### EDUCATION

1. **Highest grade level completed:**
   - Graduate Studies
   - College Graduate – 4 year degree
   - College Graduate – 2 year degree
   - High School Diploma/GED, and some college courses
   - Vocational Certificate
   - High School Diploma
   - GED
   - 11th Grade or Less

2. **Expelled from or quit school:** *(select all that apply)*
   - Never expelled/never quit school
   - Expelled between grades 1-8
   - Expelled between grades 9-12
   - Expelled for criminal behavior
   - Expelled for non-criminal behavior
   - Quit: Failing classes
   - Quit: Legal troubles
   - Quit: Peer pressure, being bullied
   - Quit: Chose employment
   - Quit: Family obligations
   - Quit: Lacked interest or motivation
   - Quit: Pregnant
   - Quit: Medical or Mental Health reason
   - Quit: Other

3. **Communication barrier/Interpreter required:**
   - English is primary language, and is able to read and speak English
   - English is primary spoken language, but unable to read English
   - English is not primary language, but verbal communication is adequate in English
   - Unable to communicate in English, interpreter required
   If this response is selected, note primary language:

4. **Offender’s motivation for more academic or vocational education:**
   - Is actively participating as a full-time student, internally motivated
   - Is actively participating as a part-time student, internally motivated
   - Only participating due to legal requirement
   - Verbalizes desire to continue education, but not actively taking steps
   - Sees no need for more education – Has High School Diploma or GED
   - Sees no need for more education – Lacks High School Diploma or GED
   - Refusing to continue education, despite legal requirement

### COMMUNITY EMPLOYMENT

1. **Longest period of continuous legal employment in the community since age 18:**
   - Never employed
   - Less than 6 months
   - 6 months to 1 year
   - More than one year up to 3 years
   - More than 3 years

2. **Problems while employed since age 18:** *(Select all that apply)*
   - Never employed
   - No problems while employed
   - Fired or quit because of poor performance/poor attendance
   - Fired or quit because of interpersonal problems with employer or coworkers
   - Fired or quit because of anti-social/criminal behavior on the job
   - Fired or quit because of problems unrelated to employment

3. **Current occupational/vocational skills:**
   - Professional skills (accountant, lawyer, etc)
   - Specific skills/occupation (vocational, carpenter, plumber, etc)
   - General labor skills
   - No occupational or vocational skills
   Describe occupational/vocational skills:

4. **Current barriers to employment:** *(select all that apply)*
   - No barriers to employment
   - Full-time student or recent graduate
   - No prior employment experience
   - Lacks motivation to seek or maintain legal employment
   - Developmental disabilities
   - Mental health concerns
   - Cleanliness/hygiene
   - Punctuality problems
   - Lack of social skills
   - Lack of problem solving skills
   - Poor work habits
   - Child care issues
   - Transportation issues
   - Criminal conviction history
   - Chemical dependency
   - Other
5. **Primary source of income during the most recent 6 months in the community:**
   - Employment
   - Income from criminal behavior
   - Family financial support
   - Under the table income
   - Public assistance
   - Social Security Insurance due to disability
   - Receiving Unemployment, Workman’s Compensation, or L & I benefits
   - Student loans/grants
   - Tribal per diem
   - Pension
   - Family inheritance
   - No income
   - Other

6. **Average monthly income (Net) from legal employment and/or other legal sources during the most recent 6 months in the community:**
   - $4,000 and over
   - $2000 to $3,999
   - $1,000 to $1,999
   - Under $1,000
   - No legal income

7. **Management of finances during the most recent 6 months in the community:** (Select all that apply)
   - Saves money regularly
   - Is managing debt, meeting financial commitments
   - Makes all required child support payments
   - Makes some required child support payments
   - Does not make any required child support payments
   - No interest in managing finances
   - Relies on public assistance
   - Relies on family and/or others
   - Cannot manage debt
   - Relies on illegal activities
   - Sells drugs for profit
   - Relies on protective payee

8. **Health insurance at time of assessment/reassessment:**
   - No health insurance
   - Health insurance suspended due to incarceration
   - Private insurance
   - Public insurance (Welfare, Medical coupons, Medicaid, etc.)
   - Health insurance provided due to tribal affiliation

9. **Current community employment at time of assessment/reassessment or immediately prior to incarceration:**
   - Full-time employment (35-40 hours per week)
   - Part-time employment (20-34 hours per week)
   - Homemaker
   - Retired
   - Temporarily disabled/unable to work
   - Permanently disabled/unable to work
   - Unemployed, but able to work

10. **Current relationship with employer/co-workers at time of assessment/reassessment or immediately prior to incarceration:** (Select the one most representative of the relationship with each)
    - Not employed
    - No supervisor(s), self-employed
    - Minimal contact
    - Adequate interaction but relationship not developed; indifference
    - Employer provides encouragement for pro-social behavior
    - Has/would seek out for help with work or personal matter
    - Significant and/or frequent conflict
    - Employer involved in anti-social/criminal behavior
    - Not employed
    - No co-worker(s)
    - Minimal contact
    - Adequate interaction but relationship not developed; indifference
    - Coworker provides encouragement for pro-social behavior
    - Has/would seek out for help with work or personal matter
    - Significant and/or frequent conflict
    - Coworker involved in anti-social/criminal behavior

**FRIENDS/ASSOCIATES**

1. **Friends/associates during the most recent 6 months in the community:** (Select all that apply)
   - No friends/associates
   - Unable to maintain relationships with others, involved in unstable interpersonal relationships with others
   - Friends/associates willing to assist in offender success (Name, and any known contact info)
   - Pro-social community ties (Name, organization, any known contact info)
   - Friends/associates involved in anti-social and/or criminal behaviors
   - Associates with gang member(s)
2. **Response to influences of anti-social friends/associates during the most recent 6 months in the community:** (Select the most anti-social circumstance)

   - No anti-social friends/associates
   - Chooses not to associate with anti-social friends/associates
   - Almost always resists going along with anti-social friends/associates
   - Rarely resists going along with anti-social friends/associates
   - Never resists going along with anti-social friends/associates, a follower
   - Admires/emulates anti-social friends/associates, strongly influenced by anti-social friends/associates
   - Leads anti-social friends/associates

3. **Current pro-social support in neighborhood at time of assessment/reassessment or immediately prior to incarceration:**

   - Strong pro-social environment
   - Some exposure to anti-social influence, lacking ties/attachments to neighborhood
   - Significant barriers, frequent crimes, drug transactions, police presence
   - Living in remote, isolated area with minimal or no neighborhood influence

---

1. **Residence during the most recent 6 months in the community:** (Select all that apply. Indicate amount of time for each and select the current residence at time of assessment/reassessment or immediately prior to incarceration)

   - Residence as primary occupant
   - Family residence (parent(s), sibling(s), spouse/significant other, and/or other family)
   - Friend’s residence
   - Group homes/Transitional housing
   - Residential Treatment
   - Transient – from residence to residence
   - Homeless – living on the street or in a shelter
   - Grandparent(s)
   - Friend(s) with positive influence
   - Friend(s) with anti-social influence
   - Living alone
   - Other

2. **Occupants of current residence at time of assessment/reassessment or immediately prior to incarceration:** (Select all that apply)

   - No current residence
   - Spouse or equivalent partner
   - Adult children
   - Minor children
   - Mother
   - Father
   - Sibling(s)

3. **Number of marriages or equivalent relationships, including current situation:**

   - Never been married or had an equivalent relationship; single, all relationships have been short-term, no long-term commitments
   - One marriage or an equivalent relationship
   - Two or more marriages or equivalent relationships

2. **Longest marriage or equivalent relationship:**

   - Never married/no equivalent relationship
   - Less than 6 months
   - 6 months to 1 year
   - More than 1 year

3. **Current marriage or equivalent relationship:**

   **(Select all that apply)**
   - Name of significant other: [ ]

   **Opportunity for Influence from Partner During the Most Recent 6 Months in the Community**

   - No current relationship
   - Not involved, no influence, or estranged
   - Living apart
   - Minimal influence
   - Positive influence
   - Negative influence
   - Frequently enables anti-social behavior

   **Problems of Partner During the Most Recent 6 Months in the Community**

   - No current relationship
   - No problems
   - Alcohol problems
   - Drug problems
   - Anti-social behaviors
   - Criminal convictions
   - Employment problems
   - Physical and/or mental health problems

   **Level of Conflict During the Most Recent 6 Months in the Community**

   - No current relationship
   - Not involved, estranged
   - Minimal conflict
   - Some conflict that is well-managed
   - Verbal intimidation, heated arguments
   - Threats of physical abuse by partner
   - Domestic violence: Partner is perpetrator
   - Domestic violence: Offender is perpetrator

   **Willingness of Partner to Help During the Most Recent 6 Months in the Community**

   - No current relationship
   - Not involved, no influence, or estranged
   - Consistently willing to intervene and support
   - Occasionally willing to intervene and support
   - Not willing to intervene and support
   - Hostile, berating, and/or belittling of offender and/or the system
4. Family members involved in offender's life during last 6 months, (regardless of setting):

<table>

</table>

6. Offender living with his/her minor child(ren) when committing current offense(s):

| o No minor children |
| o Yes              |
| o No               |

7. If not residing with minor child(ren) at time of assessment/reassessment, does the offender plan to establish or continue a relationship with his/her minor child(ren):

| o No minor children |
| o Residing with minor child(ren) |
| o Yes                  |
| o No                   |
8. Circumstances of minor child(ren) at time of assessment/reassessment:  (Select all that apply)

- [ ] No minor children
- [ ] Circumstances unknown and/or offender unwilling to disclose information
- [ ] No current contact
- [ ] Court ordered child support
- [ ] Past agency involvement for minor child safety
- [ ] Legal action pending
- [ ] Parental rights terminated
- [ ] Past “No Contact Order” or any other order prohibiting contact with minor child(ren)
- [ ] Current “No Contact Order” or any other order prohibiting contact with minor child(ren)

Name of child(ren) who are prohibited contact with the offender

- [ ] Minor child(ren) who are victims of the offender

Name of child(ren) who are victims of the offender

Current Community Contact
- [ ] Minor child(ren) reside(s) with offender
- [ ] Supervised visits only
- [ ] Face to face contact, with no legal restrictions
- [ ] Telephone contact
- [ ] Written correspondence

Current Prison Contact
- [ ] Visits during current confinement
- [ ] Telephone contact
- [ ] Written correspondence

ALCOHOL/DRUG USE

1. Alcohol and/or drug problem:  (Select all that apply)

- [ ] Never had an alcohol or drug problem
- [ ] Has had alcohol problem
  - Age at first use [______________]
- [ ] Has had drug problem
  - Age at first use [______________]
- [ ] Alcohol problem within the last 6 months in the community
- [ ] Drug problem within the last 6 months in the community

2. Type of alcohol and/or drug problems during offender’s lifetime:  (Select all that apply)  

- [ ] Never had an alcohol or drug problem  
  - During the last 6 months in the community [ ]
  - [ ] Alcohol
  - [ ] Methamphetamine
  - [ ] Cocaine/crack
  - [ ] Heroin
  - [ ] Hallucinogens
  - [ ] Inhalants
  - [ ] Marijuana
  - [ ] Tranquilizers/sedatives
  - [ ] Abuses prescription drugs
  - Name of prescription drug(s):

  - During the last 6 months in the community [ ]
  - Other drugs
  - Type of other drugs:

  - During the last 6 months in the community [ ]

  - [ ] Heroin
  - [ ] Hallucinogens
  - [ ] Inhalants
  - [ ] Marijuana
  - [ ] Tranquilizers/sedatives
3. Impacts of alcohol/drug problem during the offender's lifetime: (Select all that apply)

- □ Never had an alcohol or drug problem
- □ Use caused family conflict
- □ Use disrupted education
- □ Use caused problems with employment
- □ Use caused physical problems (includes hospitalization)
- □ Use caused mental health problems (includes hospitalization)
- □ Use interfered with keeping pro-social friends
- □ Use contributed to anti-social behaviors and/or law violations
- □ Use contributed to current conviction(s)
- □ Use while confined (jail/prison/treatment)
- □ Intervenous drug use
- □ During the last 6 months in the community
- □ N/A

4. Methods of supporting alcohol and/or drug use during most recent 6 months in the community: (Select all that apply)

- □ Never had an alcohol or drug problem
- □ Legal income
- □ Income from illegal employment
- □ Growing/manufacturing for distribution
- □ Selling drugs
- □ Property crimes
- □ Falsifying prescriptions
- □ Prostitution
- □ Bartering/trading for drugs
- □ Sharing alcohol/drugs with others
- □ Other criminal activity

5. Participation in alcohol/drug treatment program during the offender's lifetime: (completion not required) (Select all that apply)

- □ Never had an alcohol or drug problem
- □ Never participated in a treatment program
- □ Participated in one program
- □ Participated in two or more programs
- □ Participated in a treatment program within the last 6 months
- □ Currently participating in alcohol/drug treatment program
- □ Referred for alcohol/drug treatment program, and currently waiting for opening in program
- □ Referred for alcohol/drug treatment, but is currently unwilling to participate

6. Protective factors contributing to having remained clean and sober for 6 months or longer in the community at any time in offender's life: (Select all that apply)

- □ Never had an alcohol or drug problem
- □ Never remained clean and sober for 6 months or longer in the community
- □ Regular participation in alcohol/drug treatment
- □ Regular participation in alcohol/drug self-help support groups (AA/NA) as requested by family, employer, or other supports
- □ Regular participation in alcohol/drug self-help support groups (AA/NA) due to legal requirement (agency/court)
- □ Friends willing to intervene and encourage alcohol/drug abstinence
- □ Family willing to intervene and encourage alcohol/drug abstinence
- □ Changed residence/neighborhood to remove self from barrier(s) to alcohol/drug abstinence
- □ Other
| 1. Mental health problem during the offender's lifetime (schizophrenia, bipolar, ADD/ADHD, etc.) based on file material, self-report, and assessor observation: (Select all that apply) | □ No history of mental health problems  
□ Mental health problem based on file material and/or offender's self report  
□ Assessor observes indicator(s) of a current mental health problem  
Describe assessor's observations: |
|---|---|
| 2. Suicidal thoughts during the offender’s lifetime based on file material, self-report, and assessor observation: (Select all that apply) | □ Has never had serious thoughts about suicide thoughts or attempts  
□ Has never had serious thoughts about suicide  
□ Has attempted to commit suicide  
□ Provoked others in an attempt to kill self  
□ Has had suicidal thoughts during most recent 6 months regardless of setting  
□ Has attempted suicide during most recent 6 months regardless of setting  
□ Suicidal thoughts pose an ongoing concern for the safety and welfare of the offender |
| 3. Officially diagnosed with a mental health problem by a professional in the mental health or health care field: | o No history of mental health problems  
o Diagnosed, but official mental health diagnosis not known  
□ Documented mental health diagnosis  
Name of Professional in the mental health or health care field: |
| 4. Hospitalizations/in-patient stays for mental health problems in the offender’s lifetime: | o No history of mental health problems  
□ No in-patient stays  
□ 1 in-patient stay  
□ 2 or more in-patient stays |
| 5. Received mental health out-patient counseling(regardless of setting): (Select all that apply) | □ No history of mental health problems  
□ No mental health out-patient counseling  
□ Past participation in out-patient counseling  
□ Current participation in out-patient counseling  
Name of Provider: |
| 6. Mental health medication prescribed during the offender’s lifetime (regardless of setting): (Select all that apply) | □ No history of mental health problems  
□ Never had mental health medication prescribed  
□ Past mental health medication prescribed  
□ Current mental health medication being taken as prescribed  
□ Current mental health medication not being taken as prescribed, non-compliant |
## AGGRESSION

### 1. Threatening, aggressive, or violent behaviors during the offender’s lifetime: *(Select all that apply)*
- □ No history of threatening, aggressive, or violent behaviors
- □ Has exhibited threatening, aggressive, or violent behaviors in the community
- □ Has exhibited threatening, aggressive, or violent behaviors during any period of confinement
- □ Threatening, aggressive, or violent behaviors are currently an ongoing concern

### 2. Characteristics of threatening, aggressive, or violent behaviors during the offender’s lifetime: *(Select all that apply)*
- □ No history of threatening, aggressive, or violent behaviors
- □ No threatening, aggressive, or violent behaviors within the last 6 months in the community
- □ Violent outbursts, displays of temper, uncontrolled anger indicating potential for harm
- □ Violent destruction of property
- □ Domestic violence against current partner
- □ Domestic violence against any past partner
- □ Domestic violence against any family member (excluding any partner)
- □ Stalking and/or harassment to intimidate
- □ Fixated or persisting in unwanted relationships
- □ Explicit threats of physical harm against specific individual(s)
- □ Excessive violence used beyond what is deemed necessary
- □ Ritualistic, bizarre violent behaviors
- □ Random acts of violence without provocation
- □ Fire setting
- □ Animal cruelty
- □ Violent infractions & misconducts while in confinement (fighting, assault, etc.)
- □ Physical assault of an authority figure (law enforcement, corrections, other agency, parents, teachers, etc.)
- □ Physical assault of child/adolescent
- □ Physical assault of adult victim
- □ Physical assault of male victim
- □ Physical assault of female victim
- □ Characteristics of known threatening, aggressive, or violent behaviors not available, and/or offender is unwilling/unable to disclose
- □ Other

### 3. Motivation for threatening, aggressive, or violent behaviors during the offender’s lifetime: *(Select no more than three)*
- □ No history of threatening, aggressive or violent behaviors
- □ Used to achieve a goal, including material gain
- □ Power, dominance, or control
- □ Impulsive, acts without thinking and/or lack of control or inhibitions, opportunistic
- □ Peer status, acceptance, attention, or compliance with the rules of the subgroup or peer group
- □ Retaliation, vengeance
- □ Reaction to conflict or stress
- □ Excitement, amusement, or fun
- □ General hostility toward women
- □ Hatred for other individuals or specific groups
- □ Chemically induced violent behaviors
- □ Decompensated from lack of compliance to mental health medications
4. Threatened/caused physical injury to another person: (Select the one most serious in each column)

**ATTITUDES / BEHAVIORS**

1. Motivation for criminal behavior(s) during the offender's lifetime: (Select no more than three)

- □ Anger
- □ Retaliation, vengeance
- □ Impulsive, opportunistic
- □ Sexual gratification
- □ Reaction to conflict or stress
- □ Death: victim died

**Note:** Use a lifetime pattern of behaviors, not one single incident, to determine the existence of any tendencies and characteristics noted:

- □ No firmly established anti-social characteristics
- □ Glib/superficial charm – Tends to be smooth, engaging, charming, and “slick”. Not shy or afraid to say anything.
- □ Need for stimulation – Excessive need for thrilling and exciting stimulation, risk taker, easily bored, will not perform tasks perceived as routine, monotonous or uninteresting.
- □ Pathological lying – Deceit, deception, dishonesty, and breaking promises are standard interaction with others.
- □ Conning/Manipulative – Uses deceit and deception to cheat, con, or defraud others as a standard method for personal gain, with no concern for victim.
- □ Shallow – Limited range or depth of feelings, interpersonal coldness in spite of appearing to be a sociable person. Only forms superficial bonds with others, does not experience strong emotions.
- □ Parasitic Lifestyle – Has an intentional, selfish, and exploitative financial dependence on others as reflected by a lack of motivation and inability to begin or complete responsibilities
- □ Lack of Empathy – A lack of feelings toward people in general; cold, contemptuous, inconsiderate, and tactless.
- □ Lack of Remorse/Guilt – Lack of feelings or concern for the losses, pain, and suffering of victims; a tendency to be unconcerned and coldhearted. Can be demonstrated by blaming and/or a disdain for one’s victims.
- □ Lack of Realistic, Long-Term Goals – Inability or persistent failure to develop and execute long-term plans or goals; a nomadic existence; aimless, lacks direction in life.
- □ Irresponsibility – Repeated failure to fulfill or honor obligations and commitments, such as not paying bills, defaulting on loans, being absent or late to work, failing to honor contractual agreements.
- □ Criminally Diverse – Has a diversity of types of criminal offenses, regardless whether arrested or not. Takes great pride in getting away with crimes.

---

2. Anti-social tendencies & characteristics that are rooted, firmly established, and constant: (Select all that apply)

- □ Glib/superficial charm – Tends to be smooth, engaging, charming, and “slick”. Not shy or afraid to say anything.
- □ Need for stimulation – Excessive need for thrilling and exciting stimulation, risk taker, easily bored, will not perform tasks perceived as routine, monotonous or uninteresting.
- □ Pathological lying – Deceit, deception, dishonesty, and breaking promises are standard interaction with others.
- □ Conning/Manipulative – Uses deceit and deception to cheat, con, or defraud others as a standard method for personal gain, with no concern for victim.
- □ Shallow – Limited range or depth of feelings, interpersonal coldness in spite of appearing to be a sociable person. Only forms superficial bonds with others, does not experience strong emotions.
- □ Parasitic Lifestyle – Has an intentional, selfish, and exploitative financial dependence on others as reflected by a lack of motivation and inability to begin or complete responsibilities
- □ Lack of Empathy – A lack of feelings toward people in general; cold, contemptuous, inconsiderate, and tactless.
- □ Lack of Remorse/Guilt – Lack of feelings or concern for the losses, pain, and suffering of victims; a tendency to be unconcerned and coldhearted. Can be demonstrated by blaming and/or a disdain for one’s victims.
- □ Lack of Realistic, Long-Term Goals – Inability or persistent failure to develop and execute long-term plans or goals; a nomadic existence; aimless, lacks direction in life.
- □ Irresponsibility – Repeated failure to fulfill or honor obligations and commitments, such as not paying bills, defaulting on loans, being absent or late to work, failing to honor contractual agreements.
