

2007 WSU Turfgrass Cultivar List for Eastern Washington.

The commercially available cultivars listed here have performed well in the NTEP (www.ntep.org) trials located in Pullman, WA, over the past several years. This list does not contain all cultivars, but is a sampling of cultivars to look for when selecting a seed mixture. Colors are: VD = very dark green, D = dark, MD = medium dark, M = medium and L = light green.
