

Proposed changes to Academic Regulation 140

Bill Davis, Matt Zimmerman, Stephanie Kane, and Joy Scourey

Background: WSU currently does not place any holds on student transcripts. Therefore, the language in AR 140 needs to be updated.

Further, WSU is required to comply with HB 2513 (<https://app.leg.wa.gov/billssummary?BillNumber=2513&Initiative=false&Year=2019>) which prohibits the withholding of official student transcripts due to current or outstanding debts to the university. Recently, the US Department of Education has released a rule that makes a similar requirement for all students who receive Title IV funds as a part of their financial aid. While WSU does not withhold transcripts for any reason, we would strongly recommend that there be included explicit language in AR 140 that indicates that WSU does not withhold official transcripts due to student outstanding debts in case the institution is asked to document its official policies as a part of a compliance inquiry.
