CAMPUS FACILITIES USE POLICY

GENERAL POLICY AND PURPOSE
(Washington Administrative Code (WAC) 504-35-010)

Washington State University is an educational institution provided and maintained by the people of the state of Washington in order to carry out its broad missions of teaching, research, and public service. A state agency is under no obligation to make its public facilities available to the community for private purposes, and the university generally reserves its facilities, buildings, and grounds for its mission-related activities, including: Instruction, research, public assembly, student activities, and recreational activities related to education. However, the university makes facilities available for a variety of uses which are of benefit to the general public under the conditions set forth in these regulations if such general uses substantially relate to, and do not interfere with, university missions.

The purpose of these regulations is to establish procedures and reasonable controls for the use of university facilities by individuals and entities other than the university itself, including university employees, students, and registered student organizations, as well as individuals and groups that are not related to or affiliated with the university.

In reviewing conflicting requests to use university facilities, primary consideration is given to activities specifically related to the university’s mission. Additionally, no use will be allowed that may interfere with, or operate to the detriment of, the university’s own teaching or public service programs. Additionally, reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to ensure the proper maintenance of the facilities.

PURPOSE AND DELEGATION

1. The purpose of the Spokane Campus (hereinafter referred to as University) regulations governing use of facilities is to establish guidelines for the use of facilities under the authority of RCW 28B.30.095 and to delegate authority to administer the regulations adopted within the standards prescribed.

2. The WSU Board of Regents delegates to the president and the president delegates his authority to the Chancellor to establish procedures for proper review of the use of facilities; to establish, within the framework of these regulations, procedures governing such use; and to review rental schedules where appropriate.

3. Under authority granted above, the WSU Chancellor has appointed a Facilities Use Committee. Inquiries concerning the use of University facilities may be directed to the Vice Chancellor for Finance and Operations, WSU Spokane.

4. The Vice Chancellor for Finance and Operations will chair the facilities use committee. Members of the committee will be represented from administrative departments on the Spokane campus (i.e., WSU Student Affairs, ASWSUS, WSU Facilities, EWU).
DEFINITIONS

"University facilities" means all buildings and grounds owned or controlled by the university and the streets, sidewalks, malls, parking lots, and roadways within the boundaries of property owned or controlled by the university. (WAC 504-35-020).

(WAC 504-33-015-2)

**FIRST AMENDMENT/FREE SPEECH ACTIVITIES (WAC 504-33-020)**

Use of limited public forum areas (Free Speech) — Purpose

Freedom of expression is a highly valued and indispensable quality of university life, and the university desires to allow its students and employees the opportunity to utilize the facilities and grounds of the university to the fullest extent possible. The university commitment to this ideal does not, however, grant to individuals or groups an unlimited license to engage in activity which limits, interferes with, or otherwise disrupts the normal activities for and to which the university's buildings, facilities and grounds are dedicated. The purpose of these time, place, and manner regulations is to establish procedures and
reasonable controls for the use of the university's limited public forum areas by both non-university and university groups. It is intended to balance the university's responsibility to fulfill its mission as a state educational institution of Washington with the interests of non-university groups or university groups who are interested in using the campus for purposes of constitutionally protected speech, assembly, or expression. (WAC 504-33-020).

**DEFINITIONS (WAC 504-33-015)**

1. "Non-university group," for the purposes of this policy, means a collection of individuals that is neither a university affiliate, a registered student organization, nor a recognized employee group. The term also includes the individual members of these groups, when acting on behalf of the group, and individuals who are not currently enrolled students, current university employees, or employees of a university affiliate.

2. "University group," for purposes of this policy, means registered student organizations as defined in WAC 504-28-010, or a recognized employee group of the university, and also encompasses the individual members of these groups when acting on behalf of the group. 4. "Limited public forum areas" means those areas of each campus that the university has chosen to be open as places for expressive activities protected by the first amendment, subject to reasonable time, place or manner restrictions.

At the Spokane campus, the designated limited public forum areas are:

a) The patio outside the main entrance to the Phase I Classroom Building; and  
b) The public sidewalks adjacent to public roads.

c) In addition to the public forum areas identified herein, the chancellors of the Spokane, Tri-Cities, and Vancouver campuses and the university president may designate additional areas of the campuses under their authority as public forums. Such additional public forum areas shall be set forth in the university's business policies and procedures manual.

"First amendment activities" include, but are not necessarily limited to, informational picketing, petition circulation, the distribution of information leaflets or pamphlets, speech-making, demonstrations, rallies, appearances of speakers in outdoor areas, protests, meetings to display group feelings or sentiments and/or other types of constitutionally protected assemblies to share information, perspective or viewpoints.
