah Firestone, and the rest of the RAC members, I am writing to inform you that the Research and Arts committee voted to approve the proposal to establish the WSU Center for Research and Innovation in Special Education. This vote was taken on March 27th, 2023. Please add this item to the Faculty Senate Agenda as a Discussion Item for the October 19, 2023, meeting.

Supporting documentation for this new center request is attached in one PDF and includes the proposal application, organization chart, budget statement, supporting letters from the oversight authority, and stakeholder comments and resolved questions.

Respectfully submitted,

A handwritten signature in black ink that reads "Pablo Monsivais".

Pablo Monsivais, RAC Co-Chair
