

## Function

- Makes recommendations concerning policy on appointments, promotion, tenure, and leave of absence.
- Makes recommendations relating to standards of performance, professional ethics, faculty rights and responsibilities, academic freedom, and faculty compensation.
- Receives, reviews, and acts upon other policy matters concerning faculty affairs.
- Maintains liaison with Faculty Status Committee.
- Consults with the Executive Director of Policy and Governance, the Attorney General's Office, and Human Resource Services, as appropriate, for additional guidance on policy and policy changes.
- Applies the Equity Lens Tool to assess the potential equity impact of a policy or policy change.
