RE: Recommendation to extend the Ad Hoc Salary Step Committee work to May 30th, 2024

Faculty Senate ad hoc committee operations are approved for one year after their senate approval date and are scheduled to terminate after one year of being established, unless otherwise identified by the faculty senate.

The Ad Hoc Salary Step Committee was approved by the Faculty Senate on March 23, 2023, and consistent with the one-year termination date, is scheduled to terminate on March 21, 2024. On Thursday, February 22, 2024, the Faculty Senate Steering Committee recommended that the faculty senate extend the Ad Hoc Salary Step Committee's term until May 30th, 2024, in support of the committee finalizing its work for the year.

Respectfully submitted,

Matthew Hudelson
Faculty Senate Executive Secretary
